RE: FMC Telecommunications, Inc./Town of Davie
ZB 3-1-99

Dear Mr. Kutney:

This letter shall serve to confirm that, based upon the planning staffs determination that the Town's B-2 zoning district allows communication apparatuses as a primary use and that communication apparatuses include satellite dishes, the applicant has withdrawn the above-referenced M-1 zoning application.

Thank you for your assistance and cooperation in this matter.

Very truly yours,

Neal R. Kalis
