Each State contestant uses this pageant as an opportunity to represent their city and voice their opinions on marriage, family values and important issues that married women are faced with in today's world. Proving that married women are extraordinarily beautiful poised, articulate and versatile; the Mrs. Florida America Pageant is the preliminary competition for the nationally televised Mrs. America Pageant.

A televised married pageant in the Sunshine State, donates each year to charities from the Pan Handles to the Key's. We have donated to Hospice, American Cancer Society, Speaking up for Children, Arthritis Foundation and Highway Patrol giving away thousands via our county and state pageants ticket sales. The 2000 pageant season has plans of a silent auction to raise monetary funds to donate to the top five. Each contestant in the top five will have opportunity to donate her 2% to her nonprofit charity of choice. Proving that we are "A pageant with a Purpose".
