Subject Airport Noise Committee Vacancies

Chris:
At the present time, there are two vacant positions on the Broward County Aviation Department's Airport Noise Abatement Committee (ANAC) for noise sites that are located in the Town of Davie. Community representatives generally come from the neighborhoods covered by the noise monitor locations and are approved by the ANAC members. The vacant positions are for Noise Site #1, located at SW 55th Ave and Noise Site #9, located at Tree Tops Park.

I am requesting that we place this under new business for the April 20 Town Council meeting. Council can then decide what it wants to do. I would suggest that both representatives be individuals who are currently on our Airport Advisory Board, as these individuals who already have background on the situation. However, it could be a resident who has been following the development of the airport expansion and is well informed. It's up to the Town Council to decide.

ANAC meets four times a year on the second Monday of the month. The next meeting is June 13 at 6 p.m. The meetings are held at the Administrative Office for Aviation, near Terminal 4.

Please advise.

Thanks
