SPECIAL TIPS:

- If you don't want to pay for extra service, do not put out more than 15 cubic yards.
- If the pile exceeds this amount, only 15 cubic yards will be picked up and the remainder will be tagged and photographed.
- You will have one week to remove the excess bulk from your swale or it will become a code violation.
- To have the excess tagged items removed and to avoid a code violation, you may:
  a) Call Waste Management at 954-974-7500, option #3 for a special pickup for $13.07 per cubic yard plus franchise fee, total $15.62
  b) You may also use your green roll-out cart to supplement your disposal needs
  c) Remove tagged items from the swale and put out with the next month's pickup
  d) Call a landscape company to remove the remaining yard waste
  e) Take debris to a Broward County facility. Call (954) 797-1042 or (954) 797-1045 for the nearest location.
- If you wish to have all your bulk waste removed at one time, and you know in advance it is greater than 15 cubic yards, call Waste Management to make arrangements for a special pickup during your scheduled monthly collection. The first 15 cubic yards will be taken at no cost, after that, the $15.62 rate will apply.
- REMEMBER: 15 cubic yards refers to the overall dimensions of bulk on your swale. To make the most out of your allowable amount, stack everything as neatly and closely together as possible. (Air space between items will count towards the 15 cubic yards). For example: A one-cubic yard empty box will count as one full cubic yard. If you flatten the box you will save almost the whole amount.

ITEMS THAT WILL NOT BE TAKEN:

- Bulk waste collection is for normal residential activities. Commercial businesses, nurseries, and landscapers are prohibited from placing anything out for collection, and their bulk items will not be taken.
- **Hazardous Waste**
  e.g.: Motor oils, paint, batteries, pesticides
- **Contractor Generated Waste/Landscaping Company Waste**
  e.g.: Construction materials or tree trimmings generated by anyone other than the homeowner, and materials as a result of land clearing.
- **Exempt Waste**
  e.g.: Biological sludge, auto or boat parts, and machine parts
