TOWN COUNCIL AGENDA REPORT**

**TO:** Mayor and Councilmembers

**FROM/PHONE:** Marcie Nolan, AICP, Acting Development Services Director/  
(954) 797-1101

**PREPARED BY:** David M. Abramson, Deputy Planning and Zoning Manager

**SUBJECT:** Quasi Judicial Hearing, Variance Application: V 11-1-07/08-21/Stonebridge Estates/2651 Flamingo Road/Generally located on the southwest corner of Southwest 26th Street and Flamingo Road

**AFFECTED DISTRICT:** District 4

**ITEM REQUEST:** Staff Requesting a Tabling/Withdrawal

**TITLE OF AGENDA ITEM:** V 11-1-07, Stonebridge Estates/2651 Flamingo Road

**REPORT IN BRIEF:** The petitioner (Rhon Ernest-Jones Consulting Engineers, Inc.) is requesting variance from the Land Development Code §12-81(A), Conventional Single-family Development Standards and §12-287(A), Development Standards for the R-1, Estate Dwelling District that requires a minimum lot area of 35,000 square feet in order to develop the approximately eighteen (18) acre subject site with eighteen (18) single-family residential dwelling units.

Currently, the Town of Davie development standards for the R-1, Estate Dwelling District precludes the petitioner from achieving the maximum density permitted by the subject site's Future Land Use Plan Map classification by incorporating the design of the northern eight (8) acres as proposed an equestrian facility.

The criterion for approval of a variance requires that the petitioner's request show no evidence of a self-created hardship. In the case of Variance Application (V 11-1-07, Stonebridge Estates), in order to preserve an existing on-site equestrian facility and maintain the petitioner's density, the required residential lot size needs to be reduced on the overall subject site. Therefore, the petitioner has requested that the lot sizes be reduced from a required minimum lot area of 35,000 square feet to a provided minimum lot area of 20,000 square feet.

The petitioner still has the opportunity to develop the subject site in accordance with approved master site plan application (MSP 11-2-05, Stonebridge Estates), which would allow the construction of seventeen (17) single-family on builders acres (a minimum of

35,000 square feet per lot), which meets both the Land Development Code and Future Land Use Plan Map. However, the petitioner has designed the overall subject site to preserve/enhance an existing equestrian facility and provide for drainage/retention within the northern eight (8) acres.

## Applicable Codes and Ordinances

The effective Code of Ordinances governing this project is the Town of Davie Land Development Code.

*Land Development Code (Section 12-305), Rezonings, Special Permits, Variances, and Vacations or Abandonments of Rights-of-Way.* The purpose of this division is to guide the processing and granting of rezonings, special permits, variances and vacations or abandonments of rights-of-way in a manner consistent with the Town of Davie

Comprehensive Plan, existing development and in a manner which protects the public health, safety and welfare.

*Land Development Code*, Article IX of the Land Development Code, Rural Lifestyle Regulations.

*Land Development Code (Section 12-24), (I) (2) Estate Dwelling (R-1) District:* The R-1 District is intended to implement the one (1) dwelling unit per acre residential classification of the Town of Davie Comprehensive Plan and to provide estate residential areas with most of the noncommercial agricultural uses permitted providing a transition from agricultural land to residential dwelling units.

*Land Development Code (Section 12-287) Conventional Single-Family Development Standards, (A) Minimum parcel requirements, Minimum lot area: 35,000 sq. ft., Minimum Lot Frontage/Width: 125 ft., Minimum Lot Depth: n/a, Minimum DU Floor Area: 2,400 sq. ft., Max building coverage: 25%; (B) Front building setbacks 30-40 ft., Side building setbacks 25 ft., Rear building setback 30 ft., and Maximum height 30 ft.*

## **Comprehensive Plan Considerations**

### **Planning Area:**

The subject property falls within Planning Area 2. Planning Area 2 includes the westernmost section of the Town north of Orange Drive and south of SW 14 Street, and bound on the west by Interstate 75 and on the east by SW 100 Avenue. The predominant existing and planned land use is single family residential at a density of one dwelling per acre.

### **Broward County Land Use Plan:**

The subject site falls within Flexibility Zone 113.

### **Applicable Goals, Objectives & Policies:**

*Future Land Use Plan, Policy 5-2:* The (re)zoning, (re)plating, and site planning of land shall be in compliance with the density ranges shown on the Davie Future Land Use Plan map and the applicable Future Land Use Designation provisions as contained in the Permitted Use portion of the Implementation Section.

*Future Land Use Plan, Policy 17-3:* Each development proposal shall be reviewed with respect to its compatibility with adjacent existing and planned uses.

## **Application Details**

The petitioner (Rhon Ernest-Jones Consulting Engineers, Inc.) is requesting variance from the Land Development Code §12-81(A), Conventional Single-family Development Standards and §12-287(A), Development Standards for the R-1, Estate Dwelling District that requires a minimum lot area of 35,000 square feet.

This request would allow the approximately eighteen (18) acre subject site to be developed with eighteen (18) single-family residential dwelling units. Currently, the Town of Davie development standards for the R-1, Estate Dwelling District precludes the petitioner from achieving the maximum density permitted by the subject site's Future Land Use Plan Map classification based on the design of the northern eight (8) acres proposed as an equestrian facility.

---

### **Staff Analysis**

The criterion for approval of a variance requires that the petitioner's request show no evidence of a self-created hardship. In the case of Variance Application (V 11-1-07, Stonebridge Estates), in order to preserve an existing on-site equestrian facility and maintain the petitioner's density, the required residential lot size needs to be reduced on the overall subject site. Therefore, the petitioner has requested that the lot sizes be reduced from a required minimum lot area of 35,000 square feet to a provided minimum lot area of 20,000 square feet.

The petitioner still has the opportunity to develop the subject site in accordance with approved master site plan application (MSP 11-2-05, Stonebridge Estates), which would allow the construction of seventeen (17) single-family on builders acres (a minimum of 35,000 square feet per lot), which meets both the Land Development Code and Future Land Use Plan Map. However, the petitioner has designed the overall subject site to preserve/enhance an existing equestrian facility and provide for drainage/retention within the northern eight (8) acres.

Additionally, the petitioner provided two (2) **conceptual** master site plan schemes. Both schemes consist of eighteen (18) single-family homes, but provide different vehicular access points (See attached Exhibit “A” and “B”). Exhibit “A” proposes an access point through an existing residential community to the south (Stonebrook Estates), while Exhibit “B” proposes access off Flamingo Road through a portion of Southwest 26<sup>th</sup> Street. These access options will be further reviewed when the petitioner is required to formally submit a master site plan application. Furthermore, a master site plan associated with this variance will be required to meet additional Town of Davie, Code of Ordinances relating to Residential Development Standards, Engineering Standards, and Landscaping Requirements (i.e. existing tree line along the southern property line) and further variance requests may be required.

The following information is staff’s analysis (*italic font*) based on the criteria established in the Town of Davie’s, Land Development Code, Section 12-309(B)(1) for variance applications:

- (a) There are special circumstances or conditions applying to the land or building for which the variance is sought;

*There are no special circumstances or conditions applying to the land or building for which the variance is sought. The subject site may be developed in accordance with the Town of Davie Future Land Use Plan Map and Code of Ordinances.*

which circumstances or conditions are peculiar to such land or building and do not apply generally to land or buildings in the same district;

*The circumstances or conditions are not peculiar to such land or building and do apply generally to land or buildings in the same district. The subject site can be developed in accordance with the R-1, Estate Dwelling District without the granting of a variance.*

and that said circumstances or conditions are such that the strict application of the provisions of this chapter would deprive the application of the reasonable use of such land or building for which the variances are sought;

*The circumstances or conditions are not such that the strict application of the provisions of this chapter would not deprive the application of reasonable use of the land or building. The subject site can be reasonably used without a variance. The variance is sought in attempts to maintain existing equestrian facilities and residential density in accordance with the Future Land Use Plan Map.*

and that alleged hardship is self-created by any person having an interest in the property.

*The alleged hardship is self-created by any person having an interest in the property. This variance request is created by the desire to build to a density allowed by the Future Land Use Plan Map while maintaining equestrian facility/open space.*

- (b) The granting of the variance is necessary for the reasonable use of the land or building and that the variance as requested is the minimum variance that will accomplish this purpose.

*The granting of the variance is not necessary for the reasonable use of the land or building and that the variance as requested is the minimum variance that will accomplish this purpose. This request has been made in order to achieve the maximum density permitted by the Future Land Use Plan Map, however is not necessary for reasonable use of the land. This request is the minimum necessary to construct the maximum number of dwellings permitted by the subject site's Future Land Use Plan Map designation.*

- (c) Granting of the requested variances will be in harmony with the general purpose and intent of this chapter and will not be injurious to the neighborhood or otherwise detrimental to the public welfare.

*Granting of the requested variance will be in harmony with the general purpose and intent of this chapter and will not be injurious to the neighborhood or otherwise detrimental to the public welfare. This request provides relief from the minimum lot size requirements to provide open space, as well as equestrian areas and facilities. The associated conceptual master site plan schemes, as illustrated with the attached exhibits, attempts to balance an existing equestrian facility and the petitioners desire to maximize the allowable density.*

**Re: Stonebridge Estates**  
**Variance Application**  
Job No. 05-0507.01

Ms Nolan:

I am pleased to submit, for your consideration, this application for a Variance to the Town of Davie Land Development Code. The subject site is located on the west side of S. Flamingo Road, approximately 1.5 miles north of Griffin Road. (Property ID Number: 5040 23 01 0010)

This request seeks a variance to the Town of Davie Land Development Code, Section 12-24, reducing the minimum allowable lot size on the 18.8 acre Stonebridge Estates property from 35,000 square feet to a minimum of 20,000 square feet. Approval of this variance will allow the north portion of the property to be preserved as open space and maintain its existing equestrian use and character.

Specific code sections that we are requesting a variance from are listed below:

*Sec. 12-24. Statement of purpose and intent of zoning districts.*

- (2) *Estate Dwelling (R-1) District: The R-1 District is intended to implement the one (1) dwelling unit per acre residential classification of the Town of Davie Comprehensive Plan and to provide estate residential areas with most of the noncommercial agricultural uses permitted providing a transition from agricultural land to residential dwelling units.*

<i>District</i>	<i>Characteristics</i>
R-1	35,000 sq. ft. lots

**This request is consistent and compatible with the existing neighborhood abutting the property to the south and part of the west. The property to the north is zoned AG and will be buffered from this project by the proposed open-space / equestrian area. The property is bordered by Flamingo Road on the east**

The criteria used to evaluate variances as specified in the Town of Davie Land Development Code Section is addressed as follows.

*Chapter 12 of the Town of Davie Land Development Code*

*Section 12-309. Review for variances.*

*A variance may only be considered for height, area, number of required parking spaces, or plant units, size of structure or size of yards and open spaces, and separation requirements.*

**This variance is a request to reduce the minimum lot size allowable in the R-1 zoning district and shall comply with all other aspects of the Land Development Code.**

*Planning and Zoning Board Review:*

1. *The planning and zoning board shall hold its public hearing and shall make a recommendation upon the application for variance to the Town Council, based upon its consideration of, where applicable, whether or not:*

(a) *There are special circumstances or conditions applying to the land or building for which the variance is sought, which circumstances or conditions are peculiar to such land or building and do not apply generally to land or buildings in the same district, and that said circumstances or conditions are such that the strict application of the provisions of this chapter would deprive the applicant of the reasonable use of such land or building for which the variance is sought, and that alleged hardship is not self-created by any person having an interest in the property;*

**The proposed lot size will allow the north portion of this site to remain as open space for public use, providing an opportunity for residents to enjoy open space and equestrian activities. This project will conform to all other requirements of lots within the R-1 zoning district.**

(b) *The granting of the variance is necessary for the reasonable use of the land or building and that the variance as requested is the minimum variance that will accomplish this purpose;*

**The approval of this variance allows for residential development which is compatible with the surrounding adjacent communities, while also allowing for a large portion of the property to be preserved as open space, further enhancing the rural and equestrian lifestyle of the Town of Davie.**

- (c) *That granting the variance will be in harmony with the general purpose and intent of this chapter and will not be injurious to the neighborhood or otherwise detrimental to the public welfare.*

**This variance allows the north portion of this property to remain open space with equestrian trails connecting to the surrounding communities. The proposed lot sizes are compatible with the lot size of the adjacent neighborhood to the south and west.**

2. *The report and recommendation of the planning and zoning board required by this chapter may include proposals for the mitigation of external impacts of the variance if approved by the council.*

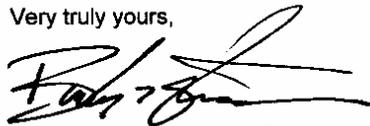

**The impacts of this variance, if approved, will be negligible to the surrounding areas. The applicant / owner will comply with all reasonable provisions, conditions, and requirements identified by the Town of Davie Planning and Zoning Board, as well as the Town Council.**

The following items are enclosed, pursuant to Town of Davie application requirements:

- Town of Davie Variance Application
- Check for \$930.00 to address the Town's application fee;
- Copy of the warranty deed;
- Three (3) copies of conceptual exhibits A and B; and
- Two (2) full scale certified and sealed surveys

As you know, Craig Bencz and Rhon Ernest-Jones, from our office, met with you on August 20, 2007, to fulfill the pre-application meeting requirement. Please do not hesitate to contact me if you have any questions, or if I can provide additional information. I look forward to working with you on this project.

Very truly yours,
