

RESOLUTION NO. \_\_\_\_\_

A RESOLUTION OF THE TOWN OF DAVIE, FLORIDA, ACCEPTING THE BIDDING AND AUTHORIZING THE PURCHASE OF FITNESS EQUIPMENT FOR THE POLICE FACILITY FROM THE LAW ENFORCEMENT TRUST FUND.

WHEREAS, the Police Department is in need of weight training and cardiovascular fitness equipment for the new facility; and

WHEREAS, the Town Council previously approved R-97-368 to purchase fitness equipment from Precision Fitness Equipment for Pine Island Community Center; and

WHEREAS, the vendor agrees to extend that same pricing now for the equipment needed by the Police Department under Proposal 9173B in the amount of \$21,787.00, including shipping and installation; and

WHEREAS, Precision Fitness Corporation, Proposal #9173, under Broward County School Board Bid No. 99-298H, will provide additional equipment in the amount of \$8855.00, including shipping and installation; and

WHEREAS, informal bids were solicited for the remainder of the equipment including shipping and installation, with Precision Fitness Equipment having the lowest bid of \$9292.50; and

WHEREAS, the Police Department wishes to utilize the Law Enforcement Trust Funds for purchase of this equipment from Precision Fitness Equipment, in the amount of \$39,934.50, for the three bid total, in compliance with Florida State Statute 932.704, which is not a recurring cost.

NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COUNCIL OF THE TOWN OF DAVIE, FLORIDA:

SECTION 1. That the Town Council accepts the three bids of Precision Fitness Equipment in the total amount of \$39,934.50, for weight training and cardiovascular fitness equipment.

SECTION 2. That the Town Council of the Town of Davie hereby authorizes the expenditure from the Law Enforcement Trust Fund.

SECTION 3. This resolution shall take effect immediately upon its passage and adoption.

## COMMUNITY SERVICES DEPARTMENT

TO: Herb Hyman, Procurement Manager  
Bid Spec. Committee

THROUGH: Sharon Kent, Community Services Director *SK*

FROM: Bette P. Stark, Recreation Supervisor *Bette P. Stark*

DATE: October 28, 1997

SUBJECT: Fitness Equipment Recommendations

ISSUE: On September 18, 1997, six vendors responded to the RFP for the Fitness Equipment at Pine Island Community Center. Twenty one different pieces of weight lifting and cardiovascular equipment prices were requested as part of this Bid Specification. Purchasing returned all the back up materials as well as the tabulation sheet from the six bidders for staff to review and make recommendations.

EXPLANATION: Staff has very diligently and extensively reviewed all the materials from each vendor. Our professional fitness staff has accessed our fitness facility and has reviewed each piece of equipment, not only from the materials provided, but by visiting local clubs and actually working on the various machines. The fitness equipment is divided into two segments, #1 for strength and weight training equipment, and #2 for cardiovascular equipment.

Segment #1, Strength and weight training:  
All American Gym, who provides All American Equipment is a non responsive bid for strength and weight training equipment. The equipment provided by All American Gym is very similar to what the Town is removing from the fitness room and the quality specified for the machines is not of the high commercial quality. International Fitness, who provides Body-Solid, is a non responsive bid due to the following: lack of weight shields, graded bolts, and range of motion. Hoist machinery provided by Dunn Exercise Equipment and Precision Fitness is preassembled at the factory to insure that all is working properly prior to leaving the factory, whereas Body Solid is "knocked down" and assembled on site. Nautilus and Stairmaster are responsive, but high bids.

Segment #2 Cardiovascular:  
Of the cardiovascular equipment reviewed, International Fitness, (Schwinn and Landice) and All American Gym (Pace Master Pro Plus, NextStep, Polaris, and Ross Fitness) were non responsive as the equipment was not industrial quality and to the standard of the bid specification. Dunn Exercise was also not equal to Nautilus or Life Fitness. This leaves Stairmaster, Nautilus, and Precision Fitness, of which Precision Fitness is the lowest bidder of the bid specifications. All cardiovascular equipment should be bought from one manufacturer because of appearance (color) and ease of maintenance. Therefore, it is staff's recommendation that the cardiovascular equipment should be awarded to Precision Fitness, the lowest bidder of Life Fitness Products. The strength training equipment should all be manufactured by Hoist because of appearance, uniformity, and maintenance. Both Hoist Equipment and Life Fitness can be

found in many local fitness facilities including Memorial Regional Hospital and has been in use for over 2 years.

Based on quality, dependability, and user friendliness for all ages, genders, and fitness levels, staff recommends that the award be divided between Dunn Exercise Equipment and Precision Fitness for the following pieces of equipment. Both Dunn Exercise Equipment and Precision Fitness bid for the strength training pieces, therefore the lowest bid was selected piece by piece.

**Segment # 1 Weight Training Equipment**

(1) Inner-outer thigh machine		No Award*
(1) Leg Ext. Leg Curl Combo Machine	\$ 2115	Dunn Exercise Equip
(1) Triceps Extension		No Award*
(1) Biceps Curl Machine	\$ 2029	Dunn Exercise Equip
(1) Vertical Chest Press Machine	\$ 2087	Precision Fitness
(1) Pectoral Fly Machine	\$ 2029	Dunn Exercise Equip
(1) Vertical Shoulder Press Machine	\$ 2087	Precision Fitness
(1) Lat Pulldown Station	\$ 2145	Precision Fitness
(1) Cable Crossover	\$ 2530	Precision Fitness
(1) Abdominal Crunch Machine	\$ 1878	Dunn Exercise Equip
(1) Flat Bench	\$ 295	Precision Fitness
(1) Decline Abdominal Bench	\$ 530	Precision Fitness
(1) Flat to Incline Adjustable Bench	\$ 373	Dunn Exercise Equip
(1) Stretch Mat	\$ 34	Dunn Exercise Equip
(1) Dumbbell		No Award**
(1) Double Tier Dumbbell Rack	\$ 560	Precision Fitness
(1) Counterbalance Smith Machine	\$ 2735	Precision Fitness

**Segment #2 Cardiovascular Equipment**

(1) Upright Cycle	\$ 1899	Precision Fitness
(1) Recumbent Cycle	\$ 2250	Precision Fitness
(3) Treadmill	\$13485	Precision Fitness
(1) Step Stairclimber	\$ 2395	Precision Fitness

**TOTAL COST** **\$41,456**

\* We have eliminated purchasing the inner-outer thigh machine and the triceps extension machines to balance out the fitness room. Staff felt we needed to increase cardiovascular equipment, therefore, we added a treadmill for a total of three, and with the savings will recommend the LifeFitness Cross-Trainer for future purchases not covered under this proposal.

\*\*We have eliminated purchasing standard dumbbells, as our floor contractor will not be held liable for the floor if we use this type of dumbbell.

**RECOMMENDATION:** Recommend the Town divide the purchase of the Pine Island fitness equipment between the above mentioned local fitness companies. This equipment will exercise most major muscle groups from the heavy duty lifter to the weekend athlete. This includes delivery and installation of all pieces of equipment. Once the Bid Specification Committee reviews recommendation, please place this on the November Council Agenda for approval. Timeliness is of the essence in order to renovate the room, remove existing equipment, remove and reinstall flooring, and deliver and install new equipment. We appreciate your prompt attention in this matter.
