**TITLE OF AGENDA ITEM:**

Council endorsement of Safety Summit

**REPORT IN BRIEF:**

Per the Council's goal session, the Council will be reviewing and approving the Town's support or participation in special events. The Safety Summit was held for the first time this year and is being planned for the year 2000. Town assistance and endorsement has been requested by Councilmember Paul.

The event focuses on a variety of safety issues in the community with a particular focus on child safety. The event has involved the Child Safety Board, Police and Fire Department.

Beyond the Police and Fire assistance, the staff assistance necessary to support the event is approximately 80 hours of time. As this is spread over many months and involves several persons, with proper planning the event can be accommodated by staff. Other expenditures involve postage and some supplies which should not exceed \$1000.00.
