DATE: March 29, 2000

FROM: Barry Webber, Town Attorney

RE: Litigation Update

1. **Orandello** - Mr. Orandello's deposition was taken on March 20, 2000. I will report the results to the Council.

2. **142nd Avenue** - There has been no change since the previous meeting.

3. **Chapters 175 and 185 Funds** - It appears that the Police Pension Plan issues are being resolved and will be finalized in the near future. Mr. Button on behalf of the State of Florida is now actively involved in that process. The Firefighters Pension Plan has outstanding issues which may not be resolved without a hearing.

3. **Coastal Carting, Ltd.** - There was a meeting of the Solid Waste Disposal District on March 17th concerning allowing the contract cities, including the Town of Davie, to be dismissed from the litigation. Council has been provided with a Memorandum explaining the results of the meeting.

4. **LDG Corp.** - The mediation which was scheduled for March 30, 2000 has been rescheduled to April 13, 2000.

5. **MVP Properties, Inc.** - There is no change in the status.

6. **Cummings** - There is no change in the status.

7. **Sunrise Litigation** - There is no change in the status.

8. **Transamerican Land Corp.** - We are awaiting amended pleadings on the part of the Plaintiff.
