Attention: Town Manager, Bob Middaugh

Dear Mr. Middaugh:

On April 20, 1998 the agreement was signed annexing Park City Estates to Davie which became effective October 1, 1998. After the signing ceremony I discussed with Bob Flatley, the then Town Manager, the prospect of reinstalling a sign at the front entrance of our community on State Road 84 and 86th Avenue which read the PARK CITY ESTATES. The sign was to be of metal construction and in the form of an arch from one side of 86th Avenue to the other. I stated that I thought it would cost approximately \$5,000.00 and he felt that this would be very possible.

Since Mr. Flatley is no longer the Town Manager and I am no longer President of the Park City Homeowners Association. I am renewing my request in the capacity as current Vice President of Park City Homeowners Association. The homeowners in Park City would like very much to have this sign reinstalled.

Enclosed is a copy of the former entrance to Park City.

Your sincere consideration would be greatly appreciated.

Please respond at your earliest convenience to the address above.

Thank you.

Sincerely,

Robert M. Myers, Vice President
Park City Homeowners Association
