Re: Davie Road Street Clock

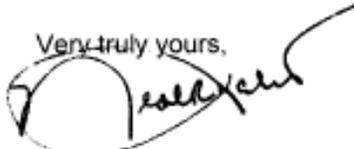

Dear Mr. Willi:

As you know, our firm has been quite active in promoting the Downtown Davie Beatification Project. We congratulate the Town Council and CRA on its foresight in undertaking this project which, even though not yet completed, already is receiving rave reviews from members of both the residential and business community.

As part of our involvement, we were privileged to donate a street clock which, with the permission of the Town Council and the Davie/Cooper City Chamber of Commerce, was installed in front of the Chamber of Commerce with the name of our law firm appearing on the clock mantel. We would like to request that the Town Council consider adopting a resolution recognizing our firm's exclusive right to designate the name(s) which will appear on the clock mantel with the understanding that we will be responsible for the maintenance, repair, or replacement of the clock.

Your consideration of this request is most appreciated.

Very truly yours,

NEAL R. KALIS,
for the firm
