SUBJECT: Resolution

CONTACT PERSON/NUMBER:

Sid Marchant, Acting Fire Chief (954) 797-1213

TITLE OF AGENDA ITEM:

A RESOLUTION OF THE TOWN OF DAVIE, FLORIDA, WAIVING FORMAL BIDDING AND ACCEPTING THE BID FOR ONE TYPE 1 RESCUE UNIT, (2000, FORD, F-350) FROM WHEELED COACH INDUSTRIES, INC.

REPORT IN BRIEF:

As of October 1, 2000, the Town of Davie Fire Rescue Department assumed emergency medical services transport at Ivanhoe Fire Station. This will require us to place a rescue unit at that station. By purchasing this unit, the department will have a total of seven rescue units. Four units will be frontline units and the other three will be used as reserved units for special details and maintenance rotations.

If formal bidding process is undertaken, it will take six to eight weeks to complete the formal bid process. Then, it will take an additional eight to twelve weeks for a manufacturer to build a unit. This process is not acceptable to fulfill our commitment timeline. In the past, the Department has researched the manufacturers of rescue units. The results have showed that Wheeled Coach Industries, Inc. provide the best price and quality workmanship. As a result, the Department purchased six rescue units from Wheeled Coach.

PREVIOUS ACTIONS:

Town Council previously approved resolution R-98-205 to purchase two Type 1 Rescue Unit (1997 Ford F350 chassis), resolution R-98-364 to purchase three Type 1 Rescue Unit (1999 Ford F350 chassis) and resolution R-2000-160 to purchase one Type 1 Rescue Unit (2000 Ford F350 chassis).

CONCURRENCES:

N/A

FISCAL IMPACT:

Has request been budgeted? no

If no, amount needed \$81,778.00

What account will funds be appropriated from: Capital Project EMS Equipment/Refurbishment

Additional Comments: This request was not budgeted because Broward County Fire Rescue was providing the Emergency Medical Services transport at Ivanhoe Fire Station in accordance with the Joint Powers Agreement which the Town terminated in March, 2000.
