MEMORANDUM

TO: Southeast Florida Governmental Cooperative Purchasing Group
FROM: Donna Council, Purchasing Agent 
DATE: June 13, 2001
SUBJECT: **WATER METER FITTINGS AND WATER LINE ACCESSORIES**

The bids were received on June 8, 2001 for the purchase of water meter fittings and water line accessories.

Due to the large volume and variety of items that are required by the Co-op group, and in order to meet the needs of each participating agency, the recommendation of award was made to those responsive and responsible bidders who offered a single fixed percentage discount. Those vendors who offer the highest discount for those items that comply with specifications and otherwise meet requirements should obtain the largest volume of business.

Forty-four (44) vendors were solicited, seven bids and one no bid were received.

The initial contract shall be for a one (1) year period, beginning June 29, 2001 - June 28, 2002 with four (1) one year contract renewal options as per the terms contained within the bid documents. Vendors: U.S. Filter Distribution, Sunstate Meter & Supply, Inc., Lehman Pipe & Plumbing Supply, Ferguson Underground, Lion Plumbing, A & B Pipe and Corcel, Inc.

Under the terms of the bid, upon award, vendors are required to deliver catalog(s) to all participating members of the bid. On the front of the catalogs/price lists they are to indicate the bid number, the start date of the contract, the expiration of the contract and the single percentage discount offered.
