ANNEXATION AGREEMENT BETWEEN
THE TOWN OF DAVIE AND JOLMY ENTERPRISES, INC.

THIS ANNEXATION AGREEMENT, executed this 19th day of June, 1996, made and entered into by and between the TOWN OF DAVIE, a municipal corporation of the State of Florida ("Town") and JOLMY ENTERPRISES, INC., a Florida corporation ("Jolmy").

W I T N E S S E T H:

WHEREAS, Jolmy holds fee simple title to the lands legally described in Exhibit "A" (the "Property"); and

WHEREAS, the Property was zoned by the Board of County Commissioners of Broward County as "A-5" or "Agricultural Excavation A-5 District"; and

WHEREAS, the land use for the Property was designated by the Broward County Comprehensive Plan as "Industrial"; and

WHEREAS, Jolmy desires to voluntarily annex the Property into the Town upon certain terms and conditions as set forth in this Annexation Agreement; and

WHEREAS, the Town Council of the Town of Davie (the "Town Council") has determined that:

- A. The Property is owned by Jolmy;
- B. The Property is contiguous to the municipal boundaries of the Town;
- C. The Property is not included within the boundary of another incorporated municipality;
- D. The Property is reasonably compact; and
- E. The annexation of the Property will not result in the creation of enclaves; and

WHEREAS, the Town has determined that the size, location and transportation access of the Property make it ideally suited for future development and that such future development will foster the economic growth and development of the Town and that the Property may serve as a regional activity center; and

WHEREAS, the Town Council has approved this Annexation Agreement and has authorized the proper town officials to execute this Annexation Agreement by resolution passed at a regular meeting on June 19th, 1996; and

WHEREAS, Jolmy wishes to establish a full-service travel business center on the Property initially consisting of the following uses: truck stop, gas station, convenience store and fast food restaurant; and with possible additional uses to include: retail, truck service, office, warehouse and hotel.

NOW, THEREFORE, in consideration of the mutual promises and other considerations herein contained, the parties hereto agree as follows:

1. Recitations. The recitations set forth above are true and correct and are incorporated herein by this reference.

2. Annexation Petition. Simultaneously with the review and approval of this Annexation Agreement, Jolmy has applied to Town for annexation of the Property into the Town in accordance with the provisions of Section 171.044, Florida Statutes (the "Annexation Petition"). Upon approval of the Annexation Petition and annexation of the Property into the Town, this Annexation Agreement shall govern the rights and obligations of the parties regarding the Property. In the event that Town does not approve the Annexation Petition, then this Annexation Agreement shall be deemed terminated for all purposes and shall be of no further force and effect.

3. Zoning and Permitted Uses. Within thirty (30) days of the effective date of an ordinance passed to effectuate the annexation pursuant to this Annexation Agreement, Jolmy shall file the necessary application(s) to zone the Property to a M-3 and/or B-3 district as described in the Town of Davie Code of Ordinances. In the event that the existing zoning designations in the Town of Davie Code of Ordinances do not permit all of Jolmy's desired uses on the Property, the Town Council agrees to consider developing and adopting a new zoning designation to permit all such uses on the Property, which uses shall include a truck stop, gas station, convenience store, fast food restaurant, retail, truck service (major repair), warehouse (storage), office and hotel.

4. Road Improvements. The Town recognizes that it is important to make roadway improvements to Oakes Road and Burris Road, as described in Exhibit "B" hereto (the "Road Improvements") and the Town acknowledges that Jolmy is making all reasonable efforts to secure the necessary funding for such Road Improvements. However, to facilitate the completion of the Road Improvements, the Town hereby commits to pay up to one hundred fifty thousand dollars (\$150,000) towards the cost of right-of-way acquisition necessary for the Road Improvements. In addition, the Town shall apply for an Economic Development Transportation Fund grant in the amount of one million two hundred thousand dollars (\$1,200,000) to be applied toward the Road Improvements. Such grant request shall also request one hundred fifty thousand dollars (\$150,000) as matching funds to the Town's \$150,000 commitment for right-of-way acquisition. In the event the Town is unsuccessful in obtaining the aforementioned grant, Town shall, pursue alternative forms of public finance assistance which may include creation of a special assessment district pursuant to Florida Statutes.

5. Utilities, Assessments, and Public Services.

a. Utilities. The Town and Jolmy hereby agree to enter into a water and sewer service agreement similar to the agreement contained in Exhibit "C" of Resolution No. R-84-160 of the Town of Davie, Florida, except that for the purpose of assisting Jolmy in funding the construction of off-site improvements as described in Exhibit "C" of this Annexation Agreement, the Town hereby agrees to provide Jolmy with water and sewer line credits and a lift station as reflected on Exhibit "C" hereto.

b. Public Safety Services. The Town agrees to provide to Property municipal services, such as fire protection, law enforcement, community policing activities, emergency and other public safety services within the Property on a 24-hour per day basis. In the event all or a portion of the roadways within the Property have private rights-of-way, Jolmy shall provide the requisite public easement to the Town so that the Davie police and fire will have legal access for vehicular and pedestrian access over and across the private roadways within the Property.

c. Assessments. Jolmy shall not be subject to any special assessments, charges, fees or taxes imposed by the Town for any other municipal service now or in the future, unless such special assessment fee, tax or charge is imposed by the Town on a Town-wide basis or is voluntarily accepted by Jolmy. Nothing herein is to be construed as Jolmy waiving its rights to challenge any such special assessments, fees, taxes or charges, as provided by law.

6. Sign Regulations. Town and Jolmy agree that, notwithstanding any regulations to the contrary, Jolmy shall be allowed to construct a total of three (3) billboards on the Property along Interstate 595 and the Florida Turnpike of the same style, size and lettering permitted in Section 39-325 of the Broward County Code, as it may be amended from time to time or modified by State statute, federal regulation or judicial action. The design of the billboards shall be submitted to the Town Site Plan Review Committee for review and comment and Jolmy shall incorporate such comments to the extent possible while maintaining the integrity of its design for the billboards.

7. Severability. If any section, subsection, sentence, clause, phrase or portion of this Annexation Agreement is for any reason held invalid or unconstitutional in any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision, and such holding shall not affect the validity of the remaining portions hereof.

8. Amendments or Modifications. This Annexation Agreement can only be modified or amended upon the written consent of the Town and Jolmy.

9. Successors and Assigns. This Annexation Agreement shall inure to the benefit of, and be binding upon, Jolmy's successors and assigns.

10. Legal Fees. The Town shall reimburse Jolmy for legal fees incurred in the preparation of this Annexation Agreement and the preparation and approval of the Annexation Petition, said reimbursement not to exceed the sum of ten thousand dollars (\$10,000). The reimbursement shall be due and payable only upon approval of the Annexation Petition provided for herein. The Town shall be provided with copies of all statements for legal services for which Jolmy seeks reimbursement.

IN WITNESS WHEREOF, the parties hereto have made and executed this Annexation Agreement on the respective dates under each signature; Jolmy signing by and through its duly authorized representative; and Town through its Town Council, signing by and through its Mayor, authorized to execute same by Town Council action on 19th day of JUNE, 1996.

CAPACITY RESERVATION FEES

1. IMPLEMENTATION: Upon receiving a "Certificate of Occupancy" for any unit, or six (6) months from the date of this agreement, whichever occurs first, OWNER agrees to pay the UTILITY monthly charges as CAPACITY RESERVATION FEES based upon the following:

- (a) Payments for each ERC covered by this agreement shall be equal to the base service charge for water and sewer service for a residential single family house in accordance with the current rate schedule of the UTILITY.
- (b) Guaranteed Revenue payments shall commence on the first of the month following the receipt of the Certificate of Occupancy, or six (6) months from the date of this Agreement, whichever shall occur first.
- (c) As units are sold or rented and the accounts are placed in the consumers name, the OWNER shall be relieved of the responsibility for payments of the capacity reservation fees for that particular unit.

2. TREATMENT OF CAPACITY RESERVATION FEES: The parties acknowledge that payments of CAPACITY RESERVATION FEE made by the OWNER shall be considered as revenue (income) on the UTILITIES books. Under no circumstances shall payments of such fees be considered contributions in aid of construction. It is further recognized, understood and agreed that such CAPACITY RESERVATION FEES are in lieu of actual revenue from consumers for that interim period of time prior to the construction and occupancy of dwelling and building.

3. FAILURE TO PAY: Failure to pay the CAPACITY RESERVATION FEES by the FIFTEENTH of each month shall be considered a default by OWNER. As a consequence of such default by the OWNER, any reserved plant capacity under this Agreement shall automatically be rescinded and forfeited and all payments made to reserve such plant capacity shall be applied against the outstanding invoices for CAPACITY RESERVATION FEES.

4. REQUIREMENT TO PAY: The requirement for the payment of said CAPACITY RESERVATION FEE shall be a covenant running with the land and shall be a condition precedent to further service and binding upon the OWNER, its successors and assigns or subsequent owners holding by or through the OWNER.

5. WAIVING OF CAPACITY RESERVATION FEES: The above CAPACITY RESERVATION FEES will be waived if OWNER pays in full all connection and other contribution charges, at the time the Water and Sewer Agreement is executed. However, if after 36 months from the date of execution of the Water and Sewer agreement any of the reserved units within the project has not yet been occupied by a consumer receiving active Water and/or Sewer Service, then monthly payment for CAPACITY RESERVATION FEES, shall be started for all units not yet occupied.
