RE: INDIAN RIDGE COMM CNTR.

Dear Sirs:

We are requesting that you withdraw our project from today's agenda and reschedule us for the next meeting in two weeks. We need this additional time to address the concerns raised at yesterday's site plan approval meeting. We will meet with staff in the interim in order to clarify any outstanding issues. We will then resubmit at the next meeting once these concerns have been clearly addressed.

I thank you for your consideration in this matter, and we look forward to a favorable response. Please contact my office if I can be of further assistance.

Respectfully yours,

Jaime Rey
President
