SUBJECT: Site Plan, SP 4-10-05 Hollywood Video/Wendy's, DeRose Design Consultants, Inc. /Konover South, Inc., 11200 SR 84/Generally located at the southwest corner of State Road 84 and Hiatus Road

AFFECTED DISTRICT: District 3

TITLE OF AGENDA ITEM: SP 4-10-05 Hollywood Video/Wendy's, 11200 SR 84 (B-2)

REPORT IN BRIEF: Approval of the site plan for "Hollywood Video/Wendy's" is being requested. The proposal is for an 8,144 square foot structure with retail and fast food uses. The subject site consists of 1.67 acres (72,827 square feet), and is generally located at the southwest corner of State Road 84 and Hiatus Road.

This single story multi-tenant structure is designed to be consistent with the architectural theme of the center. The building has tower elements, a Monier tile roof, pre-finished aluminum trim on the edges, smooth stucco panels with accented masonry joints and stucco diamond accents, and the façade and base of the entire building is treated with split face concrete block. The color scheme consists of a beige base, cream and white accents, red awnings, red window frames with gray tinted impact glass.

Access to the site through The Plaza, off Hiatus Road, via a 30' right turn only opening, and via The Plaza's two (2) entry points along State Road 84. Based on the uses, eighty-three (83) parking spaces are required, and sixty (60) are provided within the lease area. The additional twenty-three (23) are provided via a cross-parking agreement with center, which shall be executed prior to final site plan approval. The Plaza Shopping Center is required to have 1,375 parking spaces and 1,430 are provided.

Development of the site with the proposed use can be considered compatible with the uses on the surrounding properties. To the north is a transportation corridor; to the south is a retail store/pharmacy; to the east is Hiatus Road, then Cameron Palm Apartments; and to the west is a parking lot, then a bar/restaurant.

PREVIOUS ACTIONS: Town Council tabled the item from the February 15, 2006, to the March 1, 2006, meeting so the applicant can meet with Town Council to discuss traffic issues relative to the proposal.

CONCURRENCES: At the January 24, 2006, Site Plan Committee meeting, Mr. Evans made a motion, seconded by Mr. Aucamp, to approve based on the planning report with the following recommendations: 1) move the "drop-off" box for Hollywood Video to an area outside the

green landscape areas or provide a “hardscape” through the landscape area to the drop-off box; 2) move the sidewalk from the south parking area to the south connector to the Wendy’s up against the end parking space and create an island landscape area instead; 3) place the restriction that there will be no interior neon lighting provided on the windows; 4) the windows would not be blocked off with films or graphics; 5) provide a paver or a striped crosswalk going from the rear access service area of Wendy’s to the dumpster area; 6) make the raised “finger” area a paved area as well since landscaping would not fit into it due to the crosswalk; and 7) enhance the landscaping with shrubbery at the common entrance feature to the shopping center. (Motion carried 5-0)

FISCAL IMPACT: N/A

RECOMMENDATION(S): Staff finds the subject application complete and suitable for transmittal to the Town Council for further consideration. In addition, the following conditions shall be met prior to final staff approval:

1. Provided an executed cross-parking agreement with the Plaza Shopping Center.
