

# TOWN OF DAVIE

## TOWN COUNCIL AGENDA REPORT

**TO:** Mayor and Council Members

**FROM/PHONE:** Don DiPetrillo, Fire Chief/EMC, 797-1213  
Prepared by Frank Suriano, Assistant Chief, 797-1843

**SUBJECT:** Resolution

**AFFECTED DISTRICT:** All Districts

**TITLE OF AGENDA ITEM:** A RESOLUTION OF THE TOWN OF DAVIE, FLORIDA, APPROVING THE PURCHASE OF VARIOUS FURNISHINGS FOR THE OAKES ROAD FIRE RESCUE STATION #104 FROM PRIDE INDUSTRIES, INC., OF FLORIDA.

**REPORT IN BRIEF:** The Town Council approved the bid by Pino Kaoba & Associates, Inc. for construction of the Oakes Road Fire Rescue Station #104 by Resolution R-2004-255. The fire station is scheduled for completion in May 2006. Town staff requested quotes for a variety of interior furnishings based upon the product type. Responses were received from six different vendors. Pride Industries, Inc., of Florida provided the lowest pricing to supply interior furnishings throughout the fire station. The expected delivery of station furnishings is between 8 to 12 weeks from the time a purchase order is received.

The Fire Rescue Department staff recommends the purchase of fire station furnishings from Pride Industries, Inc., of Florida for the amount of \$ 40,557.93.

**PREVIOUS ACTIONS:** Resolution 2004-255.

**CONCURRENCES:** The Procurement Manager concurs with this recommendation.

**FISCAL IMPACT:** Yes

Has request been budgeted? Yes

If yes, expected cost: \$ 40,557.93

Account Name: Capital/Fire Impact Fees

If no, amount needed:

What account will funds be appropriated from: # 001-0620-522-6461

**RECOMMENDATION(S):** Motion to approve the resolution to purchase fire station furnishings for the Oakes Road Fire Station from Pride Industries, Inc. of Florida

**Attachment(s):** Resolution  
Procurement Authorizations/Bid Sheets

RESOLUTION \_\_\_\_\_

A RESOLUTION OF THE TOWN OF DAVIE, FLORIDA, APPROVING THE PURCHASE OF VARIOUS FURNISHINGS FOR THE OAKES ROAD FIRE RESCUE STATION #104 FROM PRIDE INDUSTRIES, INC., OF FLORIDA.

WHEREAS, the Town of Davie Fire Rescue Department is in need of fire station furnishings for the Oakes Road Fire Station; and

WHEREAS, Pride Industries, Inc of FLorida was the lowest bidder for fire station furnishings; and

WHEREAS, after review, the Town Council wishes to purchase fire station furnishings for the Oakes Road Fire Rescue Station from Pride Industries Inc., of Florida.

NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COUNCIL OF THE TOWN OF DAVIE, FLORIDA.

SECTION 1. The Town Council of the Town of Davie hereby accepts the purchase of fire station furnishings for the Oakes Road Fire Station #104 from Pride Industries, Inc. of Florida in the amount of \$40,557.93.

SECTION 2. The Town Council authorizes the allocation to and expenditure from the Fire Rescue Departments - Fire Impact Fee Account No. 001-0620-522-6461.

SECTION 3. This resolution shall take effect immediately upon its passage and adoption.

PASSED AND ADOPTED THIS \_\_\_\_\_ DAY OF \_\_\_\_\_, 2006.

If you have any questions, please feel free to call me at the number and extension listed above.

All refurbished items are warranted for 45 days from date of delivery to customer. Warranty covers defects in workmanship and/or material. It does not cover normal or excessive wear and tear on refurbished items or mistreatment of item.

Prices are subject to change upon review of items due to repair costs, i.e., the prices do not reflect any repair costs or replacement parts. The cost of these parts vary and without the chairs here to inspect, I cannot guess at any costs required due to repair and parts. Also, prices are subject to change upon review if they are not the style of chair quoted for.

Please make sure that your Purchase Order has all fabric colors, all wood stain colors and all laminate colors that apply for each line item on that line item's description. Our customer service office must receive your Purchase Order before we can start processing your order or pick-up any items to be refurbished. To speed processing, please fax a copy of your Purchase Order to them at (863) 603-6456.

## HON® Simplicity® II Straight Panel, Gray Fabric, 42" x 37"

A versatile flexible approach to office design and planning. Use as basic office partitions or combine for a full-featured panel system. Fabric-covered, sound-absorbing panels have attractive radius edges. Post-formed edge worksurfaces complement panel design. Requires only a Phillips screwdriver for assembly. The stack-on panels add 12 inches of height to any panel. May be stacked only one high. The glazed-glass panel is made of tempered safety glass and provides an "open office" feeling.

- Each piece is sold individually.

Claret chair shown.

## HON® 7800 Series Mid-Back Performance Chair, Bluestone

*Superb lumbar support reduces back strain — adjustable armrests keep shoulders relaxed!*

- **Lumbar cushioning supports your back.** This chair's pronounced lumbar support provides consistent, gentle pressure to prevent flattening of the spine and protect your always-vulnerable lower back from the strain caused by long periods of sitting. The height and angle of the backrest adjust easily, allowing you to set the lumbar support in the position that's most comfortable for you.
- **Adjustable arm height relieves shoulder strain.** Quickly raise or lower the armrests to fit the length of your arms and reduce shoulder stress — or lower armrests out of the way for jobs that require a free range of movement.
- **One-touch seat-height adjustment for perfect posture.** With a touch of the pneumatic lift lever, you can instantly bring your chair seat to the height that works best for you. Experts recommend that you sit with feet flat on the floor with thighs and lower legs at a 90° angle to avoid strain and aid circulation.
- **Tilt controls for ideal positioning.** The adjustable tilt angle lets you tilt the seat and back at the same rate to disperse some of your weight to the backrest, enhancing blood flow. Adjustable forward tilt allows the seat pan to tilt downward, reducing back pressure during forward-oriented tasks. With adjustable tilt tension, you can control the amount of pressure needed to recline the chair — a handy feature when the chair has multiple users. Tilt lock keeps all your settings secure.
- **Seat glide mechanism eases leg strain.** The seat cushion moves forward and back to accommodate the length of your legs and locks into position for a perfect fit.
- **Ergonomic cushions offer superior**

**comfort!** The plush, deeply contoured seat and back cradle and support your body to enhance posture and provide exquisite comfort during long periods of sitting.

- **Designed for intensive use.** This chair was specially designed to be used between five and seven hours a day, making it perfect for those who spend a majority of their workday in front of a computer.
- **Dual-wheel casters for easy mobility.** The five-star base provides stability and comes equipped with twin-wheel casters to let you roll smoothly about your office.
- **Meets or exceeds ANSI/BIFMA Performance Standards.** Be confident in your purchase! You can rest assured your chair has met quality standards for safety and durability established by the American National Standards Institute (ANSI) and the Business and Institutional Furniture Manufacturers Association (BIFMA).
- **Save time — no assembly required.**
- **Measures 44"H x 26 7/8"W x 34 1/2"D.**
- **Backed by HON's limited lifetime warranty.** The manufacturer demonstrates the pride it takes in this chair by offering you a limited guarantee for life.

No Image Available

**HON® Simplicity® II Multi-Angle Connector, Black**

Each kit includes top and bottom connectors and leveling guides.

The end-of-run is required at the end of a panel run (except where a panel support foot is used).

The multi-angle connector allows 90°, 135° and 180° connections.

The tee connector connects three panels into a "T" or "Y" shape.

The cross connector connects four panels into an "X" shape.

The panel support foot is for freestanding panels. Two feet permit panels to stand alone or to stabilize end-of-run. (End-of-run kit is not required.)

The wall-mounting kit connects a panel at a right angle to a permanent wall. Allows 3/8-inch, 1 1/8-inch or 1 7/8-inch spacing from the wall. Includes one end-of-run kit and requires hardware for attachment of bracket to the wall (not included).

The variable-height connecting hardware connect panels of different heights.

- Each piece is sold individually.

**Sandusky® Steel Single-Tier Locker, 1 Opening, Putty**

These lockers feature durable welded steel construction and a baked enamel finish that ensures long lasting use. The doors have vented holes to allow for proper air ventilation and the die cast handle accommodates a standard padlock to secure belongings. The interior has two side hooks for hanging. These lockers come fully assembled (except for the handle).

# Extra WIDE Lockers

# 25%

## EXTRA WIDE STANDARD LOCKERS

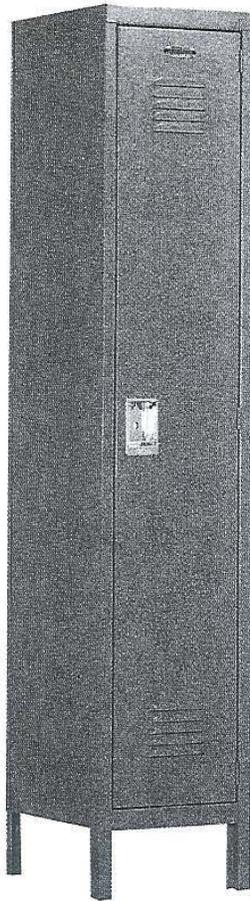

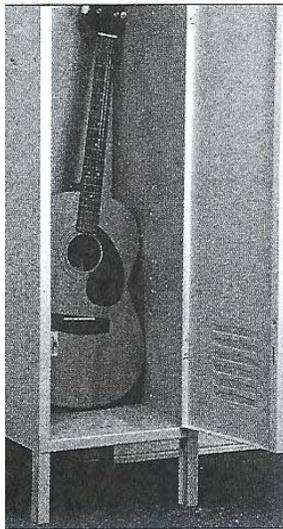

Constructed of 16 gauge steel, 51000 and 52000 series extra wide standard lockers offer ample space for personal storage needs. Extra wide single tier double tier standard lockers are available in a gray or tan finish and as unassembled or assembled units. These spacious 15" wide lockers are six (6) high (add 6" for legs) and are available in 15" and 18" depths. Single tier and double tier lockers feature a lift up handle and recessed hasp and can accommodate built-in locks (#77710 for combination and #77715 for key) and padlocks (#77720 for combination and #77725 for key) - see locker options pages 88-89. Extra wide standard single tier lockers include an adjustable hat shelf and the 18" deep extra wide standard single tier lockers also include a coat rod. All extra wide standard lockers include three (3) wall hooks. End bases, front bases and sloping hoods are available as options upon request - see pages 88-89 for locker options.
