TOWN COUNCIL AGENDA REPORT

TO: Mayor and Councilmember's

FROM/PHONE: Bruce Bernard, Director, Public Works/Capital Projects, 797-1240

PREPARED BY: Daniel J. Oyler, Assistant Public Works Manager

SUBJECT: Resolution

AFFECTED DISTRICT: Town Wide

TITLE OF AGENDA ITEM: A RESOLUTION OF THE TOWN OF DAVIE, FLORIDA, APPROVING THE BID AWARDED BY THE CITY OF MARGATE FOR AGGREGATES, TOP SOIL, AND SAND, (SOUTH FLORIDA GOVERNMENT COOPERATIVE GROUP BID NO. 2006-004).

REPORT IN BRIEF: The Town of Davie is in need of a Contractor(s) to provide the Town with aggregates, top soil and sand for various projects and maintenance efforts. The Southeast Florida Cooperative Purchasing Group is made up of approximately 37 entities. Most of those entities are from Broward County although membership is available to entities in Dade, Broward, and Palm Beach Counties. The co-op meets and identifies commodities and/or services that are commonly bought by a majority of the entities. Once a commodity or service is identified that lends itself to co-op purchasing, one of the members volunteers to act as "lead agency" for the co-op group. The "lead agency" bids and awards the contract for the co-op group and handles any contract administration. The benefit of the co-op is two fold. Firstly, the co-op can obtain better pricing because of the buying power generated by combining quantities with other participating entities. Secondly, co-op members realize administrative cost savings by not having to put out as many contracts (i.e. you only put out those contracts that your entity is the lead agency on. All other contracts are put out by other co-op members).

Joint procurement is permitted by Sec. 2-322 of the Town Code.
