TO: Mayor and Council Members

FROM/PHONE: Donald DiPetrillo, Fire Chief/EMC, 797-1213
Prepared by Frank Suriano, Assistant Chief, 797-1843

SUBJECT: Resolution

AFFECTED DISTRICT: All Districts

TITLE OF AGENDA ITEM: A RESOLUTION OF THE TOWN OF DAVIE, FLORIDA, TO PURCHASE ZEAGLE RAPID ENTRY HDPS DIVE RESCUE SYSTEM AND ASSOCIATED EQUIPMENT FROM WORLD WATER SPORTS (A SOLE SOURCE PROVIDER).

REPORT IN BRIEF: The Davie fire rescue department operates a regional Dive Rescue Team (DRT) for water related emergencies. The department is in need of rapidly deployable dive rescue equipment to quickly enter the water and effectively perform water rescues. Zeagle Rapid Entry HDPS dive rescue equipment is specifically designed to meet the demands of the military and public safety. The Rapid Entry system incorporates all necessary functions which allow public safety divers to quickly enter the water, and maneuver in smaller spaces – such as vehicles. An underwater communications system is included which allows divers to talk with each other or to receive information assisting in the search. This is especially important during an incident, or environmental emergency in the water - such as alligators. Staff requests authorization to purchase the Zeagle Rapid Entry dive rescue system and associated equipment from World Water Sports of Dania, Florida for \$29,720
