TOWN OF DAVIE
TOWN COUNCIL AGENDA REPORT

TO: Mayor and Councilmembers

FROM/PHONE: Mark A. Kutney, AICP, Development Services Director/ (954) 797-1101

PREPARED BY: Lise Bazinet, Planner II

SUBJECT: Quasi Judicial Hearing: Ordinance 1st Reading, ZB 7-1-06/06-90/Easy Home of Davie / 5655 Southwest 64 Avenue / Generally located on the northeast corner of Davie Road and SW 57th Street.

AFFECTED DISTRICT: .District 2

ITEM REQUEST: **Schedule for Council Meeting**

TITLE OF AGENDA ITEM: AN ORDINANCE OF THE TOWN OF DAVIE, FLORIDA, APPROVING REZONING PETITION ZB 7-1-06, CHANGING THE CLASSIFICATION OF CERTAIN LANDS WITHIN THE TOWN OF DAVIE FROM A-1, AGRICULTURAL DICTRICT TO RO, RESIDENTIAL OFFICE DISTRICT; AMENDING THE TOWN ZONING MAP TO COMPLY THEREWITH; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE

REPORT IN BRIEF: The petitioner (Miler Legg and Associates) requests to rezone the subject site from A-1, Agricultural District, to RO, Residential/Office District. Approval of this request will allow office use thin the subject property. The subject site is located on the northeast corner of Davie Road and SW 57th Street Adjacent future land use plan map designations consist of Residential/Office to the north, south and east and Residential 1 DU/Acre to the west. Additionally, the subject site is adjacent to the zoning designations of A-1, Agricultural District, to the south and west, and RO, Residential/Office District to the north and east.

PREVIOUS ACTIONS: At the July 26, 2007 Town Council meeting this Item was tabled at the applicant's request. **(Motion carried 5-0).**
Planner's Note: The attached conceptual site plan (Staff Report, Exhibit 3) is a revised version presented to the neighbors after the June 7, 2007 Planning & Zoning Board meeting.

CONCURRENCES:

At the June 7, 2007 Planning & Zoning Board meeting, Mr. Busey made a motion, seconded by Chair Bender, to deny. **(Motion carried 3-2, Vice-Chair Stevens and Ms. Turin dissenting).**

FISCAL IMPACT: not applicable

Has request been budgeted? n/a

RECOMMENDATION(S):
Staff finds the application complete and suitable for transmittal to the Planning and Zoning Board and Town Council for further consideration.
Attachment(s): Ordinance, Staff Report

ORDINANCE _____

AN ORDINANCE OF THE TOWN OF DAVIE, FLORIDA, APPROVING REZONING PETITION ZB 7-1-06, CHANGING THE CLASSIFICATION OF CERTAIN LANDS WITHIN THE TOWN OF DAVIE FROM A-1, AGRICULTURAL DICTRICT TO RO, RESIDENTIAL OFFICE DISTRICT; AMENDING THE TOWN ZONING MAP TO COMPLY THEREWITH; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE

WHEREAS, the Town Council of the Town of Davie authorized the publication of a notice of a public hearing as required by law, that the classification of certain lands within the Town be changed **FROM:** A-1, Agricultural District **TO:** RO, Residential/Office District

WHEREAS, said notice was given and publication made as required by law, and a public hearing there under was held on the date of the adoption of this ordinance

NOW, THEREFORE, BE IT ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF DAVIE FLORIDA:

SECTION 1. That the property herein after described is hereby rezoned and changed **FROM:** A-1, Agricultural District **TO:** RO, Residential/Office District,

a. The subject property is described in Exhibit "A," which is attached hereto and made a part hereof;

SECTION 2. That the zoning map heretofore adopted by the Town Council is hereby amended to show the property described in Section 1, herein, as RO, Residential/Office District;

SECTION 3. All Ordinances or parts of Ordinances in conflict herewith are to the extent of such conflict hereby repealed.

SECTION 4. If any section, subsection, sentence, clause, phrase, or portion of this Ordinance is, for any reason, held invalid or unconstitutional by any Court of competent jurisdiction, such portion shall be deemed a separate, distinct, and independent provision and such holding shall not affect the validity of the remaining portion of this Ordinance.

SECTION 5. This Ordinance shall take effect immediately upon its passage and adoption.

PASSED ON FIRST READING THIS _____ DAY OF _____, 2007.

PASSED ON SECOND READING THIS _____ DAY OF_____, 2007.

Planning & Zoning Division
Staff Report and Recommendation

Applicant Information

Owner:
Name: Easy Home of Davie, LLC/Francisco Fernandez
Address: 14011 Northwest 13 Street
City: Pembroke Pines, Florida 33028
Phone: (786) 920-4741

Petitioner:
Name: Miler Legg and Associates/Toni Fandrey
Address: 1800 N. Douglas Road,
City: Pembroke Pines, Florida 33024
Phone: (954) 438-8664

Background Information

Date of Notification: June 20, 2007 **Number of Notifications:** 88

Petitioner's Request: Rezone the approx. 0.98 acre subject site **FROM:** A-1, Agricultural District **TO:** RO, Residential/Office District

Address: 5655 Southwest 64 Avenue

Location: Generally located on the northeast corner of Davie Road and SW 57th Street

Future Land Use Plan Map: Residential / Office

Existing Zoning(s): A-1, Agricultural District

Proposed Zoning: RO, Residential/Office District

Existing Use(s): Vacant lot

Parcel Size: 0.98 net acre (42,649 sq. ft.)

Proposed Use(s): Two-story office building

Proposed Density: n/a

Surrounding Use(s):		Surrounding Land Use Plan Map Designation(s):
North:	Dentist Office	Residential / Office
South:	Vacant Lot	Residential / Office
East:	Residential Development	Residential / Office
West:	Single Family dwelling	Residential 1 DU/Acre

Surrounding Zoning(s):

North:	RO, Residential/Office District
South:	A-1, Agricultural District
East:	A-1, Agricultural District
West:	RO, Residential/Office District

Zoning History

Related zoning history:
Records indicate that the existing Future Land Use Plan Map designation and Zoning classification were in place at the time of annexation.

Previous requests on same property: n/a

Concurrent Request(s) on same property: Requires a Site Plan application. At this time, the petitioner has not submitted a site plan application.

Applicable Codes and Ordinances

The effective Code of Ordinances governing this project is the Town of Davie Land Development Code.

Land Development Code (Section 12-305), Rezoning, Special Permits, Variances, and Vacations or Abandonment's of Rights-of-Way, the purpose of this division is to guide the processing and granting of rezoning, special permits, variances and vacations or abandonment's of rights-of-way in a manner consistent with the Town of Davie Comprehensive Plan, existing development and in a manner which protects the public health, safety and welfare.

Land Development Code (Section 12-24 (J)(1)), the RO, Residential/Office District is intended to implement the residential/office classification of the Town of Davie Comprehensive Plan by providing a buffer of professional offices and mixed residential and office development to surrounding residential areas. The intent of this district is to maintain the residential character of the neighborhood while permitting the development of professional offices.

Comprehensive Plan Considerations

Planning Area:

The subject property falls within Planning Area 9. This Planning Area is south of Griffin Road, generally north of Stirling Road, east of SW 76 Avenue and west of the Florida Turnpike. This area is predominantly agricultural in nature with scattered low-density single-family residential development. Low profile commercial development lines the Griffin Road, Davie Road, and Stirling Road corridors.

Broward County Land Use Plan:
The subject site falls within Flexibility Zone 102.

Applicable Goals, Objectives & Policies:
Future Land Use Plan, Objective 17: Land Use Compatibility and Community Appearance, Policy 17-3: Each development proposal shall be reviewed with respect to its compatibility with adjacent existing and planned uses.

Policy 17-2: No property within the Town shall be rezoned to a zoning district that is not in compliance with the Davie Future Land Use Plan.

Application Details

The petitioner (Miler Legg and Associates) requests to rezone the subject site from A-1, Agricultural District, to RO, Residential/Office District. Approval of this request will allow office use thin the subject property.

The subject site is located on the northeast corner of Davie Road and SW 57th Street Adjacent future land use plan map designations consist of Residential/Office to the north, south and east and Residential 1 DU/Acre to the west. Additionally, the subject site is adjacent to the zoning designations of A-1, Agricultural District, to the south and west, and RO, Residential/Office District to the north and east.

Public Participation

The public participation process provides the ability for citizens of the Town of Davie to actively participate in the Town's development procedures. The petitioner conducted meetings with the public at the Town of Davie Community Room on September 21, 2006 and September 28, 2006. Attached is the petitioner's Citizen Participation Report.

Staff Analysis

The purpose of this request is to rezone the subject site from A-1, Agricultural District, to RO, Residential/Office District. According to the Land Development Code, the subject site meets the minimum technical requirements for the RO, Residential/Office District zoning classification, as the minimum lot size required is 17,500 square feet (approximately 0.40 acres), and a minimum lot frontage of 100'.

The following information is staff's analysis based on the criteria established in the Town of Davie's, Land Development Code, Section 12-307(A)(1) for rezoning applications:

(a) The proposed change is not contrary to the adopted comprehensive plan, as amended, or any element or portion thereof;

The proposed rezoning to RO, Residential/Office District will be consistent with the existing Residential/Office land use designation. Residential /Office Land Use designation requires professional and business offices to be constructed and maintained to resemble a residential structure.

(b) The proposed change will not create an isolated zoning district unrelated and incompatible with adjacent and nearby districts;

Rezoning the subject site to RO, Residential/Office District is related to the adjacent zoning designations of A-1, Agricultural District, to the south and west, and RO, Residential/Office District to the north and east.

(c) Existing zoning district boundaries are logically drawn in relation to existing conditions on the property proposed for change;

The subject site's boundary lines precisely correspond to the boundaries of the proposed office use and the rezoning request is logical since the property meets the requirements to gain the zoning designation.

(d) The proposed change is not expected to adversely affect living conditions in the neighborhood;

Rezoning the subject site to RO, Residential/Office District is required in order to develop the proposed office building. The intent of this district is to maintain the residential character of the neighborhood while permitting the development of professional offices. *In addition, the Land Development Code requires that the subject site be designed to account for the adjacent single-family home development by limiting building height to 25', requiring a minimum 20' setback, at the sides and rear, and an eight (8) foot masonry wall and 10' landscape buffers.*

(e) The proposed change may not create or excessively increase automobile and vehicular traffic congestion above that which would be anticipated with permitted intensities or densities of the underlying land use plan designation, or otherwise affect public safety;

The traffic generated by the proposed office use is what the existing future land use plan anticipated. Prior to final approval of the plat by Broward County and the Town of Davie, traffic impacts are assessed.

(f) The proposed change is not expected to adversely affect other property values;

The subject site is adjacent to office and residential uses and should not have a negative impact on the value of the adjacent properties. The proposed office building is consistent with future and existing office uses along Davie Road.

(g) The proposed change will not be a deterrent to the improvement or development of other property in accord with existing regulations;

The vacant parcel to the south can be developed with residential uses while allowing the subject site to be developed as proposed. Additionally,

rezoning the subject site will not deter improvements to the surrounding developed properties, since all properties are required to meet existing Land Development Code development regulations such as setbacks and landscape buffers.

(h) The proposed change does not constitute a grant of special privilege to an individual owner as contrasted with the welfare of the general public;

The proposed rezoning will not give the owner a unique benefit that harms the welfare of the general public. The rezoning will be consistent with the existing land use designation and adjacent properties to the north and east, along Davie Road.

(i) There are not substantial reasons why the property cannot be used in accord with existing zoning.

The existing A-1, Agricultural District does not allow office use. However, the Future Land Use Plan designates the subject site as Residential/Office. *The subject site must be rezoned consistent with its land use designation to allow office use. Additionally, the property is located fronting Davie Road, an intense traffic road, which makes the site unattractive to residential single-family use. In addition, Davie Road is a scenic Corridor, requiring a 50 foot scenic corridor landscape buffer limiting the use of the property as residential.*

(j) The proposed zoning may be the most appropriate designation to enhance the Town's tax base given the site's location relative to the pattern of land use designations established on the future land use plan map, appropriate land use planning practice, and comprehensive plan policies directing land use location.

The proposed office use is consistent with the land use designation of Residential/Office and will provide a higher tax base than residential uses.

Staff finds that the rezoning request complies with the general purpose of the proposed RO, Residential/Office District. The rezoning request is in conformance with all applicable Codes and Ordinances and is consistent with the other surrounding Zoning Districts. Furthermore, the rezoning request can be considered compatible with the office uses and properties located along Davie Road.

Staff Recommendation

Staff finds the application complete and suitable for transmittal to the Planning and Zoning Board and Town Council for further consideration.

Planning and Zoning Board Recommendation

At the June 7, 2007 Planning & Zoning Board meeting, Mr. Busey made a motion, seconded by Chair Bender, to deny. **(Motion carried 3-2, Vice-Chair Stevens and Ms. Turin dissenting).**

Town Council Action

At the July 26, 2007 Town Council meeting this Item was tabled at the applicant's request. **(Motion carried 5-0).**

Planner's Note: The attached conceptual site plan (Staff Report, Exhibit 3) is a revised version presented to the neighbors after the June 7, 2007 Planning & Zoning Board meeting.

Exhibit 1 (Petitioner's *Justification Letter*)

Chapter 12 of the Town of Davie Land Development Code
Section 12-307: Review for Rezonings

(a) The proposed change is contrary to the adopted comprehensive plan, as amended or any element or portion thereof:

COMMENT(S): The proposed rezoning from A-1 to RO will not require a subsequent change of land use, as the subject site has a future land use designation of "Residential/Office" on the Town of Davie Future Land Use Map.

(b) The proposed change <u>will not</u> create an isolated zoning district unrelated and incompatible with adjacent and nearby districts:

COMMENT(S): This rezoning change will not create an isolated zoning district unrelated and incompatible with adjacent and nearby districts. Immediately north of the proposed rezoning site is a developed office site zoned "RO;" to the east are vacant lands zoned "RO;" to the south of the amendment site is vacant lands zoned "A-1". In addition, there are single-family residential west of the property, is zoned "A-1." The proposed "RO" zoning classification is consistent with the future character of the surrounding sites, as a residential/office zoning classification is specifically for professional and business offices such as a doctor's office, child care facility, and art studios, etc.

(c) Existing zoning district boundaries <u>are</u> logically drawn in relation to existing conditions on the property proposed for change:

COMMENT(S): The subject site is designated "Residential/Office" on the Town of Davie's Future Land Use Map, while the existing zoning maintains a low density residential zoning classification, as well as agricultural uses. According to the Comprehensive Plan, this area is foreseen to have a decline in agricultural activities and the Comprehensive Plan identifies this Planning Area as having the potential for redevelopment. As a result, the existing district boundaries are not illogically drawn, however, inconsistent with the future goals and objectives of the Town's Comprehensive Plan.

(d) The proposed change <u>will not</u> adversely affect living conditions in the neighborhood:

COMMENT(S): The proposed "RO" zoning district should not adversely affect living conditions in the neighborhood, as the proposed change is not a higher intensity then the future land use, nor higher than the surrounding lands which lie to the north and

east. In addition, the site will be developed within the parameters of the conventional non-residential development standards, in addition to landscaping and buffering requirements.

(e) The proposed change <u>will not</u> create or excessively increase automobile and vehicular traffic congestion above that which would be anticipated with permitted intensities or densities of the underlying land use plan designation or other wise affect public safety:

COMMENT(S): Currently, the site is an agricultural use, however, could potentially be re-developed as one single-family dwelling unit. We note that any change of zoning which is a permitted use of the land use designation (Residential/Office) which is included in the projected level of service of Broward County (based on the highest intense use). Therefore, the anticipated trips from the proposed office development would be accounted for in the Long-Range planning horizons for the regional roadway network.

(f) The proposed change <u>will not</u> adversely affect other property values:

COMMENT(S): It is believed that the rezoning will enhance the area which is predominately zoned and planned as office and higher residential densities. Professional offices, may offer a smoother transition to the lower-density residential to the west of the properties as for example a commercially zoned property. In addition this area was identified through the Town of Davie's Comprehensive Plan as an area of potential redevelopment due to the dwindling agriculture base.

(g) The proposed change <u>will not</u> be a deterrent to the improvement or development of other property in accord with existing regulations:

COMMENT(S): This site is in Planning Area 9, of the Town of Davie's within the Future Land Use Element. Planning Area 9 is anticipated diminish in the functionality of agricultural uses along corridors such as Davie Road, which is adjacent to the proposed site. In addition, the area to the north is an existing professional office building, while sites to the east and south can still be developed as appropriate. The proposed development should enhance the viability of the area which currently identified as having redevelopment potential.

(h) **The proposed change <u>does not</u> constitute a grant of special privilege to an individual owner as contrasted with the welfare of the general public:**

COMMENT(S): This site does not constitute a grant of special privilege to an individual owner as the site is being developed consistent with the Town of Davie's Future Land Use Plan Map.

(i) **There <u>are</u> substantial reasons why the property cannot be used in accord with existing zoning:**

COMMENT(S): The property currently is being used for a single-family residential dwelling unit; however, as demand for redevelopment along arterial roadways increase, the existing "A-1" zoning may not compatible with an area already designated on the future land use map as "Residential/Office" (i.e., professional office to the north, south and east). The applicant's request for rezoning is consistent with the Town of Davie's Future Land Use Map.

(j) **The proposed zoning designation <u>is</u> the most appropriate designation to enhance the Town's tax base given the site location relative to the pattern of land use designations established on the future land use plan map, appropriate land use planning practice and comprehensive plan policies directing land use location:**

COMMENT(S): Designating this site as "RO" will allow for the parcel to be developed in a manner consistent with the underlying land use plan. In addition, rezoning the site will allow for the enhancement of a diminishing agricultural area in the Town's predefined corridor of redevelopment.

NOTICE OF PUBLIC HEARING

RE: 64th Avenue Offices for Easy Home of Davie, LLC
Located at 5655 SW 64th Avenue
Rezoning Application No.: ZB-7-1-06

Dear Property Owner:

This letter is to invite you to a Citizen Participation meeting relating to a rezoning application for an approximate 1.068 acre parcel located at 5655 SW 64th Avenue. The request is to change the zoning from its current Agricultural (A-1) Zoning District to the Town's Residential Office (RO) Zoning District.

Under a new Town of Davie ordinance, we are required to hold two (2) Citizen Participation meetings and send notice to all property owners within 1,000 feet of the site before the Town will initiate their review of the rezoning application. We have scheduled the following meetings.

First Meeting:
Date: September 21, 2006
Time: 6:00 PM
Location: East Side Community Hall Room
4300 SW 55th Avenue, Davie, Florida 33314

Second Meeting:
Date: September 28, 2006
Time: 6:00 PM
Location: East Side Community Hall Room
4300 SW 55th Avenue, Davie, Florida 33314

We will be ready to answer any questions you may have, and will listen to any suggestions. Also, please be advised that there will be additional opportunities for public input at the Planning and Zoning Board and Town Council public hearings.

Sincerely,

Toni Fandrey
Planning

Exhibit 'B'

Summary of Discussion of September 21, 2006
Citizen Participation Meeting for
Easy Home of Davie – 64th Avenue Offices

The first of two (2) Citizen Participation meetings was held on September 21, 2006 at 6:00 pm at the East Side Community Hall Room and was attended by five (5) neighbors. The sign-in sheet is attached as Exhibit 'A'.

Jeff Evans of Jeffrey Evans Associates, P.A. opened the meeting and explained the Town's Citizen Participation Ordinance, which requires an applicant to hold two (2) meetings with neighbors who live within 1,000 feet of the subject property. Jeff explained that the outcome of these two meetings will be summarized in a "Citizen Participation Report" and submitted to Town Staff.

Mr. Evans explained that a rezoning application was filed with the Town of Davie for the approximate one-acre parcel located at 5655 SW 64th Avenue. The applicant is requesting to change the current zoning from Agricultural to the Town's Residential Office (RO) Zoning District. It was explained that this project is for a proposed two (2) story Residential Office building on the corner parcel next to a residential office building. Mr. Evans explained that the proposed building was designed with a Mediterranean theme consisting of offices and covered parking on the first floor and offices on the second floor. It was explained that retention areas were placed on the end of the site to provide buffers to the existing neighborhood and the covered parking was utilized to screen the parking from street view in an effort to reduce the appearance of a parking lot.

A discussion with the neighbors ensued. Below are some of the major points of discussion:

- Property Owners were aware that the site would be commercial, but were surprised at the size of the building and thought that it's Mediterranean design "looked like a resort". Mr. Evans explained that the size of the building was required since the Owner had a lot of infrastructure costs and needed to bring sewer service from Stirling Road to the site which would also benefit the residents.

- Concerns were discussed regarding the level of traffic flow generated due to the proposed ingress/egress onto SW 57th Avenue. The possibility of providing an entrance to the site off of SW 57th Street with an exit off of Davie Road was discussed as a way to reduce any potential traffic flow onto SW 57th Street.

- The location of the dumpster was also discussed. The homeowners felt that the proposed location of the dumpster would possibly entice the public to use the garbage area as a public dumpsite. They inquired if the dumpster could be pushed back to the north corner.

The meeting was finalized at approximately 7 PM and everyone was invited back to the second meeting being held on September 28, 2006 from 6 to 7 PM to continue the discussion and to allow any other neighbors an opportunity to provide their input.

Exhibit 'B'

Summary of Discussion of September 28, 2006
Citizen Participation Meeting for
Easy Home of Davie – 64th Avenue Offices

The second of two (2) Citizen Participation meetings was held on September 28, 2006 at 6:00 PM at the East Side Community Hall Room and was attended by six (6) neighbors. The sign-in sheet is attached as Exhibit 'A'.

Mr. Dwayne Dickerson, of Ruden McCloskey, attorney for the applicant/owner, opened the meeting and explained the Town's Citizen Participation Ordinance, which requires the applicant/owner to hold two (2) meetings with neighbors who live within 1,000 feet of the subject property. The outcome of these two meetings will be summarized in a "Citizen Participation Report" and submitted to Town Staff.

Mr. Dickerson explained for the residents that were not present at the previous meeting, that the applicant/owner was requesting to change the current zoning from Agricultural to the Town's Residential Office (RO) Zoning District. It was explained that this project was for a proposed two (2) story Residential Office building on a corner parcel next to an existing residential office building.

Mr. Dickerson presented a color rendering prepared by architect Jeff Evans depicting the proposed building with a first floor office design, covered parking and second floor office space. In addition, the adjacent homeowners were informed that the proposed retention areas were placed on the end of the site to provide buffers to the existing neighborhood and covered parking is proposed to be utilized in order to screen the parking from street view in an effort to reduce the appearance of a parking lot.

In response to the homeowners concerns from the previous September 21, 2006, the site plan was modified as follows:

- The size of the building was reduced by approximately 5,000 square feet.
- The length of the building has been adjusted further back into the site so that there was less structure directly abutting 57th Street and therefore eliminating a portion of the building closest to the nearest resident.
- The dumpster has been relocated to the northwest corner of the property.
- Due to resident's traffic concerns, the entrance off of 57th Street is now proposed as entrance only with no exiting allowed.

A discussion with the neighbors ensued and the major points of discussion are listed below:

- The adjacent homeowners were concerned about the size of the proposed building and suggested that the design was too large. Mr. Dickerson explained that since the owner is proposing to bring sewer service from Stirling Road, the size of the building is a conforming requirement.

- The homeowners suggested that although the Mediterranean design is attractive, they felt that it was not an appropriate design for the Town of Davie and would be "better suited in a City such as Weston".

- The homeowners were assured that the property owner is sensitive to the concerns of the neighbors and is open to considering viable solutions/suggestions from the neighbors with regard to the building design.

The meeting was finalized at approximately 7 PM and everyone was asked if they would be available to continue discussion of the proposed project at a later date.
