

SECTION IV
CLEARING AND GRUBBING

SECTION IV

CLEARING AND GRUBBING:

All clearing/grubbing activities shall be performed in accordance to the Town of Davie Code of Ordinances, Chapter 26.

Wetlands Clearing and Grubbing: Prior to the commencement of any wetland clearing activity, approvals from South Florida Water Management District (SFWMD), Florida Department of Environmental Protection (FDEP) and Broward County Environmental Protection Department (BCEPD) must be submitted to the Town of Davie for review. The Town of Davie must also review and approve the proposed wetland clearing activity.

Haul Roads:

The Contractor will be responsible for construction and maintenance of all haul roads required for the performance of the contracted work within the Town of Davie. No additional compensation will be allowed for this work.

The Contractor must submit a "Transport of Fill Material Plan" to the Town Engineer for review and approval. This plan must include provisions that comply with state and federal regulations regarding transportation of fill material.

NPDES:

Construction within the Town of Davie requires compliance with the requirements of the Town of Davie and the National Pollution Discharge Elimination System (NPDES) including submittal of the Notice of Intent (NOI) and Notice of Termination (NOT) forms. Please reference the EPA website at www.epa.gov/npdes.

All code enforcement violations will be doubled the fee imposed.
