ARTICLE 1

UNION RECOGNITION

In accordance with the Public Employees Relations Commission Certification Number 1035, the Town recognizes the Union as the exclusive Bargaining Agent to represent the below-described public employees for the purposes of collective bargaining with respect to wages, hours, health, safety and terms and conditions of employment:

- Included: Full time sworn law enforcement personnel in the classification of police officer, police sergeant and police lieutenant.
- Excluded: All other employees of the Town of Davie.

ARTICLE 2

MANAGEMENT RIGHTS

The Union agrees that the Town has and will continue to retain, whether exercised or not, the right to operate and manage its affairs in all respects; and the powers or authority which the Town has not officially abridged, delegated or modified by the provisions of this agreement are retained by the Town. The rights of the Town, through its management officials, shall include but shall not be limited:

- to the right to determine the organization of Town Government;
- to determine the purpose of each of its constituent departments;
- to exercise control and discretion over the organization and efficiency of operations of the Town;
- to set standards for service to be offered to the public;
- to direct the employees of the Town;
- to schedule employees in positions with the Town in accordance with Article 28 of this agreement;
- to suspend, demote, discharge, or take other disciplinary action against employees for just cause; (Where the term “just cause” means real cause or basis for dismissal as distinguished from arbitrary whim or caprice. That is, some cause or ground that a reasonable employer acting in good faith in similar circumstances would regard as good and sufficient basis for terminating the service of an employee.)
- to increase, reduce, change, modify or alter the composition and size of the work force, including the right to relieve employees from duties because of lack of work or funds;
- to determine the location, methods, means, and personnel by which operations are to be conducted, including the right to contract and subcontract existing and future work;
- to establish, modify, combine or abolish job pay positions;
- to determine the method and means for selection for initial hire and for promotions in accordance with Article 15 of this agreement;
- to change or eliminate existing methods of operation, equipment or facilities;
- to formulate, amend, or modify rules, regulations, and procedures, in accordance with Article 14 of this agreement.

However, the exercise of such rights shall not preclude employees or their representatives from raising grievances, should decisions on the above matter have the practical consequence of violating the terms and conditions of any collective bargaining agreement in force or any civil or career service regulation.

The Town has the sole authority to determine the purpose and mission of the Town, to prepare and submit budgets to be adopted by the Town Council. Those inherent managerial functions, prerogatives and policy-making rights which the Town has not expressly modified or restricted by a specific provision of this agreement are not in any way, directly or indirectly, subject to the grievance procedure contained herein.

In the event the Town exercises its management rights pursuant to Article 2 in such a manner so as to materially affect a bargaining unit employee’s wages, hours, or terms and conditions of employment, the Town agrees to the following procedure. The Town will provide the FOP with written notice of its determination. The FOP will have seven (7) calendar days within which to request impact bargaining. Said request shall be in writing and shall identify the alleged impact of the Town’s determination. If the union determines that a change materially affects a bargaining unit employee’s wages, hours, or terms and conditions of employment, then the union will provide the Town notice of the alleged impact and request impact bargaining within seven (7) days of discovering the change. Said request shall be in writing and shall identify the alleged impact of the Town’s determination. The parties will engage in impact bargaining within ten (10) working days. Impact bargaining will be conducted in accordance with state law.

ARTICLE 11

GRIEVANCE PROCEDURE

- 281
282
283
284
285 11.1 The purpose of this article is to provide exclusive machinery for the fair, expeditious and orderly adjustment of
286 grievances regarding contract and disciplinary disputes involving the interpretation or application of this collective
287 bargaining agreement.
288
- 289 11.2 Any formal grievance filed shall be on proper forms agreed to by the parties and shall cite the provisions of the
290 Agreement (i.e. article & section) alleged to have been violated and shall set forth the facts pertaining to the alleged
291 violation(s). Grievance forms submitted which do not contain the above information and are incomplete, shall be
292 returned to the employee(s) or the Union to be refiled within the time period provided for in Section 11.5.
293
- 294 11.3 Grievance discussions will be scheduled and will be conducted by the department with notice to the employee. The
295 aggrieved employee shall suffer no loss of pay or benefits for the time required for such meetings. Whenever
296 practical, grievance discussions will be held during the grievant's tour of duty, or within two (2) hours of the start or
297 end of the employee's tour of duty.
298
- 299 11.4 Nothing in this section shall be construed to prevent an employee from presenting, at any time, his/her own grievance
300 without representation through Step 4.
301
- 302 11.5 An employee who wishes to submit a grievance must submit a grievance in writing within ten (10) business days
303 (Monday through Friday, excluding Saturdays, Sundays, and Holidays) after the occurrence (or notification to
304 member, i.e. member being on leave when action occurred or similar situation which would delay awareness) of the
305 matter from which the grievance arose. A grievance which is not filed within the time limits or according to the
306 procedures set forth herein shall be foreclosed for all contractual and legal purposes. A grievance not responded to
307 within the time limits set forth herein, shall give the grievant the automatic right to proceed to the next step. The
308 Town and the grievant or the Union may mutually agree to hold a grievance in abeyance. If a grievance is not
309 processed by the Town in a timely manner, and if the grievance is pursued to arbitration, the arbitrator will determine
310 the effect of the Town's untimeliness. Whenever the Town challenges a grievance (whether it be initial filing or
311 alleged untimely processing) the Union and/or the individual grievant will have the burden of proving when the
312 grievance was actually filed and/or presented to management unless "service" is made by hand delivery and/or
313 certified mail, return receipt requested.
314
315
- 316 11.6 The formal grievance steps are as follows:
317
318 Step 1
319 a. The employee(s) shall file the grievance in writing within ten (10) business days (Monday through Friday,
320 excluding Saturdays, Sundays, and Holidays) of its occurrence (or notification to member, i.e. member being on
321 leave when action occurred or similar situation which would delay awareness) of this matter to the employee's
322 Division Commander on the prescribed grievance forms which shall be standard and used throughout the
323 grievance procedure.
324
325 b. The Division Commander within ten (10) business days (Monday through Friday, excluding Saturdays, Sundays,
326 and Holidays) of receiving the grievance may conduct a meeting with the employee or the employee and the
327 Union. The Division Commander shall notify the employee or the employee and the Union, in writing, of his/her
328 decision within ten (10) business days (Monday through Friday, excluding Saturdays, Sundays, and Holidays) (or
329 longer period of time as mutually agreed upon) after the grievance hearing was held.
330
- 331 Step 2
332 a. If the grievance is not resolved to the employee's satisfaction by Step 1, the employee or the union may forward
333 the grievance, in writing, to the aggrieved employee's next step in the chain of command within ten (10) business
334 days (Monday through Friday, excluding Saturdays, Sundays, and Holidays) from the date of notification from
335 the Division Commander

The Bureau Chief (rank between Captain and Chief of Police), within ten (10) business days (Monday through Friday, excluding Saturdays, Sundays, and Holidays) of receiving the grievance may conduct a meeting with the employee or the employee and the Union. Step 3

If the grievance is not resolved to the employee's satisfaction (or in the case of when the Union files a grievance, the Union's satisfaction), as rendered in Step 2, the employee or the employee and the Union shall forward the grievance in writing to the Chief of Police, within ten (10) business days (Monday through Friday, excluding Saturdays, Sundays, and Holidays) (or a longer period of time as mutually agreed upon) of receipt of the decision rendered in step 2.
- b. The Chief of Police shall gather the facts and conduct a meeting within ten (10) business days (Monday through Friday, excluding Saturdays, Sundays, and Holidays) with the employee or the employee and the Union. The Chief of Police shall notify the employee and Union, in writing, of his/her decision within ten (10) business days (Monday through Friday, excluding Saturdays, Sundays, and Holidays) (or longer period of time as mutually agreed upon) after the grievance hearing was held.
- c. If the grievance was a result of an action or ruling made by the Chief of Police, the grievant may file the initial grievance with the Chief of Police at Step 3 in the grievance process without delay.

Step 4

In the event the member is not satisfied with the disposition of the grievance in Step 3, he/she shall have the right to appeal the Chief's decision to the Town Administrator or his/her designee within ten (10) business days (Monday through Friday, excluding Saturdays, Sundays, and Holidays) of the date of the issuance of the Chief's decision. Such appeal must be accomplished by the filing of a copy of the original written grievance together with a letter signed by the member, or, at the member's option, the President of the Employee Organization, requesting that the Chief's decision be reversed. The Town Administrator or his/her designee, shall, within fifteen (15) business days (Monday through Friday, excluding Saturdays, Sundays, and Holidays) of the filing of the appeal (or some longer period of time as is mutually agreed upon) render his/her decision in writing with a copy to the Employee Organization. Grievant shall receive his/her notice by certified mail and the Union shall be noticed by phone to pick up a copy within five (5) working days and if not picked up by the Union, the Town will send a certified letter to the Union President or his designee. Class action grievances may be submitted at Step 4. In the case of a class action grievance, notice will be given only to the Union.

- 11.7 The aggrieved shall be given reasonable notice of the grievance hearings as provided herein.
- 11.8 If any grievance is not satisfactorily resolved by the foregoing procedure, the Union or the Town may proceed to Arbitration according to Article 12. Should the Union decide to proceed to Arbitration and the Town has not provided the Union with a response by the deadlines indicated above in Step 4 of Section 11.6 or by a mutually agreed upon extended deadline, the Town will be responsible for reimbursing the Union the fee for filing for arbitration with the Federal Mediation and Conciliation Service.
- 11.9 Nothing contained in this Agreement shall prevent any bargaining unit member from presenting, at any time, his/her own grievance(s) without the intervention of the Bargaining Agent up to and including Step 4 of the grievance procedure. Further, nothing in this Agreement shall prevent any member from discussing a problem directly with his/her immediate supervisor or other department official without the intervention of the employee organization provided that the immediate supervisor or other departmental official agrees to discuss and/or attempts to resolve the matter outside the formal grievance procedure. It is not the purpose or intent of this article to interfere with the Chain of Command of the Davie Police Department.
- 11.10 The time limits defined hereinabove may be mutually extended in writing.

The Union and the Town will alternately eliminate one at a time from said list of persons not acceptable until only one remains and this person shall be the arbitrator. The Town and the Union will alternate to first strike names in successive arbitrations.
- 12.3 A. As promptly as possible after the Arbitrator has been selected, he/she shall conduct a hearing between the parties and consider the subject matter of the dispute. The decision of the Arbitrator will be served upon the employee or employees aggrieved, the Town and the Union in writing.
- It will be the obligation of the Arbitrator to the Town and the Union to make his/her best effort to rule on the cases heard by him/her within thirty (30) calendar days after the record is closed.
- B. Any party may be represented at the hearings by counsel or other representatives of their choice.
- C. The hearing shall be conducted by the Arbitrator in a manner that will most expeditiously permit full representation of the evidence and arguments of the parties.
- D. All documents to be considered by the arbitrator shall be filed at the hearing.
- E. Each party shall bear all costs of preparing and presenting its own case. Either party desiring a record of the proceedings shall pay for the record and the stenographic services. In the event that both parties agree to have stenographic services at the hearing, said parties shall share equally the cost of said service and transcripts.
- 12.4 The Arbitrator shall consider and decide only on the specific grievance issue(s) submitted to him/her in writing in the grievance form and shall have no authority to consider or rule upon any matter not subject to the arbitration.
- 12.5 The power and authority of the Arbitrator shall be strictly limited to determination and interpretation of the explicit terms of this Agreement as herein expressly set forth. He/She shall not have the authority to add or to subtract from or modify any of said terms or to limit or impair any right that is reserved to the Town or Union or employee, or to establish or change any wage or rate of pay that has been agreed to in the Agreement.
- 12.6 The party requesting arbitration may withdraw from the arbitration proceedings subject to no cost to the other party.
- 12.7 The decision of the Arbitrator is final and binding on both parties and the grievance shall be considered permanently resolved.
- 12.8 The expense of the Arbitrator shall be borne by the losing party. Each party shall make arrangements for and pay the witnesses which are called by it.

- 15.1 The Town will announce promotional examinations at least forty-five (45) days in advance. They will also list the areas which the exam will cover, and the identifiable sources from which the examinations are drawn will be posted. The Town will make available (either provide a copy or arrange to have a copy available for purchase by the employee at the same cost that the Town is charged) a copy of all source material in promotional examinations to all qualified applicants. All test dates must be listed on the promotional announcement. All testing must be completed within forty-five (45) days of the date of the first portion of any testing. This deadline may be extended by mutual agreement of the Union and the Town. Posting will include time frames during which various selection process components will transpire.

- 15.2 Promotions to bargaining unit positions will be based on the rule of five (5) (starting with promotional lists generated after the execution of this Agreement). Accordingly, the Town may, in its sole and exclusive discretion, promote employees from any one (1) of the five (5) highest scores on a promotional eligibility list. In the event of a tie score, Classification Seniority as defined in Article 17 of this agreement will be the deciding factor in determining position on the list.

In the event a promotional eligibility list falls below five (5) names, or if an initial eligibility list is comprised of less than five (5) names, the Town may, in its sole and exclusive discretion, promote from the eligibility list using the rule of the list (i.e., promoting any one (1) of the individuals on the list in its sole and exclusive discretion) or deem the list to be expired. If a promotion is made using the rule of the list, future promotions can still be made from the list using the rule of the list, or it may be deemed to have expired in the Town's sole and exclusive discretion. Promotional eligibility will be valid for a period of eighteen (18) months from the date of posting such lists, which date must appear on the lists. However, the duration of the eligibility list may be extended up to an additional twelve (12) months by mutual agreement at the Town's request. The Town must post the eligibility list within thirty (30) days after the completion of testing. Posting must be before 5:00 p.m. on the Chief's bulletin board in the police department

- 15.3 Employees must actually possess the required number of years of service. Education may not be substituted for years of service.

- 15.4 The Town agrees that its test developers will utilize subject matter experts who are familiar with the operations of the Davie Police Department and that test development will be guided by the Federal Uniform Guidelines on Employee Selection Procedures, "Section 60-3, U.G.E.S.P. (1978); 43 FR 38295 (August 25, 1978)."

PROBATIONARY EMPLOYEES

A. NEW EMPLOYEES

16.1 A new employee of the Department shall be deemed in a probationary status for one (1) calendar year, beginning with the first day of employment as a State Certified Police Officer and being duly sworn by the Chief of Police or his/her designee.

16.2 An employee's probationary year shall be tolled and extended during any time period that the employee is not at work performing his/her regular, normal duties for more than thirty (30) calendar days (e.g., sick leave, light duty, and workers' compensation leave). The probationary period will commence running only when the employee returns to his/her normal duties. The Chief may extend the probationary period for new employees in cases when there are performance problems with additional time. The Chief must specify in writing as to what the performance problems are. In this event, the Chief will provide a thirty (30) day notice to the employee that his/her probationary period is being extended. The Chief under unusual or exigent circumstances may also extend the probationary period of a new employee such as: (1) where, at the time the probationary period would normally expire, there is an ongoing Internal Affairs Investigation of the probationary employee. Said investigation which is non criminal in nature must be completed prior to the expiration of the extension. If the Chief decides to retain the employee after the discipline is administered, if any, the employee shall be granted regular status and revert back to his/her normal date of completion of probation; (2) where, at the time the probationary period would normally expire, the Town is aware of possible disciplinary action involving the employee; etc. The probationary period may be a maximum of eighteen (18) months.

When an employee's probationary period is extended due to performance problems, the Chief of Police will provide the employee with a statement as to those areas of performance that need to be improved in order for the employee to be granted regular status. In the event the employee is ultimately separated from employment during the extended probationary period for the reason or reasons that caused the extension of his/her probation, the employee will have no grievance or rights of appeal in connection with his/her separation. If the employee is separated during the extended probationary period for reasons unrelated to the extension of probation, then the employee may grieve his/her separation and the Arbitrator will decide whether the employee's separation in light of the employee's brief tenure with the Town and the extended probationary period was for cause.

16.3 Upon expiration of the one (1) year probationary period, or a longer period if probation is extended by the Chief of Police pursuant to 16.2 above, the Chief or his/her designee may recommend, in writing, retention of the employee, in which case the employee will be granted regular status (unless said recommendation is disapproved by the Town Administrator or designee within ten (10) days after the recommendation is made). If the Chief of Police or the Town Administrator or their designees fail to notify said employee in writing as to his/her retention, then said employee shall be granted regular status.

16.4 The Town shall notify, in writing, the probationary employee of his/her completion of the probationary period.

16.5 During an employee's probationary period, he/she serves at the will and pleasure of the Town. Accordingly, no probationary employee may grieve, or otherwise challenge, any decision involving assignment, discipline, layoff or discharge (for whatever reason). Probationary employees may otherwise utilize the grievance/arbitration procedure contained in this Agreement.

540
541 B. PROMOTIONS
542

- 543 16.6 In the event an employee receives a promotion from a lower to a higher bargaining unit position, that employee shall
544 serve a probationary period of twelve (12) months of continuous employment from the time of promotion as indicated
545 on the approved Personnel Recommendation form. The Chief may extend the probationary period for promotional
546 employees in cases when there are performance problems with additional time. The Chief must specify in writing as
547 to what the performance problems are. In this event, the Chief will provide a thirty (30) day notice to the employee
548 that his/her probationary period is being extended. The Chief under unusual or exigent circumstances may also extend
549 the probationary period of a promotional employee such as: (1) where, at the time the probationary period would
550 normally expire, there is an ongoing Internal Affairs Investigation of the probationary employee. Said investigation
551 which is non criminal in nature must be completed prior to the expiration of the extension. If the Chief decides to
552 retain the employee after the discipline is administered, if any, the employee shall be granted regular status and revert
553 back to his/her normal date of completion of probation; (2) where, at the time the probationary period would normally
554 expire, the Town is aware of possible disciplinary action involving the employee; etc. The probationary period may
555 be a maximum of eighteen (18) months.
556
- 557 16.7 An employee's promotional probationary year shall be tolled and extended during any time period that the employee
558 is not at work performing his/her regular, normal duties for more than thirty (30) calendar days (e.g., sick leave, light
559 duty, and workers' compensation leave). The promotional probationary period will commence running only when the
560 employee returns to his/her normal duties.
561
- 562 16.8 Acting or temporary appointments will not be made for more than ninety (90) consecutive days. If an employee is
563 promoted into a higher bargaining unit classification, time spent in acting or temporary appointments in that higher
564 classification (within twelve (12) months of the date of promotion which is in excess of seven (7) consecutive work
565 days) will count towards the employee's twelve (12) month probationary period.
566
- 567 16.9 Upon expiration of the promotional probationary period, the Chief of Police or his designee may recommend retention
568 of the employee in the position to which he/she was promoted. In the event the Chief or his designee fails to make a
569 positive recommendation, the employee shall automatically revert to his/her former classification from which he/she
570 has been promoted. Such reversion shall be final with no rights of appeal to any authority including the grievance
571 procedure contained in this Agreement.
572
- 573 16.10 If a promotional eligibility list exists, and there is a vacancy the Town is seeking to fill, the Town must announce the
574 person who will be promoted and the effective dates within ninety (90) days from the date the position becomes
575 vacant.

ARTICLE 17

SENIORITY AND REDUCTION IN FORCE

576
577
578
579
580 17.1 For the purpose of this contract, the types of seniority are:

581
582 1) Departmental Seniority – the total length of continuous employment from the most recent date of hire as a
583 sworn Davie Police Officer. For employees hired after May 5, 1999, in cases where more than one police officer was
584 sworn as a Davie Police Officer on the same date, the officers' respective seniority shall be determined based upon the
585 order that the officers were selected from the eligibility list. In the event that the above-noted officers were selected
586 on the same date from separate eligibility lists (i.e., from certified and uncertified candidates), the officer(s) from the
587 list of uncertified candidates will be given departmental seniority over the officer(s) selected from the list of certified
588 candidates.

589
590 2) Classification Seniority – the total length of continuous employment within a particular job classification. Job
591 classification refers to rank, such as officer, sergeant or lieutenant. In the event a person is reduced in rank, for
592 whatever reason, their classification seniority in the lower classification shall be considered continuous as though they
593 had never left the lower classification.

594
595 17.2 All seniorities shall accumulate during authorized absences due to illness, injury, vacation or other authorized leave.
596 Employees will lose their seniority as a result of the following:

- 597
598 A. Termination or resignation
599 B. Retirement
600 C. Absence without authorization

601
602 17.3 The layoff of employees shall be made in inverse order determined on the basis of departmental seniority and during
603 said layoff the employee shall retain, but not accrue, any seniority during said layoff.

604
605 17.4 A. Reemployment Rights - Employees separated from service through lay off shall be placed on a reemployment
606 list in the order of their departmental seniority. Recall will be made by certified mail to the last address in the
607 employee's record. The employee must within ten (10) days of the certified receipt date, signify their intention of
608 immediately returning to work, in writing, certified mail to the office of the Town of Davie Personnel, otherwise their
609 name shall be automatically removed from the recall list.

610
611 B. An employee when offered recall who is temporarily unable to accept due to valid medical reasons after
612 notifying the department of their intentions of returning will be granted ninety (90) days leave of absence without pay,
613 but without loss of departmental seniority rights, to return to employment.

614
615 C. Employees who return to a job classification covered by this agreement from layoff status shall be placed into
616 the current pay plan at the pay grade and step the employee had at the time of layoff.

617
618 D. No new employee shall be hired in any classification until all qualified employees on layoff status have been
619 notified of their right to return to work and have elected not to exercise that right as explained in Section 17.4 (A).

620
621 17.5 If there is a reduction in force in ranked classifications (sergeant or lieutenant), this reduction will be made using
622 classification seniority.

623
624 17.6 Sergeants who through reduction in force have accepted reclassification to an officer position, shall be reinstated to a
625 funded sergeant position as available in the inverse order of the reclassification. Lieutenants, who through reduction
626 in force have accepted reclassification to a sergeant position, shall be reinstated to a funded lieutenant position as
627 available in the inverse order of the reclassification.

ARTICLE 18

WORKING OUT OF CLASSIFICATION

- 628
629
630
631
632 18.1 An employee who is temporarily assigned by the Chief of Police to perform work, and works, in a higher
633 classification within the bargaining unit for more than seven (7) consecutive scheduled work days shall be paid the
634 minimum rate of the higher position, but not less than one step higher. At the end of the temporary assignment the
635 employee's pay shall revert to the rate being received prior to being assigned to the higher classification.

ARTICLE 19

LEAVES OF ABSENCE

- 636
637
638
639
640 19.1 Leaves of absence with or without pay may be granted by the Town for any reasonable purpose to an employee. All
641 applications for leaves of absence with or without pay will be presented to the Chief of Police through the Chain of
642 Command for his approval or disapproval prior to the granting of said leave. All denials for such leave shall be in
643 writing.
644
645 19.2 Employees who are on a duly authorized compensated leave of absence shall continue all benefits as provided in this
646 Agreement. Employees on approved leave under the Family and Medical Leave Act (FMLA) will be eligible to have
647 their insurance benefits continued as provided under the FMLA.
648
649 19.3 Upon the termination and/or expiration of the employee's leave of absence, the employee will return to the same job
650 classification and rate of pay currently in effect for that classification.
651
652 19.4 An employee who falsifies his reason for requesting a leave of absence or varies the reason without permission of the
653 Chief of Police may be terminated. It is agreed that these actions automatically constitute just cause for discharge.
654 Thus, although an employee may proceed to arbitration over a dismissal based on these grounds, if an arbitrator finds
655 the employee engaged in said conduct he shall automatically uphold the termination and shall have no authority to
656 modify it in any way.
657
658 19.5 An employee who is a member of the National Guard or Military Reserve Force of the United States and who is
659 ordered by the appropriate authorities to attend a prescribed training program or to perform other duties, shall be
660 granted a leave of absence with pay in accordance with Florida State Statutes 115.07.

ARTICLE 20

679
680 C. Care and attendance to a member of his or her immediate family as defined in the bereavement article and is
681 domiciled in the employee's home.
682
683 20.4 The supervisor or dispatch desk shall be informed of absence due to illness at least two (2) hours prior to the
684 employee's reporting time.
685
686 20.5 In those instances when an employee is injured while on duty and it is necessary for him/her to be relieved of duty, no
687 charge will be made against the employee's sick time for the remainder of his/her shift.
688
689 20.6 An employee on a sick leave status shall continue to accrue sick leave.
690
691 20.7 The estate of a deceased employee shall receive 100% of the value of accrued sick leave, at the time of death, to be
692 paid within thirty (30) days.
693
694 20.8 An employee leaving the Town's employment in good standing with ten (10) or less years of service shall have 25%

698
699 20.9 An employee who retires with a non-disability pension based on a minimum of twenty (20) years of service with an

702 converted to terminal leave at fifty (50%) percent.
703
704 20.10 A. A pregnant employee may continue in regular employment until her personal physician certifies that she no
705 longer can work her regular employment. If the employee desires to continue working and her physician
706 certifies that she is able to perform non-hazardous duty, the department may temporarily assign her to such
707 work.
708
709 B. An employee requesting maternity leave shall be absent from work from the time her physician indicates that
710 she can no longer work, until her physician certifies her as physically able to return to work.
711
712 20.11 An employee who has an excess of three hundred (300) hours in accrued sick time may, at his/her option, sell this

- 20.12 In the event that a bargaining unit employee sustains an accidental injury or illness in the line of duty which is deemed compensable under the Florida's Workers' Compensation Act, the Town will maintain the employee at regular salary for a total of 90 days for each injury up to one (1) year from date of injury. The Town Administrator or his/her designee may, in his/her sole and exclusive discretion, extend this period of regular pay beyond both the 90 days or after the one (1) year period. For example, if a bargaining unit employee sustains such an accidental injury in the line of duty and is out of work for two (2) days immediately following the date of injury, returns to work for a month, and then is out for another eighty-eight (88) days for medically necessary treatment of the injury, the Town will maintain the employee at regular salary during the total ninety (90) days of absence. & EXPOSURE TO CERTAIN COMMUNICABLE DISEASES

- 765
766
767
768
769
770 23.1 The Town shall provide health and dental insurance for each employee at no cost to the employee.
771
772 23.2 The Town shall pay 50% of health and dental insurance for dependents and individuals of the same gender registered
773 as domestic partners of member employees pursuant to Broward County Ordinance No. 1999-18. This benefit will
774 not be provided when the primary purpose of the partnership is to obtain such benefits.
775
776 23.3 The Town will offer the Health Maintenance Organization (H.M.O.) option and fund such H.M.O. employee costs as
777 provided in sections 1 and 2 above. The Town may offer a Point of Service (POS), Preferred Provider Organization
778 (PPO) or other optional plan or plans. Employees will be required to buy-up from the cost of the HMO to the cost of
779 the optional plan for both employee and dependent coverage in order to obtain the additional benefit of participation
780 in the optional plan (with the exception that unit employees with PPO dependent coverage for the 2007 Plan Year may
781 continue that coverage without being required to buy-up from the cost of the HMO.)
782
783 23.4 An annual physical examination will be provided for in the health insurance program.

790
791 23.6 The off-duty, short term disability currently in effect is to remain in effect for the term of this Agreement. Employees
792 may utilize the appropriate accrued leave to supplement short term disability payments provided that employees
793 cannot receive more than 100% of their regular pay.
794
795 23.7 If the Town changes insurance plans or carriers it reserves the right to establish a deductible not to exceed \$100.00

THE TOWN OF DAVIE, FLORIDA AND THE FRATERNAL ORDER OF POLICE, DAVIE LODGE #100
OCTOBER 01, 2007 TO SEPTEMBER 30, 2010

- 889 E. Payment is not available for any item damaged due to the employee's negligence, which determination shall be
890 made in the sole discretion of the Chief of Police. In addition, the determination as to the current value of any
891 damaged item (for purposes of reimbursement or repayment by the Town) shall be made in the sole discretion
892 of the Chief of Police. The Chief's decision may be appealed to the Town Administrator or designee whose
893 determination shall be final. Decisions related to reimbursement or replacement under this Article shall not be
894 subject to the grievance/arbitration process.
895
- 896 F. The Town will pay for the refinishing and/or rebluing of employee owned gun as needed, determined by the
897 Department.
898
- 899 G. The Town will pay for the repair costs of employee guns as well as for the replacement cost of lost guns
900 provided the guns are not damaged or lost through an employee's negligence. If so, the employee may be
901 required to pay the first \$300 toward the cost of repair/replacement.
902
- 903 H. In the event the Town requires an employee to pay repair or replacement costs under subsection G above, that
904 employee will not also be subject to formal discipline on account of losing, damaging or destroying any gun(s).
905 Conversely, if an employee is formally disciplined for losing, damaging or destroying any gun(s), that
906 employee will not be required to pay for the costs of repair or replacement.
907
- 908 I. In those cases where an employee is required to pay for the repair or replacement of an item, the employee can
909 elect to forfeit time on the books (vacation, holiday, compensatory time) to immediately pay the required cost
910 or agree to a payroll deduction form of repayment of \$100 per paycheck or some other amount which is
911 mutually agreeable between the employee and the Town.
912

914 of \$50 per month and issuance of windbreaker style jacket identifying the individual as a police officer.

917 dropping off and picking up the uniforms.
918
- 919 26.5 For non-uniformed officers, the Town will negotiate a Town rate, at whichever dry cleaners the Town has a contract
920 with, for up to four (4) sets of slacks and shirts (those that the cleaner will accept at the Town's rate) weekly. The
921 employee will pay for all dry cleaning costs.
922
- 923 26.6 Upon termination of employment, the articles will be surrendered by the employee in like condition as when issued,
924 reasonable wear and tear accepted. In the event an employee is transferred or for any other reason leaves the employ

950
951 There may be a reasonable indication that the course will help the employee render better performance to the town if
952 the course is required to complete a degree program which is closely related to the work being performed by the

ARTICLE 28

SHIFTS AND OVERTIME

- 1055
1056
1057
1058
1059 28.1 Unit employees may be assigned and scheduled by the Department to work on an alternating basis, four (4) twelve
1060 (12) hour workdays with three (3) days off one week and three (3) twelve (12) hour workdays with four (4) days off
1061 the following week, for a total of seven (7) twelve (12) hour workdays bi-weekly. For the aforementioned schedule,
1062 workdays consist of twelve (12) hours of actual work including meals and breaks. Employees may alternatively be
1063 required to work a four (4) day (ten (10) hours a day) schedule. The schedule of employees assigned to Internal
1064 Affairs, School Resource Program, the Police Academy, and any other new divisions created will be determined by
1065 the Chief of Police in his discretion. To accommodate for temporary training assignments, employees may be
1066 required to work other than the aforementioned schedules. Any hours worked in excess of forty (40) hours in a week
1067 would be compensated as provided in Article 28.5. When a temporary training reassignment is made, employees will
1068 be given ten (10) calendar days notice of the change. If less than ten (10) days notice is given, employees may
1069 nevertheless waive the ten (10) day notice provision and attend the training. If employees elect not to attend, and if
1070 the course is one necessary or eligible for (state required) mandatory retraining, employees will be required to get this
1071 training on their own time.
1072
- 1073 28.2 Unit employees must be prepared and ready to work when their shift begins. Unit employees working the seven (7)
1074 twelve (12) hour workdays bi-weekly, will not be required to begin a shift within ten (10) hours of the completion of
1075 the previous shift. Should a situation occur (e.g. a member is held over for court or another reason) in which the
1076 number of hours between the completion of a shift and the beginning of the subsequent shift is less than the
1077 aforementioned ten (10) hour minimum, the effected member will be provided with the option of beginning the next
1078 shift late (rather than beginning the shift at the scheduled time) by utilizing leave time in order to achieve the ten (10)
1079 hour minimum time between shifts.
1080
- 1081 28.3 The determination of the daily and weekly work schedules, including starting, ending, lunch and break times of unit
1082 employees shall be established by the Department and such schedules may be changed from time to time.
1083
- 1084 28.4 Shift bidding shall be done according to classification seniority, with administrative consideration, and such shift
1085 bidding will be conducted twice a year. Bidding will be conducted in September to be effective the first Thursday in
1086 October; and bidding will be conducted in March to be effective the first Thursday in April. Shift bidding must be
1087 completed at least three (3) weeks prior to the applicable shift change. All efforts will be made by management to
1088 abide by classification seniority as it effects shift assignments. Transfers will not be made for disciplinary reasons.
1089
- 1090 28.5 In recognition that seven (7) twelve (12) hour workdays bi-weekly results in eighty-four (84) cumulative hours and
1091 that unit employees working this schedule will be paid for eighty (80) hours of work in the bi-weekly period, four (4)
1092 hours per bi-weekly period worked will be placed in an individual bank at the rate of time and one-half (1 1/2) the
1093 base rate for each unit employee while that employee is working this schedule. Unit employees will be paid for any
1094 time in the bank beyond the first eighty (80) hours. The unit employee may request to use any time in the bank for
1095 leave. Requests for leave utilizing time from this bank will be granted on a first come/first served basis subject to the
1096 needs of the department. Alternatively, upon employment separation, a unit employee may sell, back to the Town,
1097 any balance of time in the bank.
1098

1099 For unit employees working the seven (7) twelve (12) hour workdays bi-weekly, overtime shall be paid at the rate of
1100 time and one-half (1 1/2) the base rate for all time worked over the eighty-four (84) cumulative hour bi-weekly period
1101 for which unit employees are paid eighty (80) hours and four (4) are placed in the aforementioned bank, unless
1102 otherwise required by Section 30.2 of this Agreement. For unit employees working schedules other than the seven (7)
1103 twelve (12) hour workdays bi-weekly, overtime shall be paid at the rate of time and one-half (1 1/2) the base rate for
1104 all time worked over the forty (40) hours in one week unless otherwise required by Section 30.2 of this Agreement.
1105

1106 The Town agrees that no action will be taken by it within a work week to avoid payment of overtime (e.g. an
1107 employee will not be sent home on his fourth workday of the week because he worked overtime on his first workday
1108 of the week). Hours paid, but not worked, includes all hours of authorized and paid leave but does not include
1109 unauthorized and/or unpaid leave, or other paid hours as covered in this Agreement (i.e. Court Time, etc.).
1110

CERTIFIED LAW ENFORCEMENT EMPLOYEES COLLECTIVE BARGAINING AGREEMENT BETWEEN
THE TOWN OF DAVIE, FLORIDA AND THE FRATERNAL ORDER OF POLICE, DAVIE LODGE #100
OCTOBER 01, 2007 TO SEPTEMBER 30, 2010

- 1111 28.6 Employees may elect, with approval of the Chief of Police or his/her designee, to receive compensatory time (at the
1112 rate of one and one-half) in lieu of contractually required overtime payments. Recognizing that the Police Department
1113 has an obligation to provide sufficient manpower, accrued compensatory time may only be utilized at a time (or times)
1114 approved by the Police Chief, in his discretion. Employees covered by this Agreement will be allowed to accumulate
1115 compensatory leave throughout the year up to a maximum cap of eighty (80) hours. Employees who currently have
1116 an excess of eighty (80) hours "on the books" will not forfeit said time. However, they may not accumulate additional
1117 compensatory time hours until they bring the "time on the books" below the eighty (80) hour cap.
1118
- 1119 28.7 On the dates on which daylight savings time goes into effect the officers who worked will receive overtime pay for the
1120 additional hour. On the day that we return to Eastern Standard Time, the officers working that shift will not be paid
1121 for more hours than are actually worked unless taken in the form of compensatory time, holiday time, or annual leave.
1122
- 1123 28.8 An employee may exchange shifts on a temporary basis with employees of equal rank upon receiving prior approval
1124 from Division Commander; however, such exchange must be completed within a twelve (12) month period. Such
1125 request shall not be unreasonably denied.

1132 29.1 Bargaining unit members will be assigned a Police Department vehicle based upon availability and only after

1134
1135 29.2 Bargaining unit members assigned a P.A.P.V. shall only be authorized to utilize their vehicle off-duty within Broward

1137
1138 29.3 The P.A.P.V. program will continue to be governed by the General Order (GO) enacted by the Police Department.
1139 Members may become ineligible for the P.A.P.V. program as outlined in this GO.
1140
1141 29.4 The GO may be amended by the Police Chief at his/her sole discretion upon approval. In cases where there may be a
1142 conflict between the P.A.P.V. GO and this collective bargaining agreement, this agreement will prevail.
1143
1144 29.5 The Town of Davie, as the vehicle owner, provides commercial automobile liability insurance coverage for incidents
1145 occurring during the authorized permissible use of Town of Davie vehicles. Such coverage is limited to that permitted
1146 under Florida Statute 768 and the terms and conditions of the Town of Davie's commercial automobile liability
1147 insuring agreement in effect on the date of the incident shall determine any such coverage that might be provided.
1148 Such coverage shall not exceed the \$100,000/\$200,000 Sovereign immunity limit of Florida Statute 768.28. Nothing
1149 in this Agreement shall be construed to affect in any way the Town's rights, privileges and immunities as set forth in

1172 31.1 If injured while on an assigned private duty detail said employee shall be entitled to the same rights, privileges, and
1173 benefits as if he/she were injured while performing his duties for the Town of Davie, provided the Davie Police
1174 Department has made the assignment.

1177 The Town will notify the vendors in writing, at least ninety (90) days in advance of any changes to the detail rates
1178 once the change in rates have been approved.
1179
1180 31.3 In addition to the hourly rate paid to the Police Officer as indicated above, the Town will collect the following fees
1181 from the vendor who hires the assigned employee for the detail:
1182
1183 a) \$20.00 administration fee - per detail (not per individual member working the detail). Contiguous hours
1184 within a twenty-four (24) hour period constitute one detail. Contiguous hours beyond a twenty-four (24)
1185 hour period constitute a new detail.
1186
1187 b) Matching FICA @ 7.65%, Worker's Compensation @ 7.17%, and liability coverage @ 1%. (These
1188 percentages will be adjusted in accordance with any rate increases/decreases.)
1189
1190 31.4 Any Officer who works a detail on the following days: Thanksgiving Day, the day after Thanksgiving Day, Christmas
1191 Eve, Christmas Day, New Year's Eve, New Year's Day, and Independence Day will be compensated at double the

1206
1207
1208 32.1 An employee covered by this Agreement who at any time other than during his/her regular tour of duty is required to
1209 attend any court proceeding in criminal or civil matters on behalf of the Town resulting from his/her duty as a Police
1210 Officer, either as a witness or in any other official capacity, shall be entitled to overtime compensation for every hour
1211 or fraction thereof during which he/she was in such attendance or appearance, but in no event less than two (2) hours.
1212 If the employee's regular tour of duty ends more than two (2) hours prior to the commencement of the employee's
1213 court time, the employee will receive a minimum four (4) hours pay with the exception that if the employee's regular
1214 tour of duty had been an "alpha" or "midnight" shift immediately prior to the commencement of the employee's court
1215 time, the employee will receive a minimum four (4) hours pay even if said commencement of the employee's court
1216 time is within two (2) hours of the end of the shift. Likewise, if the employee's regular tour of duty begins more than
1217 two (2) hours after the commencement of the employee's court time, the employee will receive a minimum four (4)
1218 hours pay. However, if the employee's regular tour of duty coincides with the employee's court time, the employee
1219 will not receive the four-hour overtime minimum described above. Rather, for the period of time when court time and
1220 regular duty time coincide, the employee will receive his/her regular rate of pay only. All checks for witness fees will
1221 be returned to the Town unless the employee uses his own transportation to go to and return from court. In that event,
1222 the employee may retain the mileage payment.
1223

1224 For the purpose of this article, if the officer is canceled by the Davie Court Liaison officer for a mandatory court
1225 appearance more than two hours prior to the scheduled court appearance, the officer will receive no compensation. If
1226 the officer is canceled more than one hour but less than two hours prior to the scheduled court appearance, the officer
1227 will receive two hours of overtime compensation. If the officer is canceled less than one hour prior to the court
1228 appearance, the officer will receive four hours of overtime compensation.
1229

1230 Note: This article pertains to mandatory court appearances and does not affect the compensation as outlined in the
1231 extended standby article. In addition, the officer will be considered contacted when the Davie Court Liaison either
1232 makes contact with the officer via the telephone or sets off the officer's pager.
1233

1234 32.2 An employee who is required to be on stand-by status in connection with a job-related court case will be provided
1235 with a beeper. Accordingly, the employee will not be required to remain at home in a constant state of instant
1236 readiness to appear in court. Such stand-by time will not, therefore, be considered as time worked and employees will
1237 not receive compensation (overtime or straight time) for such time. However, an employee shall receive
1238 compensation at the rate of one and one-half (1-1/2) times his/her regular rate of pay for extended stand-by status. For
1239 purposes of this article, extended stand-by status is defined as stand-by time in excess of two (2) hours each day
1240 regardless of the number of cases for which the employee is on a stand-by status. For example, if an employee is on
1241 stand-by/extended stand-by status for one case from 9:00 a.m. to 11:00 a.m. (it does not matter if it is for one case or
1242 more than one case) and from 1:00 p.m. to 5:00 p.m. (again, it does not matter if it is for one case or more than one
1243 case), the employee will be on non-compensable stand-by status from 9:00 a.m. through 11:00 a.m. (two hour stand-
1244 by) and compensable extended stand-by status from 1:00 p.m. through 5:00 p.m. (four hours of extended stand-by) for
1245 which the employee shall receive overtime compensation at the rate of one and one-half (1-1/2) times his/her regular
1246 rate of pay.
1247

1248 32.3 On all "mandatory" subpoenas, the employee must appear in court. On all "stand-by" subpoenas, an officer's stand-
1249 by stops automatically UNLESS he/she is notified by the Town's Court Liaison Officer that he/she is on extended
1250 stand-by. When an officer has been notified that his/her stand-by status has ended, and the officer is directed to
1251 report for trial, then the officer will be entitled to court time, if at all, under the provisions of Article 32.2.

ARTICLE 33 - HOLIDAYS

1252
1253
1254
1255 33.1 The following holidays will be granted to employees covered by this Agreement:
1256

- 1257 New Year's Day
- 1258 Martin Luther King, Jr. Day

- 1263 Veteran's Day
- 1264 Thanksgiving Day
- 1265 Friday after Thanksgiving Day
- 1266 Christmas Day
- 1267 Employee's Birthday
- 1268

1269 33.2 Employees covered by this Agreement shall accrue holiday leave at the rate equivalent to the number of hours in the
1270 employee's workday for each of the above designated holidays (e.g. employees working seven (7) twelve (12) hour
1271 workdays bi-weekly will earn twelve (12) hours of holiday leave for each of the above designated holidays while this
1272 schedule is worked; employees working four (4) ten (10) hour workdays weekly will earn ten (10) hours of holiday
1273 leave for each of the above designated holidays while this schedule is worked, employees working five (5) eight (8)
1274 hour workdays weekly will earn eight (8) hours of holiday leave for each of the above designated holidays while this
1275 schedule is worked.) Such holiday leave may be taken only with the prior approval of the Police Chief. The decision
1276 of whether to grant or deny requested holiday leave will be made in the Chief's sole discretion, provided that no
1277 reasonable request will be denied.
1278

1279 33.3 In addition to the foregoing holidays, employees covered by this Agreement shall be granted three (3) personal days
1280 equivalent to his/her regular work day hours. Personal days will be pro-rated during an employee's first year of
1281 employment. Using a fiscal year, an employee hired on October 1st through and including December 31st will accrue
1282 three (3) personal days. An employee hired after December 31st but before April 1st will accrue two (2) personal
1283 days. An employee hired on or after April 1st but before July 1st will accrue one (1) personal day. An employee
1284 hired after July 1st will not accrue any personal days. The first personal day must be taken within the first two (2)
1285 quarters of the year and the second and third personal days must be taken within the third and fourth quarters,
1286 respectively. Employees who have been employed as sworn law enforcement officers with the Davie Police
1287 Department for fifteen (15) years or more shall be granted two (2) additional Personal Days. For these employees, the
1288 first two (2) personal days must be taken within the first two (2) quarters of the year, the third and fourth personal
1289 days must be taken within the third quarter, and fifth personal day must be taken within the fourth quarter. Personal
1290 days may be taken sooner or all at the same time. Personal days can only be taken on a day approved by the Chief in
1291 his/her sole discretion; no reasonable request will be denied. Personal days not taken prior to the end of the fiscal year
1292 will be forfeited.
1293

1294 33.4 If an employee covered by this Agreement is on paid authorized leave when a holiday occurs, that holiday shall not be
1295 charged against his leave (authorized leave refers to vacation, illness, injury, compensatory time etc.).
1296

1297 33.5 The Town will grant to employees one (1) bonus day for every six (6) months in which the employee does not utilize
1298 sick time, to a maximum of two (2) bonus sick days in a calendar year. The six (6) month period will be calculated
1299 from January 1st through June 30th and July 1st through December 31st.
1300

1301 33.6 Employees on terminal leave are not eligible (i.e., shall not be paid for or accrue) for holidays, personal days, and
1302 bonus days.
1303

1304 33.7 The Town will place bonus days earned in to the affected member's leave bank by the end of January and July,
1305 respectively.

ARTICLE 34
VACATION

34.1 Employees covered by this Agreement shall accrue paid vacations at the rates indicated below:

While employees are working seven (7) twelve (12) hour workdays bi-weekly:

Zero (0) to five (5) years employment	--	84 hours annually
Five (5) to ten (10) years employment	--	126 hours annually
Ten (10) or more years employment	--	168 hours annually

While employees are working a schedule other than the seven (7) twelve (12) hour workdays bi-weekly schedule:

Zero (0) to five (5) years employment	--	80 hours annually
Five (5) to ten (10) years employment	--	120 hours annually
Ten (10) or more years employment	--	160 hours annually

- 34.2 An employee may accumulate and carry over earned but unused vacation equal to two (2) times his annual rate of accrual. Any time in excess of this amount on each succeeding October 1st will be forfeited by the employee. For example, an employee who earns ~~80~~ 84 hours of vacation time each year can have a maximum of 168 hours of vacation time on the books on each October 1st. Any amount in excess of 168 hours will be forfeited as of October 1st. An employee who earns 80 hours of vacation time each year can have a maximum of 160 hours of vacation time on the books on each October 1st. Any amount in excess of 160 hours will be forfeited as of October 1st. The only exception to the above accrual limits would be in the unlikely event that the Chief of Police or his/her designee would not allow a timely request to use an employee's accrual time down to the mandated limits. This would only occur in the event of a major disaster in the Town which extended over many months, i.e., Hurricane Andrew and its impact on South Dade.
- 34.3 The estate of a deceased employee shall receive 100% of the value of accrued vacation and holiday leave, at the time of death, to be paid within thirty (30) days.
- 34.4 Upon termination of employment for any reason, the balance of all vacation time earned and accrued including overtime and holiday time accrued, will be converted into terminal leave.
- 34.5 Leave selection will be based on classification seniority, within the assigned shift, with administrative consideration subject to the needs of the department. Leave selection will occur after the yearly shift bid occurs for the period of October through April and in April for the period of May through September. During the leave selection, one "consecutive period" of leave time will be granted by classification seniority depending on assignment. Any other request for leave during the period will be granted on a first come/first served basis subject to the needs of the department.

ARTICLE 42

DRUG-FREE AND ALCOHOL-FREE WORKPLACE POLICY

- 1484
1485
1486
1487
1488 42.1 The Town and the Union recognize that employee substance and alcohol abuse is a serious problem and has an
1489 adverse impact on Town government, the image of Town employees, the general health, welfare, and safety of Town
1490 employees, and the general public at large. Accordingly, the Town is adopting the following drug-free and alcohol-
1491 free workplace policy that meets the Federal Drug Free workplace Act and the Florida Drug-Free Workplace program.
1492 All current and future applicants and employees are covered by this policy and, as a condition of employment, are
1493 required to abide by the terms of this policy. Because of state or federal laws and regulations, certain employees may
1494 be subject to additional requirements.
1495
- 1496 42.2 Unlawful manufacture, distribution, dispensation, selling or attempting to sell, purchase, possession or use of any
1497 controlled substances is prohibited both on duty and while off duty. Controlled substances include, but are not limited
1498 to amphetamines, barbiturates, cocaine, heroin, morphine, PCP, marijuana, hashish, and any other controlled
1499 substance listed in Schedules I through V of Section 202 of the Controlled Substance Act, 21 U.S.C. 812. Possession
1500 of unauthorized drug paraphernalia while on Town property is also prohibited.
1501
- 1502 42.3 While the Town understands employees and applicants under a physician's care may be required to use prescription
1503 drugs, use of said drugs that is not in accordance with the prescription and/or manufacturer's recommendations or any
1504 other abuse of prescribed medications will be dealt with on a case by case basis.
1505
- 1506 42.4 When employees have reason to know that the use of a particular medication may limit or impair their ability to
1507 perform their job -- e.g., based upon a doctor's advice or a warning label on prescription medication -- they should so
1508 notify their supervisor.
1509
- 1510 42.5 All employees are prohibited from using, possessing, distributing, dispensing, manufacturing, or purchasing alcohol
1511 while on duty, while on Town property, or on any work site. Consumption of alcohol while on duty, including lunch
1512 and break periods, is strictly prohibited. Employees are also prohibited from using or abusing alcohol off duty to the
1513 extent that such use or abuse tends to have an adverse effect on job performance or otherwise have an adverse affect
1514 on the Town's image or relationship with other employees or the public. Further, possession of alcohol on Town
1515 property (inside lockers, in Town vehicles, etc.) is prohibited. This would exclude off-duty Town sponsored events
1516 such as picnics or Town parties and other exceptional circumstances (approved in advance in writing by the Town
1517 Administrator or designee), such as an undercover police officer consuming alcohol pursuant to an S.O.P. or with
1518 permission of his or her supervisor, or paramedics who possess alcohol for legitimate use. However, this does not
1519 relieve the employee from the responsibility of using moderation and judgment in the use of alcohol at all times.
1520
- 1521 42.6 Being under the influence of alcohol and/or drugs while on duty, including lunch and break periods, is prohibited.
1522 "Under the influence" shall mean use or abuse of those amounts of drugs, alcohol, or controlled substances which test
1523 at levels which meet or exceed those set forth in Section 12 of this Article or for those substances when no level is
1524 established in Section 12, which meet or exceed applicable federal or state limits.
1525
- 1526 42.7 The Town shall require an employee to submit to drug and/or alcohol testing whenever it has reasonable suspicion that
1527 an employee is in violation of this policy. Random testing may be conducted pursuant to the Florida Drug-Free
1528 Workplace program. Selection of employees to be randomly drug and alcohol tested will be performed by an
1529 independent entity utilizing software accepted by the Federal Department of Transportation (DOT). From October 01,
1530 2007, through September 30, 2008, no more than fifteen percent (15%) of bargaining unit members will be randomly
1531 tested for drugs per year. From October 01, 2008, through September 30, 2009, no more than thirty percent (30%) of
1532 bargaining unit members will be randomly tested for drugs per year. Then after, no more than fifty percent (50%) of
1533 bargaining unit members will be randomly tested for drugs per year. No more that ten percent (10%) of bargaining unit
1534 members will be randomly tested for alcohol per year. Employees will be randomly tested on the day their name is
1535 selected if the selected employee is on duty that day. If an employee is not on duty the day that the employee's name is
1536 selected for random testing, the selected employee will be tested on the next day on which the employee is on duty. Said
1537 employee will not be told that his or her name had been selected until the next day on which the employee is on duty. If
1538 the selected employee is not tested on the next day on which the employee is on duty, the employee will not be tested on
1539 this occasion. The employee may be randomly selected for testing on another occasion.

- 42.8 For the purposes of reasonable suspicion drug/alcohol testing, “reasonable suspicion” includes, but is not limited to, the following:
- A. Observable phenomena while at work, such as direct observation of drug use or the physical symptoms or manifestations of being under the influence of a drug, controlled substance or alcohol;
 - B. Abnormal conduct or erratic behavior while at work or a general deterioration in work performance;
 - C. A report of an employee using drugs, controlled substances or alcohol, provided by a reliable and credible source;
 - D. Evidence that an individual has tampered with a test administered under this Article during his employment with the Town;
 - E. Evidence that an employee has, during his employment, violated the provisions of section two (2), above.

It is agreed that at least two (2) supervisors must agree that there is reasonable suspicion to require an employee to submit to testing under the Article. The employee will be ordered to submit to the drug and/or alcohol test by a Lieutenant or higher ranking officer. The supervisors who confirm that there is reasonable suspicion to require an employee to submit to testing will reduce to writing the basis for their determination(s) by the end of their next working day.

- 42.9 Any employee who tests positive for alcohol and/or controlled substances, or who refuses to submit to testing, refuses to sign a consent form, fails to appear for testing, fails to cooperate and/or successfully complete rehabilitation programs and any required after-care programs, or tampers with the test specimen may be subject to disciplinary action, up to and including termination.
- 42.10 All job applicants given a conditional offer of employment will be tested for the presence of illegal drugs as a part of the application process. Any job applicant who refuses to submit to drug testing, refuses to sign a consent form, fails to appear for testing, tampers with the test specimen, or fails to pass the pre-employment drug test will be ineligible for hire. Such an individual may not reapply for employment with the Town for at least one (1) year from the date of the drug test.
- 42.11 Testing for drugs or illegal substances shall be done under the supervision of a “Medical review officer” (“M.R.O.”). M.R.O. means a licensed physician who has knowledge of substance abuse disorders, laboratory testing procedures, and chain of custody collection procedures; who verifies positive, confirmed test results; and who has the necessary medical training to interpret and evaluate an employee’s positive test result in relation to the employee’s medical history or any other relevant biomedical information. Testing for drugs or illegal substances shall be done through a blood and/or urine analysis, intoxalysis, hair analysis, or other state or federally approved testing method. Testing for alcohol will be done through a blood analysis or through an intoxalyzer. Blood samples shall be taken to test for alcohol and/or drugs or other substances where it is generally accepted by medical and/or toxicological experts that testing for such substance is insufficiently accurate through urine samples or where testing of the substances through blood samples provides substantially greater accuracy. Urine samples shall be collected under supervision of the medical laboratory personnel in the following manner:
- A. Urine sample collection will be unwitnessed unless there is reason to believe that a particular individual may alter or substitute the specimen to be provided.
 - B. Employees may inspect the container to be utilized for collection of the urine sample and may request a substitute container.
 - C. Employees may observe the labeling, sealing, and packaging for routing of their urine samples by laboratory personnel.
 - D. The laboratory shall maintain a record of the “chain of custody” of urine specimens.

CERTIFIED LAW ENFORCEMENT EMPLOYEES COLLECTIVE BARGAINING AGREEMENT BETWEEN THE TOWN OF DAVIE, FLORIDA AND THE FRATERNAL ORDER OF POLICE, DAVIE LODGE #100 OCTOBER 01, 2007 TO SEPTEMBER 30, 2010

In the event a urine specimen is tested as positive under the drug testing screen, as specified below, a portion of that sample shall be subjected to gas chromatography/mass spectrophotometry [GC/MS] testing. If the GC/MS confirmation test also is positive, the employee may request a portion of the urine sample to be supplied to a qualified laboratory for independent analysis, the cost of which will be paid by the employee.

42.12 Drugs, their metabolites, alcohol and other substances for which the Town will screen an employee’s urine and/or blood sample include, but are not limited to the following: alcohol, amphetamines, barbiturates, benzodiazepines, cocaine metabolites (benzoylecgonine), marijuana metabolites (delta-9-tetrahydro- cannabinol-9-carboxylic acid), methaqualone, opiates, and phencyclidine, and propoxyphene. All testing shall be done by a state or federally approved laboratory with expertise in toxicology testing and methodology. All positive test results shall be evaluated by a certified toxicologist. All samples which test positive on a screening test shall be confirmed by gas chromatography/mass spectrophotometry [GC/MS]. All GC/MS confirmed positive test results shall be reviewed by the M.R.O. for final determination of test results. Employees shall be required to document their legal drug and/or substance use, as required by the laboratory and/or M.R.O. Test results shall be treated with the same confidentiality as other medical records (except that they may be released to the Town, the Union [if applicable] in any proceedings held regarding any disciplinary action on account of a positive drug test result, and to any governmental agency). The affected employee must execute any required releases as a condition precedent to being able to challenge the Town’s compliance with this article and/or any aspect of the drug/alcohol testing procedure and/or results.

The levels used for employee drug tests will be consistent with those levels set forth under the applicable rules promulgated by the Florida Department of Law Enforcement (i.e. Rule 11B-27.0025, Fla. Admin. Code) and under the Florida Drug-Free Workplace Act (i.e., Rule 59A-24, Fla. Admin. Code), as amended from time to time. Those levels presently are as follows:

Drug Testing Standards

<u>Drug/Metabolite Test</u>	<u>Screening Test</u>	<u>Confirmation</u>
Amphetamines	1000 NG/ML	500 NG/ML
Barbiturates	300 NG/ML	150 NG/ML
Benzodiazepines	300 NG/ML	150 NG/ML
Cocaine	300 NG/ML	150 NG/ML
Marijuana	50 NG/ML	15 NG/ML
Methaqualone	300 NG/ML	150 NG/ML
Opiates	300 NG/ML	300 NG/ML
Phencyclidine	25 NG/ML	25 NG/ML
Propoxyphene	300 NG/ML	150 NG/ML

An employee will be considered to test positive for alcohol at the level equal to or exceeding 0.04g%.

Other drugs and substances listed in Schedule I through V of Section 202 of the Controlled Substance Act, 21 U.S.C. 812 may be tested for on behalf of the Town. In any event, they will be tested at levels according to generally accepted toxicology standards.

42.13 Each employee shall have the right to challenge the Town’s adherence to the contractual requirements of drug testing set forth herein in the same manner that the employee may grieve any managerial decision.

42.14 The Town, in its discretion, may discipline an employee for drug and/or alcohol use/abuse and/or the Town may offer rehabilitation to the employee. It is recognized that the Town must make its determination as to whether to discipline and/or attempt to rehabilitate an individual who tests positive for being under the influence of alcohol, drugs or illegal substances on a case-by-case basis. If the Union believes the Town has acted arbitrarily and capriciously in its determination of whether to recommend rehabilitation of an employee, the Union may grieve the Town’s decision. In the event the Town offers to rehabilitate an employee, the Town may place the employee on administrative leave without pay or may permit the employee to utilize accrued leave during his or her period of rehabilitation. An employee who fails to complete the entire rehabilitation program, including follow-up care, may be terminated. Also, in the event the Town elects to rehabilitate an employee, the Town is only obligated to offer rehabilitation to an employee one time and future “relapses” may be dealt with by immediate termination.

CERTIFIED LAW ENFORCEMENT EMPLOYEES COLLECTIVE BARGAINING AGREEMENT BETWEEN
THE TOWN OF DAVIE, FLORIDA AND THE FRATERNAL ORDER OF POLICE, DAVIE LODGE #100
OCTOBER 01, 2007 TO SEPTEMBER 30, 2010

- 1655 42.15 If the Town offers an employee the opportunity to enter into a drug or alcohol rehabilitation program, the Town may
1656 require the employee to execute any and all appropriate consent/release forms so that the Town can certify that the
1657 employee is enrolled in the program, is completing it, has completed it successfully, and/or is attending any after-care
1658 program. The Town may require an employee to submit to random testing for up to two (2) years after the employee
1659 returns to work. All counseling or treatment provided for in this policy is to be at the employee's expense, however
1660 nothing shall preclude the employee from submitting his or her expenses for reimbursement in accordance with any
1661 appropriate medical plan sponsored by the Town.
1662
- 1663 42.16 It is the responsibility of each employee who observes or has knowledge of another employee in a condition which the
1664 employee is or appears to be impaired in the performance of his or her job duties or who presents a hazard to the
1665 safety and welfare of others or is otherwise in violation of this policy, to promptly report the fact to his or her
1666 immediate supervisor. Any employee who, in good faith based on reasonable suspicion, reports an alleged violation
1667 of this policy, or any supervisory or managerial employee who investigates or takes action in good faith based on
1668 reasonable suspicion, shall not be harassed, retaliated against, or discriminated against in any way for making reports
1669 or participating in any investigation or action based thereon.
1670
- 1671 42.17 Any employee who is convicted of a criminal drug statute violation, or of any law involving driving a motor vehicle
1672 while intoxicated on or off the job may be subject to immediate disciplinary action, up to and including termination.
1673 As used herein, the term "convicted" means a plea of guilty, a plea of "nolo contendere," or a finding of guilty
1674 (regardless of whether adjudication is withheld) by any judicial body charged with the responsibility to determine
1675 violations of federal, Florida or any other state criminal drug statute or law concerning driving while intoxicated.
1676
- 1677 42.18 Any employee who is arrested, charged and/or convicted of a criminal drug statute violation, or of any law concerning
1678 driving while intoxicated on or off the job must so notify the Town's Human Resources Director, in writing, no later
1679 than five (5) calendar days following such arrest, charge or conviction. It is the responsibility of the Human
1680 Resources Director to notify any federal agency with which the Town has a contract or grant as a condition of
1681 employment involving any employee convicted of any criminal drug statute for a violation occurring in the workplace
1682 within ten (10) days after receiving notice by the employee or by any other party.
1683
- 1684 42.19 Pursuant to an on-going drug and alcohol awareness program, the Town will periodically inform employees, formally
1685 and/or informally, of the dangers of drug and alcohol abuse in the workplace, the Town's policy of maintaining a
1686 drug-free and alcohol-free workplace, available drug and alcohol counseling, rehabilitation and assistance programs,
1687 and that violation of the Town's policy may result in disciplinary action, up to and including termination.
1688
- 1689 42.20 A condensed bulletin of this policy will be posted on departmental bulletin boards and available in pamphlet form.
1690 The bulletin and pamphlet forms will both make reference to where the comprehensive policy may be viewed.
1691
- 1692 42.21 An employee who refuses drug or alcohol testing may be subject to disciplinary action up to and including
1693 termination.
