Town of Davie  
Building Division  
6591 Orange Drive  
Davie, FL 33314

RE: Permit for Pool to be located at \_\_\_\_\_  
Address of property

This is to acknowledge that the Davie Town Code requires that newly constructed swimming pools within the Town must be enclosed by a fence or wall at least 5 feet in height, pursuant to Sec. 27-74 of the Town Code. It is understood that in order to obtain a pool permit for the above location, the fence or wall existing on my neighbor's property is used for the purpose of complying with this requirement.

In the event my neighbor wishes to remove all or a part of this fence or wall, I shall apply for and obtain a building permit to erect a fence before the existing one is removed.

In conjunction with sharing a neighbor's fence, a child safety fence a minimum of 48 inches in height or an approved safety pool cover in compliance with R4101.17 and R424.2.17.1 of the Florida Building Code must be used.

I have read, understand, and agree to the terms and conditions stated above and I am the rightful and legal owner of the property at the address above.
