RE: SP 4-02-01; Armadillo Square - Request to Table

Town Staff is requesting a tabling of this agenda item to the July 18, 2001 Town Council Meeting. I have attached a memorandum from Redevelopment Administrator Will Allen which explains in greater detail the status and intended actions by staff relative to this matter.

In short, this additional time will permit Dover, Kohl and Partners to prepare an alternative site plan including color rendering, building elevations and color perspective drawings and upon receipt of the aforementioned work products to schedule CRA Board and Site Plan Committee reviews of the applicant's plan and Town alternatives.

Should you have any questions, please advise.
