TOWN COUNCIL AGENDA REPORT

TO: Mayor and Councilmembers

FROM/PHONE: Donald DiPetrillo, Fire Chief
(954) 797-1213

SUBJECT: Resolution

TITLE OF AGENDA ITEM:

A RESOLUTION OF THE TOWN OF DAVIE, FLORIDA, ACCEPTING THE BID FOR ONE HURRICANE RESCUE PUMPER, CITY OF TALLAHASSEE BID NO. 2166-95-R01-1GG.

REPORT IN BRIEF:

The Hurricane Rescue Pumper will be used to replace an existing unit that has reached its useful life span of 15 years and has accumulated more than 100,000 miles. Once the replacement unit has been purchased, the existing unit will be used as a reserve.

The City of Tallahassee has previously solicited sealed bids at competitive rate that meet the Town's needs. The pricing obtained by the City of Tallahassee is competitive because of the volume generated by this bid and cost limitations. The Town's purchasing ordinance allows for piggybacking another governmental entity's bid if pricing is beneficial.

PREVIOUS ACTIONS:

Town Council previously approved Ordinance Number 2001-13 to fund the Town's Five Year Plan. In addition, Town Council previously approved the purchase of two Hurricane Rescue Pumpers from the City of Tallahassee bid.

CONCURRENCES:

The Fire Chief, the Apparatus Committee and the Purchasing Department have reviewed the award made by the City of Tallahassee and concur with the purchase from Emergency One, Inc.

FISCAL IMPACT:

Has request been budgeted? yes

If yes, expected cost: \$347,530.00

Account Name: Replacement Pumper

Additional Comments: E-One will discount \$5,000 from original price if approved prior to June 15, 2001 but has extended deadline if purchased by June 30, 2001.
