B. **Percentage Rent.** As additional consideration for its Lease of the Premises, Tenant shall pay to Landlord for each year of the term of this Lease three percent (3%) of the gross sales from its business operations for such year. The term "gross sales" shall mean the gross revenue obtained from its business operations on the Premises (excluding all revenue derived from the conduct of seminars, workshops, research, and other educational activities, less sales or other taxes collected thereon). Payment shall be made within thirty (30) days after the expiration of each year of the term, accompanied by a statement of the revenue and expenses for such year. Within thirty (30) days after receipt of the annual statement, Landlord shall have the right to review Tenant's books and records relating to Tenant's business operations on the Premises for the prior year. Such review shall take place at Tenant's offices during normal business hours and upon reasonable notice provided to Landlord. The parties shall promptly adjust any

These reports will be provided within thirty (30) days from the end of each quarter.

5. **TAXES ON TENANT PAYMENTS.** Tenant covenants and agrees to pay to Landlord with respect to each payment required to be made by Tenant hereunder, any sales, use, excise, or other tax (excluding any income tax that may be payable by Landlord as a result of its receipt of any such payments) imposed or levied against each such payment by any governmental authority, regardless of whether such tax is imposed on Landlord or Tenant, unless Tenant is exempt from the payment of the same and provides Landlord with evidence of such exemption.

6. **REAL ESTATE TAXES AND ASSESSMENTS.** Tenant shall not be obligated to pay any real estate taxes or general or special assessments that may be imposed upon or against the Premises. If any governmental authority determines that the Premises is subject to real estate taxes wholly or partially as a result of the existence of this Lease, then, at Tenant's option, this Lease shall terminate by Tenant providing written notice of termination to Landlord or Tenant may pay such tax.

8. **USE OF THE PREMISES.** Tenant shall use the Premises only for the operation of an aquaculture research and education complex, which shall include the raising and selling of aquatic plants and animals and hydroponics. Tenant shall maintain all required permits with respect to its business operations.

10. **UTILITIES.** Subject to adjustment as provided for below in this Section, Tenant shall pay to Landlord the sum of Ten Thousand Five Hundred Dollars (\$10,500) per year for the cost of utilities serving the Premises. Tenant shall make these payments quarterly in the amount of Two Thousand Six Hundred Twenty Five Dollars (\$2,625) for

each quarter. At the expiration of each year of the Lease term, if Landlord is able to segregate the utility bills for the Premises from Landlord's other utility bills, Landlord shall provide to Tenant a statement of the cost of the utilities for the prior year and supporting documentation with respect to the same. If the statement indicates that utility costs for the year were less than the amount paid by Tenant, then Landlord shall pay to Tenant the difference within thirty (30) days thereof. If the statement indicates that utility costs for the year were more than the amount paid by Tenant, then Tenant shall pay to Landlord the difference within thirty (30) days thereof. If the utilities can be separated for the aquaculture facility, the Tenant will be responsible for establishing an account and making utility payments to the various utilities.

Landlord shall not be liable in damages or otherwise for any failure or interruption of any utility service to the Premises, except to the extent such disruption or interruption was brought about by the acts or omissions of Landlord, its agents, employees or contractors. During the term of this Lease, Landlord shall (i) maintain its current provision of emergency power services (one electricity generator on-site and one electricity generator off-site), and (ii) maintain such emergency equipment in good working condition, and in connection therewith, repair and replace the same.

13. **LIENPROHIBITION.** The interest of Landlord in the Premises shall not be subject to any construction liens for improvements made or other work done by or on behalf of Tenant. In connection with any such claim or action, the indemnifying party shall have the option to defend the party to be indemnified by counsel reasonably satisfactory to the party to be indemnified. Nothing contained herein is to be construed as a waiver by the Town of Davie of its rights of sovereign immunity as provided under any applicable law.

16. **DAMAGE OR DESTRUCTION.**

A. **Notice.** In the event of a fire or other casualty causing any damage to or destroying all or part of the Premises, Tenant shall give prompt notice to Landlord of the same.

B. **No Duty to Repair or Restore.** Tenant or Landlord shall have no duty to repair or restore in the event of any damage or destruction. Tenant shall notify Landlord whether it intends to repair or restore the Premises within sixty (60) days after any damage or destruction. In the event Tenant chooses to repair or restore, Landlord shall provide to Tenant the insurance proceeds it receives as a result of the damage or destruction, to enable Tenant to repair or restore Landlord's improvements on the Premises at the commencement of the Lease term, including Landlord's utility systems and personal property. With respect to such repair or restoration of Landlord's improvements, Tenant shall not be required to expend any monies other than the insurance proceeds and other funds it receives from Landlord. Tenant shall use reasonable efforts to complete any repair or restoration work it undertakes as soon as reasonably possible. If the Landlord agrees, upon Tenant's written request, to repair or restore the Premises, the Landlord may choose to do all or a portion of the work.

C. **Tenant's Right to Terminate.** If Tenant does not elect to repair or restore, then Tenant may terminate this Lease by written notice to Landlord.

D. **Abatement of Rent and Utility Payments.** During the period that Tenant is unable to use all or part of the Premises as a result of the damage or destruction, the Base Rent Percentage Rent, and the amount for utilities payable by Tenant to Landlord shall abate in an equitable manner taking into account Tenant's inability to use the Premises for the purposes intended.

17. **EMINENT DOMAIN.**

A. **Condemnation.** If at any time during the term of this Lease all or any part of the Premises shall be taken under the power of eminent domain by any public, quasi-public, private or other authority, then, if Tenant is unable to use the balance of the Premises for its business purposes as determined by Tenant in its reasonable discretion, this Lease shall thereupon terminate by notice from Tenant to Landlord, as of the date that title vests in such condemning authority. All Base Rent, Percentage Rent, and all other obligations due from Tenant hereunder shall be paid and/or performed up to the date that title vests in the condemning authority. After the date that title so vests, Tenant shall have no claim against Landlord.

B. **Landlord's Damages.** In the event of any taking in connection with the exercise of the power of eminent domain as hereinbefore provided, Landlord shall receive the full amount of monies paid by the condemning authority, less any amount of the award which can be attributed to Tenant's improvements, which amount shall belong to Tenant.

C. **Tenant's Damages.** Tenant shall have the right, in a separate claim against the condemning authority if allowed by law, to claim from the condemning authority, but not from Landlord, such compensation as may be separately awarded or recoverable by Tenant in Tenant's own right without reduction of any amount due Landlord.

D. **Voluntary Conveyance or Sale.** For purposes of this Section 17, a voluntary sale or conveyance in lieu of condemnation, but under threat of condemnation, or while condemnation proceedings are pending or thereafter, shall be deemed a taking under the power of eminent domain.

18. **SUBORDINATION AND ATTORNMENT.**

A. **Subordination.** This Lease, and all rights of Tenant hereunder, shall be subject and subordinate to the lien of any and all mortgages entered into by Landlord which may now or hereafter encumber all or any part of the Premises, together with all renewals, modifications, amendments, consolidations, replacements and extensions thereof and advances made with respect thereto, provided that as a condition to such subordination, any mortgagee agrees in writing not to disturb Tenant's possession unless Tenant is in default hereunder after applicable cure periods. This subordination shall be self-operative and no further instrument of subordination shall be required for its operation. Landlord shall provide, and Tenant covenants and agrees to promptly execute, acknowledge and deliver to Landlord a Subordination, Non-Disturbance and Attornment Agreement in customary form reasonably satisfactory to Tenant. Landlord represents and warrants to Tenant that there are presently no mortgages on the Premises.

B. **Attornment.** In the event that any mortgagee of Landlord takes over the Premises or is the successor to Landlord's interest in this Lease, then as long as such mortgagee agrees not to disturb Tenant's possession as provided for in Subsection 18A above, Tenant shall attorn to such mortgagee and shall recognize such mortgagee as Landlord hereunder.

19. **ASSIGNMENT AND SUBLETTING.**

A. **Consent Required for Assignment or Subletting.** Tenant may not assign this Lease or any part of its interest in this Lease, or sublet any portion of the Premises, without the prior written consent of Landlord, which consent shall not be unreasonably withheld or delayed.

B. **Conditions to any Assignment or Subletting.** Tenant shall notify Landlord of any proposed assignment or subletting, and shall provide to Landlord all information reasonably requested by Landlord with respect to the same. Any permitted assignment or sublease shall contain a provision to the effect that the assignee or subtenant assumes and agrees to perform and observe all of the terms, agreements, covenants, and conditions to be performed and observed by Tenant under this Lease. No permitted assignment or

subletting shall constitute a novation or a release of any claim that Landlord may then have against Tenant hereunder. The consent by Landlord to any assignment or subletting shall not negate the necessity for obtaining Landlord's consent for any further assignment or subletting. With respect to any permitted assignment or subletting, Tenant shall deliver to Landlord a copy of the fully executed assignment or sublease. Any assignee or subtenant shall use the Premises only for the purposes set forth herein.

20. **TENANT'S DEFAULT.**

A. **Events of Default.** The occurrence of any one of the following shall be deemed a default by Tenant under this Lease:

(i) Tenant failing to make any payment to Landlord hereunder within ten (10) days after Tenant receives written notice that such payment is past due.

(ii) The neglect or failure of Tenant to perform or observe any term, agreement, covenant or condition contained in this Lease on Tenant's part to be performed or observed, which is not remedied by Tenant within thirty (30) days after Landlord shall have given Tenant written notice specifying such neglect or failure. The aforementioned thirty (30) day period shall be extended for the time reasonably necessary to cure such neglect or failure (but no more than an additional thirty (30) days), if the cure could not be accomplished during such thirty (30) day period after Tenant exercised due diligence in its attempt to effectuate the same, and Tenant continues its efforts with due diligence until the cure is achieved.

21. **LANDLORD'S DEFAULT.** The neglect or failure of Landlord to perform or observe any term, agreement, covenant or condition contained in this Lease on Landlord's part to be performed or observed which is not remedied by Landlord within thirty (30) days after Tenant shall have given Landlord written notice specifying such neglect or failure, shall be an event of default by Landlord under this Lease. The aforementioned thirty (30) day period shall be extended for the time reasonably necessary to cure such neglect or failure (but no more than an additional thirty (30) days), if the cure could not be accomplished during such thirty (30) day period after Landlord exercised due diligence in its attempt to effectuate the same, and Landlord continues its efforts with due diligence until the cure is achieved. If Tenant is not able to fully operate its business as a result of a default by Landlord hereunder, then the Base Rent, Percentage Rent, and utility payments shall abate in an equitable manner, which abatement shall commence at the time of Landlord's act or omission, and not upon the expiration of the cure period.

22. **REMEDIES UPON DEFAULT.** Upon a default which is not cured within the applicable grace period, the non-defaulting party shall have all remedies against the defaulting party available at law or in equity including, without limitation, the right to terminate this Lease.

23. **SIGNS.** To the maximum extent permitted by law, Tenant shall be permitted to place any signs containing its name on the outside of or on the Premises.

24. **INSPECTION AND ENTRY BY LANDLORD.** Landlord and its employees and agents shall have the right, at Landlord's option, at all times to enter upon any part of the

Premises for (i) inspection, (ii) showing the Premises to a prospective mortgagee or purchaser, or (iii) making any repairs, replacements, alterations, additions or improvements to any part of the Premises that Landlord deems necessary, but which do not affect or materially interfere with Tenant's business operations.

25. **SURRENDER.** On the last day of the term of this Lease, or upon the earlier termination of this Lease, Tenant shall quit and surrender to Landlord the Premises in good condition and repair, ordinary wear and tear and casualty excepted. Tenant, at its option, may leave on the Premises all or part of the improvements it made or may remove the same, if the removal shall not harm and damage the lease Premises.

26. **FORCE MAJEURE.** Neither Landlord nor Tenant shall be liable for any delay in the performance of, or its inability to perform, its obligations under this Lease by reason of war or other national or local emergency, labor troubles, scarcity of materials or supplies, acts of God, or any other cause, similar or dissimilar, beyond their reasonable control.

27. **QUIET ENJOYMENT.** Landlord represents to Tenant that upon Tenant's payment of the Base Rent and Percentage Rent due from Tenant to Landlord hereunder, and upon Tenant's observance and performance of all the other terms, agreements, covenants and conditions herein contained, Tenant shall peacefully and quietly hold and enjoy the Premises during the Term, subject nevertheless to the terms, agreements, covenants and conditions of this Lease.

28. **HOLDOVER TENANCY.** If Tenant shall hold over after the expiration of the term of the Lease, then Tenant shall be deemed to occupy the Premises as a tenant at sufferance, subject to all of the terms, agreements, covenants, and conditions of this Lease, except that the monthly Base Rent shall be one hundred fifty percent (150%) of the monthly Base Rent payable at the expiration of the term. Such occupancy by Tenant shall not limit in any manner Landlord's right to possession of the Premises or any other right of Landlord hereunder.

29. **RELATIONSHIP.** The relationship of the parties herein is solely that of landlord and tenant. Landlord is not, in any way or for any purpose, a partner or joint venturer of Tenant, nor does anything in this Lease confer upon Landlord any interest in Tenant or its business.

30. **TERMINATION.** Tenant may terminate this Lease at any time without cause by providing sixty (60) days prior written notice of termination to Landlord.

31. **MISCELLANEOUS PROVISIONS.**

A. **Entire Agreement and Modification.** This Lease contains all of the agreements, covenants, conditions, promises and understandings made by and between Landlord and Tenant, and may only be altered, changed or modified by an agreement in writing signed by all the parties or their respective successors or permitted assigns.

B. **Law Governing and Venue.** This Lease shall be governed by and construed in accordance with the laws of the State of Florida. Venue with respect to any action instituted relating in any way to this Lease shall lie exclusively in Broward County, Florida.

C. **Notices.** Any and all notices, consents, or demands, required or given under this Lease shall be in writing and shall be deemed given and received (i) when personally delivered and a receipt obtained, (ii) on the date noted as the date received, refused, or uncollected if sent by certified mail or registered mail, postage prepaid and return receipt requested, or (iii) the earlier of receipt or two (2) business days after acceptance for delivery by a nationally recognized overnight delivery service (e.g., Federal Express), at the following addresses:

E. **Brokerage.** Landlord and Tenant each represent to the other that it has not dealt with any broker in connection with the execution and delivery of this Lease and that the other party shall not be required to pay any commission whatsoever with regard to this Lease resulting from the actions of the party making such representation. Landlord and Tenant each agree to indemnify and hold each other harmless from and against any and all losses, costs, damages, liabilities, costs and expenses (including, but not limited to, reasonable attorney's fees), resulting from a breach by the indemnifying party of the foregoing representations.

F. **Headings.** The headings, section and subsection numbers of this Lease are inserted for convenience only, and shall have no affect upon the meaning of any of the provisions herein.

G. **Partial Invalidity.** If any provision of this Lease, or the application thereof to any person or circumstance shall, to any extent, be found to be invalid or unenforceable by the entry of a final judgment from a court of competent jurisdiction, then, in that event,

the remainder of this Lease, or the application of such provision to persons or circumstances other than those to which it is held invalid or unenforceable, shall not be affected thereby, and each provision of this Lease shall be valid and enforceable to the fullest extent permitted by law.

H. **Time Periods.** All time periods specified in this Lease shall be deemed to be calendar days unless specifically stated otherwise; provided, however, that if the last day of any particular calendar day period is a Saturday, Sunday or legal holiday, then the time period shall be deemed to extend to the next business day.

I. **Waiver of Jury Trial.** Landlord and Tenant hereby knowingly and voluntarily waive any right they may have to a trial by jury in regard to any claim or counterclaim brought by either against the other.

J. **Accord and Satisfaction.** No receipt and retention by Landlord of any payment tendered by Tenant in connection with this Lease shall give rise to or support or constitute an accord or satisfaction, or a compromise or other settlement, notwithstanding any accompanying statement, instruction or other assertion to the contrary (whether by notation on a check or in a transmittal letter or otherwise), unless Landlord expressly agrees to an accord and satisfaction, or a compromise or other settlement, in a separate writing duly executed by Landlord. Landlord will be entitled to treat any such payments, notwithstanding any contrary instructions or statements from Tenant, as being received on account of any past due item or items of Base Rent, Percentage Rent or utility payments, in such amounts and applied in such order as Landlord may determine in its sole discretion.

K. **Estoppel Certificates.** Each party, within ten (10) business days after receipt of a written request from the other party, shall execute and deliver to the other party, in a form reasonably required if applicable, a certificate stating that this Lease is unmodified and in full force and effect, or in full force and effect as modified and stating the modifications, the date through which Base Rent and Percentage Rent have been paid, and such additional facts within the requested party's knowledge as may be reasonably required by the requesting party.

L. **Attorney's Fees and Costs.** In the event that either party institutes litigation to enforce its rights under this Lease, then the non-prevailing party shall pay to the prevailing party all costs and reasonable attorney's fees incurred by the prevailing party in connection therewith and through appellate and post-judgment proceedings.

M. **Waiver.** The waiver by Landlord or Tenant of any breach of or default under any term, agreement, covenant or condition in this Lease shall not be deemed a waiver of any subsequent breach of or default under the same or any other term, agreement, covenant or condition herein contained.

N. **Sale by Landlord.** Landlord reserves the right at any time to sell the Premises, and, in connection with any such sale, assign this Lease to the purchaser. Upon such sale and assignment to and assumption by a purchaser, Landlord shall be released from all further obligations under this Lease. Tenant agrees to attorn to such purchaser, and to recognize such party as successor Landlord under this Lease.

O. **Hazardous Waste.** Tenant shall keep the Premises or cause the Premises to be kept, free of "Hazardous Wastes" as hereinafter defined. In connection therewith, Tenant shall neither cause nor permit (i) the Premises to be used to generate, manufacture, treat, store, handle, dispose, produce or process Hazardous Wastes, or (ii) a release of Hazardous Wastes onto the Premises or from the Premises onto other property owned by Landlord or third parties. Tenant shall promptly give to Landlord copies of all notices of violations which it receives from any authority.
