RE: United Ranches Area Annexation

Dear Mayor Venis: *Harry*

Requests for local bills concerning annexations have been filed with the Delegation, as captioned, with your city named as a potential annexing municipality.

The Annexation Policy of the Delegation as approved this year, states that a Partnership Committee "be established consisting of one elected official from each potential annexing municipality, presidents or designee of all homeowner associations in the impacted unincorporated communities and a County designee." This letter is to request that you appoint a member of your City Commission to be a member of the Partnership Committee. The Partnership Committee should be able to report to the Annexation Committee. A schedule of the Annexation Committee meetings is enclosed.

Please call me at your earliest convenience with the name of the representative from your city. At that time we will provide the names of the representative from the homeowner association and the Broward County designee.

Please do not hesitate to contact me if you have any questions.

Very truly yours,

*Sandy Harris*  
Sandy Harris  
Executive Director
