

TOWN OF DAVIE TOWN COUNCIL AGENDA REPORT

TO: Mayor and Councilmembers

FROM/PHONE: Mark A. Kutney, AICP, Development Services Director

SUBJECT: Ordinance
LA-01-2A / Future Land Use Map Amendment

TITLE: AN ORDINANCE OF THE TOWN OF DAVIE, FLORIDA, ADOPTING APPLICATION LA (MAP) 01-2A, AMENDING THE TOWN OF DAVIE COMPREHENSIVE PLAN BY AMENDING THE FUTURE LAND USE MAP TO PROVIDE A COMMERCIAL LAND USE CLASSIFICATION TO A PARCEL OF LAND RECENTLY IDENTIFIED AS BEING WITHIN THE TOWN OF DAVIE BOUNDARIES; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

REPORT IN BRIEF: This request is to approve and adopt an ordinance amending the Town of Davie Future Land Use Map of the Comprehensive Plan to include a 20.89 acre parcel of land located at the southeast intersection of Stirling Road and University Drive. This parcel is currently identified with a Commercial land use classification on the Broward County Land Use Map and the requested amendment would maintain the Commercial Land Use Classification.

This amendment was approved for transmittal to the Department of Community Affairs (DCA) by the Town Council on September 6, 2001. The amendment was reviewed by all appropriate reviewing agencies (Department of Transportation, South Florida Regional Planning Council, Department of Environmental Protection, and South Florida Water Management District) and recommended for adoption. Upon approval by the Town and notification to DCA, the department will issue a Notice of Intent to find the amendment in compliance with all State rules and regulations. Upon such finding, the Town will request recertification through the Broward County Regional Planning Council.

The subject parcel, although identified as within unincorporated Broward County, is actually within the Town of Davie municipal boundary. This parcel has technically been within the Town since 1984. In 1984, Section 1, Chapter 84-420, Laws of Florida (Senate Bill 1139) was approved by the Florida Legislature. This Bill, also known as the Hacienda Village Bill, revised the legal description of the Town boundaries to include Hacienda Village. At the same time, the Bill also included the subject parcel of land within the Town's revised municipal boundary legal description.

Technically, this request is not considered a change in land use, but due to the requirements of State Statutes 163.3184, a land use plan amendment is the appropriate mechanism by which to recognize the parcel of land as within the Town. This request is an administrative function recognizing the parcel as being within the Town's municipal boundaries, as opposed to an actual change in land use from one classification to another. The classification of the land is now Commercial and the Town's amendment would maintain that same commercial land use classification.

PREVIOUS ACTIONS: Town Council approved Ordinance 2001-40 on September 6, 2001 to authorize staff to transmit the amendment to DCA.

CONCURRENCES: The Local Planning Agency recommended approval at its July 11, 2001 meeting (motion carried 4-1, with Chair Stahl opposed).

RECOMMENDATION(S): Motion to approve.
