**\*Pursuant to Ordinance 2002-9, a board/committee member who is absent for three consecutive meetings or is absent for 50% or more of the meetings in any twelve (12) month period, is automatically dismissed from the board/committee. If the Councilmember who appointed that person to the board/committee feels that there were extenuating circumstances for the absences and that it is in the best interest of the Town that the person be reappointed, the Councilmember may reappoint that same person to the board/committee to complete the unexpired term of that board/committee member's seat.**
