  - (b) The Improvements described in Exhibit "B" shall be installed in accordance with applicable COUNTY, CITY, or State of Florida, Department of Transportation standards and specifications and in accordance with the Development Review Report for the Project.   - (e) DEVELOPER agrees to notify COUNTY of acceptance of Improvements by permitting authority if such permitting authority is other than the COUNTY.

3. DEVELOPER understands and agrees that it is DEVELOPER'S responsibility to complete the Improvements described in Exhibit "B" and that all costs relating to the installation of the Improvements will be borne by the DEVELOPER.
4. SECURITY AND DEFAULT.

PLEASE CHECK THE APPROPRIATE SECTION BELOW

(a) Lien.

- (1) A lien is hereby imposed by the COUNTY against the real property identified in Exhibit "A" in the amount of SIXTY THREE THOUSAND AND FIVE HUNDRED SEVENTY SEVEN WITH <sup>25</sup>/<sub>100</sub> DOLLARS (\$ 63,577.25 ). Such lien shall secure the construction of the "Improvements" identified in Exhibit "B" attached hereto. Such lien shall exist until fully paid, discharged, released, or barred by law. The lien created by this Agreement shall be superior to and shall have priority over any mortgage on the real property described in Exhibit "A." The DEVELOPER shall cause this Agreement to be executed by the holder of any such mortgage, which execution shall constitute the mortgagee's consent to such subordination.
- (2) Prior to the DEVELOPER obtaining a building permit for construction of any portion of the Project which, according to the schedule set forth in Exhibit "B," requires the installation of the "Improvements", or a portion thereof, DEVELOPER shall provide a form of security acceptable to the COUNTY in the form of a letter of credit, surety bond, or other acceptable security in the amount of SIXTY THREE THOUSAND AND FIVE HUNDRED SEVENTY SEVEN WITH <sup>25</sup>/<sub>100</sub> DOLLARS (\$ 63,577.25 ), in substitution of the lien imposed hereby, and the COUNTY shall cause to be executed and recorded in the Official Records of Broward County a release or satisfaction of the lien upon the property described in Exhibit "A."
- (3) DEVELOPER may elect to provide security for any individual phase as listed in Exhibit "B," in order to release a portion of the lien imposed on the Project for the individual phase. In that event, DEVELOPER shall submit a cost estimate prepared by a Registered Engineer for the "Improvements" required in such phase. Upon acceptance by the COUNTY of the cost estimate, and payment by DEVELOPER of any applicable fee, that portion of the Project shall be released from the lien imposed and the total amount of the lien shall be reduced by the approved amount.

- (4) In the event DEVELOPER fails to construct the "Improvements" according to the terms and conditions of this Agreement, COUNTY may recover such sums from DEVELOPER as are necessary in order to cause the construction of the "Improvements" that are outstanding. Such sums, plus costs and attorney's fees, may be recovered by COUNTY against the DEVELOPER through a civil action, or may be recovered by action as provided by the applicable security. In the event that DEVELOPER fails to construct an improvement secured by lien created hereunder, such lien may be foreclosed or otherwise enforced by the COUNTY by action or suit in equity as for the foreclosure of a mortgage on real property.
- (6) DEVELOPER shall ensure that the substitute security remains valid and in full force and effect until DEVELOPER'S improvement obligations are fully performed. Expiration of the security prior to DEVELOPER'S performance of such obligation, or notice to COUNTY that the security will expire or has been canceled or disaffirmed prior to DEVELOPER'S satisfaction of all obligations hereunder, shall constitute a default of this Agreement.
- (7) In the event the letter of credit, surety bond or other form of security provided to COUNTY, as described above, expires, is canceled, or is disaffirmed, COUNTY shall send notice to DEVELOPER, according to the notice provisions of this Agreement, and DEVELOPER shall have one (1) month from the date of such notice to provide substitute security in a form acceptable to COUNTY. If DEVELOPER fails to provide acceptable substitute security, COUNTY may record a document entitled "Notice of Lien for Installation of Required Improvements" which shall constitute a lien on the property described in Exhibit "A" for the amount due hereunder, until fully paid, discharged, released or barred by law. To the extent that the failed security is attributable to an identified parcel or portion of the Project, the Notice of Lien for Required Improvements may be recorded against and apply only to such parcel or portion of the Project.

(b) Surety Bond or Letter of Credit.

- (1) Prior to the DEVELOPER recording the plat or any agreements which were conditions of approval for the Project, the DEVELOPER shall provide the COUNTY with security such as a surety bond or irrevocable letter of credit, which is acceptable to the COUNTY and which guarantees the DEVELOPER'S performance of the

construction obligations set forth in this Agreement in the total amount of \$ \_\_\_\_\_.

- (2) if the DEVELOPER obtains certificates of occupancy prior to completion of the applicable improvements, contrary to the schedule set forth in Exhibit "B," the DEVELOPER shall be in default of this Agreement. In the event the DEVELOPER defaults under the terms of this Agreement, COUNTY shall be entitled to draw against the security for the amount set out in paragraph 4.(b)(1), plus costs as set forth herein. If COUNTY draws against the security and the amount recovered is less than the amount necessary to construct the improvements, COUNTY may maintain an action against DEVELOPER in a court of competent jurisdiction for the difference between any sums obtained and the amount due, plus costs and interest accrued from the due date at the rate of 12 percent per annum.
- (4) DEVELOPER shall ensure that the security remains valid and in full force and effect until DEVELOPER'S road improvement obligation is fully performed. Expiration of the security prior to DEVELOPER'S performance of such obligation, or notice to COUNTY that the security will expire or has been canceled or disaffirmed prior to DEVELOPER'S satisfaction of all obligations hereunder, shall constitute a default of this Agreement.
- (5) In the event the security expires, is canceled or is disaffirmed, COUNTY shall send notice to DEVELOPER according to the notice provisions of this Agreement and DEVELOPER shall have one (1) month from the date of such notice to provide substitute security in a form acceptable to COUNTY. If DEVELOPER fails to provide acceptable substitute security, COUNTY may record a document entitled "Notice of Lien for Required Offsite Improvements" which shall constitute a lien on the property described in Exhibit "A" for the amount set forth in paragraph 4.(b)(1), or stated portion thereof. To the extent that the failed security is attributable to an identified parcel or portion of the Project, the Notice of Lien for Required Offsite Improvements may be recorded against and apply only to such parcel or portion of the Project.

(c) Cash Bond.

- (1) The Improvements identified in Exhibit "B" shall be secured by cash, or check (cashier's, certified, or registered), or money order issued by

\_\_\_\_\_ (financial institution), in the amount of \_\_\_\_\_ Dollars (\$ \_\_\_\_\_), payable to the Broward County Board of County Commissioners. The DEVELOPER may at its option, later provide to the COUNTY a surety bond or letter of credit acceptable to COUNTY, in like amount, that shall be substituted for the cash, check, or money order. If the DEVELOPER provides a surety bond or letter of credit the provisions of subsection 4(b) above shall apply.

(2) The estimated costs of the Improvements are \_\_\_\_\_ Dollars (\$ \_\_\_\_\_).

(3) Upon completion of the Improvements, and acceptance by the applicable unit of local government, the DEVELOPER shall notify the Broward County Engineering Division of such completion and acceptance. Upon a determination by the Engineering Division that the Improvements have been installed, constructed, completed, and accepted, and following the completion of DEVELOPER'S one (1) year maintenance obligations if the Improvements are made to a County road, the COUNTY shall have ninety (90) days to remit \_\_\_\_\_ Dollars (\$ \_\_\_\_\_) to the DEVELOPER, provided that the COUNTY has not already effected a remittance to the DEVELOPER because of the earlier substitution of a surety bond or letter of credit.

5. Upon the completion of one or more of the road Improvements specified in Exhibit "B," the DEVELOPER may request a partial release of security from the COUNTY. The DEVELOPER shall submit a sealed certification by a Registered Engineer of the work completed, and a cost estimate of the remaining roadway Improvements to be completed based upon the current approved County unit prices. Upon acceptance by the COUNTY of said certification and cost estimate, and payment by the DEVELOPER of any applicable fee, the COUNTY shall release that portion of the security, if any, which is in excess of the cost of the remaining road Improvements. Final release of the full security is subject to the standard COUNTY maintenance period of one (1) year from the date of completion of all of the Improvements specified on Exhibit "B," for roadways subject to COUNTY permit jurisdiction. Prior to release of any security held by the COUNTY for Improvements which are under the permit jurisdiction of other governmental agencies, the DEVELOPER shall submit documentation from the permit agency officially accepting the Improvements and consenting to the release of security.

6. DEVELOPER agrees that the construction contract(s) for the Improvement(s) shall:

- (a) Indemnify, hold harmless and, at County Attorney's option, defend or pay for an attorney selected by County Attorney to defend COUNTY, its officers agents, servants, and employees against any and all claims, losses, liabilities, and expenditures of any kind, including attorney fees, court costs, and expenses, caused by negligent act or omission of contractor or subcontractor, its employees, agents, servants, or officers, or accruing, resulting from, or related to the subject matter of this Agreement including, without limitation, any and all claims, demands, or causes of action of any nature whatsoever resulting from injuries or damages sustained by any person or property. The provisions of this section shall survive the expiration or earlier termination of this Agreement. To the extent considered necessary by Director of the Broward County Engineering Division and County Attorney, any sums due DEVELOPER under this Agreement may be retained by COUNTY until all of COUNTY's claims for indemnification pursuant to this Agreement have been settled or otherwise resolved; and any amount withheld shall not be subject to payment of interest by COUNTY.
- (b) In order to insure the indemnification obligation contained above, CONTRACTOR shall, as a minimum, provide, pay for, and maintain in force at all times during the term of this Agreement (unless otherwise provided), the insurance coverages set forth below, in accordance with the terms and conditions required by this section.
- (c) Such policy or policies shall be without any deductible amount and shall be issued by United States Treasury approved companies authorized to do business in the state of Florida, and having agents upon whom service of process may be made in Broward County, Florida.
