Re: CRA Volunteers

Dear Mr. Muniz;

I am very interested in serving on the Community Redevelopment Agency. I would like to see the Town of Davie grow and become one of the most prosperous areas in South Florida. The more business that is generated in the downtown area will not only benefit my business but all other businesses and generate more revenue for Davie.

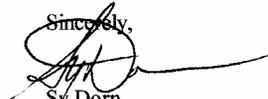

In 2003 I purchased the property at 6440, and 6446 SW 42 St.. I also acquired W & W Garage, which services American and Foreign cars.

My business is Clearview Cleaning Contractors. We service hi-rise, commercial and residential windows. We also do pressure cleaning and caulking. We have been in South Florida since 1974 and are in all three counties.

Since my purchase of the property, I have been very concerned with the potential growth in the downtown area.

I am a very active member in the Davie/Cooper City Chamber of Commerce. I am an Ambassador and serve on the Governmental committee.

It would be my pleasure to serve as a volunteer. I hope you will consider my request.

Sincerely,

Sy Dorn

Dear Sirs:

This letter is to inform you that I am interested in the position of Community Redevelopment Agency Volunteer.

I have been a resident of Davie since 1988, and I have seen the growth of this rural, equestrian community throughout the years. I graduated from the University of Miami with a degree in Civil and Environmental Engineering, which I have been practicing for nearly two years. I also take personal enrichment courses at Broward Community College Central Campus. I am a Youth Mentor for Hawkes Bluff Elementary in Davie. I am quite familiar with Davie life: the Bergeron Rodeo, the schools (I was Valedictorian of Western High School), Western facades, Tree Tops Park, etc. Yet, I would like to see Davie's "sense of place" felt in more areas of our town.

At the University of Miami School of Architecture, I attended various lectures given by Elizabeth Plater-Zyberk, Andres Duany, and other town planners. At any opportunity, I attend seminars and workshops related to the CRA and town planning issues. I have always had a passionate interest in the work of various CRAs, and the product of their work, as seen in downtown Hollywood, Delray Beach, etc. I believe Davie could benefit from roadway enhancement projects, including decorative lights, fountains, and public art. Davie also should feel more like a "college town." I enthusiastically support sustainable/smart growth, elimination of slum and blight conditions, public transportation (trolleys, etc.), and new urbanism concepts. I would like Griffin Road to support transit (buses, etc.), west of the Turnpike. I am also interested in wide bicycle lanes and sidewalks so that all modes of transport may be accommodated, especially around the college campuses.

I am a very meticulous, creative, optimistic, and determined individual. I eagerly await serving on the CRA, so please contact me at: 954-383-4205 (cell) or 954-680-8343 (home).

Sincerely,

Daphne Georgiadis
