TOWN COUNCIL AGENDA REPORT

TO: Mayor and Councilmembers

FROM/PHONE: Bruce Taylor/954-327-3748

PREPARED BY: Heidi Cavicchia

SUBJECT: Resolution

AFFECTED DISTRICT: Townwide

TITLE OF AGENDA ITEM:

A RESOLUTION OF THE TOWN OF DAVIE, FLORIDA, APPROVING A RENEWAL OF THE BID AWARDED TO ENVIRONMENTAL REAGENT SERVICE, RESOLUTION #R-2002-184, FOR PURCHASE OF CHEMICAL REAGENTS.

REPORT IN BRIEF:

The Town is in need of chemical reagents for water treatment. The Town of Davie acted as the lead agency for the Southeast Florida Cooperative Purchasing Group in soliciting sealed bids for such chemical reagents and awarded the contract to Environmental Reagent Service (R-2002-184). The original contract was for a two (2) year term with an option to extend the contract for two (2) additional two (2) year periods. This if the final renewal option of this contract and Environmental Reagent Service has agreed to renew at the original awarded prices. We are asking the Town Council to approve the renewal of this contract.

The Southeast Florida Cooperative Purchasing Group is made up of approximately 37 entities. Most of those entities are from Broward County although membership is available to entities in Dade, Broward, and Palm Beach Counties. The co-op meets and identifies commodities and/or services that are commonly bought by a majority of the entities. Once a commodity or service is identified that lends itself to co-op purchasing, one of the members volunteers to act as "lead agency" for the co-op group. The "lead agency" bids and awards the contract for the co-op group and handles any contract administration. The benefit of the co-op is two fold. Firstly, the co-op can obtain better pricing because of the buying power generated by combining quantities with other participating entities. Secondly, co-op members realize administrative cost savings by not having to put out as many contracts (i.e. you only put out those contracts that your entity is the lead agency on. All other contracts are put out by other co-op members).

Joint procurement is permitted by Sec. 2-322 of the Town Code.

MEMORANDUM

TO: Herb Hyman, Procurement Manager

THRU: Bruce Taylor, Acting Utilities Director *BT*

FROM: Neil Buckeridge, Lead Operator *NB*

DATE: July 21, 2006

RE: Environmental Reagent Service Contract

I would like to recommend extending the bid with Environmental Reagent Service for the purchase of chemical reagents. We have a good relationship with this company. This bid was initially for a two year period with the option to extend for two additional two year periods. This will be our final renewal option.
