**ITEM REQUEST:** **Schedule for Council Meeting**

**TITLE OF AGENDA ITEM:** RELOCATION OF ASPHALT TRAIL ON HIATUS ROAD AT SW 29 COURT

**REPORT IN BRIEF:** At the request of the Town Administrator's Office, the Public Works Department investigated the possibility of relocating the asphalt trail on the top of the berm along the West side of Hiatus Road across from the intersection of SW 29 Court. The cost to relocate the path is described in the attachment. Other issues to consider in making this decision are:

1. The Home Owners Association of Long Lakes Ranches currently maintains this area and would need to be consulted if a major renovation were to be done to the area.
2. The landscaping is now fully grown-in and the replacement of the vegetation will not match the surroundings for a several years.
3. The residents on the South side of SW 29 Court may be no more accepting of the path being behind their yard, than the residents at the North side.
