5. DISCUSSION OF CONSENT AGENDA ITEMS

4.13 Mr. Cohen advised that the consultant would give a brief presentation and the providers were available to answer questions.

Rachel Sapoznick described the services and rate structure for different healthcare carriers. She advised that the agreement with Sheridan Group would be effective on November 1, 2007. Ms. Sapoznick explained the different disruption reports Council had received.

Vice-Mayor Caletka pointed out that this was one of the few items Council considered that benefited Town employees, not residents, and recommended that union members be included on the selection committee in the future. Mr. Cohen explained that the existing Bid Spec Committee served as the selection committee. He said the union groups had been invited to participate in the consultant selection, and they had been informed that this subject would be discussed this evening as well.

Councilmember Luis asked what sort of problems would occur if the Town changed carriers. Ms. Sapoznick explained that disruptions were inevitable, but carriers would work to accommodate patients' needs.

Councilmember Crowley asked Linda Strutt, the Cigna representative, to explain apparent discrepancies in information Cigna had supplied. Ms. Strutt advised that these discrepancies could have come up as a result of a difference in “actual”, “expected” and “maximum” claim numbers. She felt the \$300,000 cost difference was a compelling reason to select Cigna.

Mayor Truex was not interested in switching unless there was a compelling reason to do so and believed this was a good plan. He noted that United was preferred by far by the selection committee as well.

Mr. Cohen advised that the resolution that was presented had been changed to reflect a different contribution strategy in Section 1. He recommended that any motion should strike the phrase: “at the maximum liability level” from the last sentence.

Councilmember Starkey made a motion, seconded by Mayor Truex, to accept the staff recommendations with the elimination of the phrase in Section 1, “at the maximum liability level.” In a roll call vote, the vote was as follows: Mayor Truex - yes; Vice-Mayor Caletka - no; Councilmember Crowley - yes; Councilmember Luis - yes; Councilmember Starkey - yes. (Motion carried 4-1)

Vice-Mayor Caletka stated that the reason he voted against this was, “Just do the money; there’s a \$300,000 savings and I think we’re better off saving money.”

4.15 Vice-Mayor Caletka acknowledged that the Sheriff's Association would probably provide a good deal, but he believed if it were bid out, it was possible that a better deal could be found.

Councilmember Starkey requested a review checklist be included with all "piggyback" bids.

Councilmember Starkey made a motion, seconded by Councilmember Luis, to approve. In a voice vote, with Vice-Mayor Caletka dissenting, all voted in favor. (Motion carried 4-1)

Ms. Nolan summarized the planning report and noted that Sunrise would require an easement to approve the vacation request.

Mayor Truex closed the public hearing portion of the meeting.

Councilmember Luis asked why this vacation was needed. Ms. Nolan explained that the site plan rights-of-way triggered additional landscape requirements. The vacation process was a condition of the site plan approval.

Eric Granger, representing the applicant's permitting company, explained that the original intent of the right-of-way was to provide access to their parcel from the west. They had decided to access from Flamingo Road and this was now an unused piece of land.

8.2 Lobbyist Services Contract Extension

Mr. Cohen explained that the two contracts were from last year, in the amount of \$38,000 each. He reminded Council that they had specified only \$40,000 in the budget for lobbying costs, so if both contracts were approved, Council must identify additional funding, or the contracts must be modified.

Councilmember Starkey and Mayor Truex agreed they should approve the Sigerson firm's contract first because of its record of performance for the Town. Councilmember Luis wanted to keep both firms. He believed the Town was getting its money's worth.

Councilmember Luis made a motion, seconded by Mayor Truex, to approve the contracts for both firms.

Vice-Mayor Caletka asked Mr. Cohen where Council could identify the additional funds to afford both lobbyists. Mr. Cohen recommended moving the funds from legal services, where they had some excess. There was also a line item with funding for reserves that had never been identified for a specific use, which amounted to approximately \$30,000. Mr. Cohen said that these funds could be used first, and any additional could come from the attorney's funds. Councilmember Luis agreed to add this specification to his motion.

In a voice vote, all voted in favor. (Motion carried 5-0)

Vice-Mayor Caletka requested letters of interest for next year. Councilmember Crowley disagreed. Mayor Truex suggested that Vice-Mayor Caletka bring this recommendation back as a resolution for discussion next year. Mr. Cohen advised that this would not require a resolution and staff could start the process in June with applicants making presentations to Council.
