Dear Harry,

The Broward County Property Appraiser's office is interested in making a 3 minute presentation to the Town of Davie in regard to the Homestead Exemption Outreach Program.

This program was developed to bring our services closer to the community and save our citizens a long drive to the Governmental Center in Ft. Lauderdale.

In closing we extend our gratitude to you, the town council and staff for your consideration and look forward to hearing from you at your earliest convenience.

With kindest personal regards,

Rocky Rodríguez  
Deputy Director
