

# Town Council Agenda Report

**SUBJECT:** Resolution

**TITLE OF AGENDA ITEM:**

A RESOLUTION OF THE TOWN OF DAVIE, FLORIDA, AUTHORIZING THE APPLICATION FOR TWELFTH YEAR RECYCLING GRANT FUNDS FROM BROWARD COUNTY

**REPORT IN BRIEF:**

This resolution authorizes Council to apply for Twelfth Year Recycling Grant Funds. The Town plans to purchase single family and multi family recycling containers. There is no match required. We anticipate receiving \$12, 884.

**DISCUSSION:**

The purchase of the recycling containers will enable Davie to continue its recycling program both in single family and multi family households without any cost to the Town. The Town would piggyback previous bids for both types of containers assuring the Town the lowest price. As the Town receives 100% of the revenue for the sale of recyclables, the Town will continue to increase this revenue as more residents begin to recycle .

**CONCURRENCES:**

not applicable

**FISCAL IMPACT:**

Additional Comments: The Town anticipates receiving \$12,884. There is no match required by the Town

**RECOMMENDATION(S)**

Motion to approve the resolution to apply for twelfth year recycling grant funds.

Recycling Grant

RESOLUTION \_\_\_\_\_

A RESOLUTION OF THE TOWN OF DAVIE, FLORIDA, AUTHORIZING THE APPLICATION FOR TWELFTH YEAR RECYCLING GRANT FUNDS FROM BROWARD COUNTY.

WHEREAS, Broward County has been awarded Twelfth Year Recycling and Education Grant funds from the Florida Department of Environmental Regulation; and

WHEREAS, the County and Department of Environmental Regulation have entered into a Recycling and Education Grant Agreement in order to implement the grant program; and

WHEREAS, the County and the Town of Davie wish to enter into this Agreement in order to expand recycling and related educational services to the resident of the Town of Davie; and

WHEREAS, said grant would provide funds to enhance and expand the current recycling program in Davie; and

WHEREAS, the Town of Davie acknowledges that grant funding would be provided on a reimbursement basis only.

NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COUNCIL OF THE TOWN OF DAVIE, FLORIDA.

SECTION 1. The Town Council of the Town of Davie does hereby authorize an application by the Town of Davie for Twelfth Year Recycling Grant Funds from Broward County, a copy of which is attached hereto as Exhibit "A".

SECTION 2. That the appropriate Town staff are hereby authorized to administer these provisions.

SECTION 3. This resolution shall take effect immediately upon its passage and adoption.

PASSED AND ADOPTED THIS \_\_\_\_\_ DAY OF \_\_\_\_\_, 1999.

\_\_\_\_\_  
MAYOR/COUNCILMEMBER

ATTEST:

\_\_\_\_\_  
TOWN CLERK

APPROVED THIS \_\_\_\_\_ DAY OF \_\_\_\_\_, 1999.

#### SUMMARY OF RECYCLING EXPENSES FOR YEAR 12

Please give a short description of how grant funds will be used	Grant funds to be expended	City funds to be expended	Total
14 gallon recycling containers	\$12, 884	0	\$12,884
96 gallon recycling containers			
<b>Total Funds</b>	\$12,884	0	\$12,884

PLEASE RETURN THE COMPLETED APPLICATION TO THE ADDRESS BELOW NO LATER THAN AUGUST 6, 1999.

Recycling and Contract Administration Division  
 201 South Andrews Avenue  
 Fort Lauderdale, Florida 33301  
 Attn: Jim Bock, Manager, Recycling Programs

Please give a concise summary of your recycling programs and projects planned for Year 12 including residential (single/multi-family) and commercial programs. Please give enough detail to be used in our grant application.

Due to the population increase over the last year, the Town will be ordering additional 14 gallon recycling containers for its single family program, and 96 gallon totes for its multi family recycling program.

The Town also will be adopting a Construction and Demolition Recycling Ordinance to regulate the hauling of debris.

Describe your municipalities procurement policies that promote purchase of recycled content products. Please include when the policies began, whether the policies are mandatory or voluntary, and what kind of materials are purchased. Also describe any problems or obstacles to increased procurement of recycled materials in your city. **PLEASE PROVIDE COPIES OF ANY ORDINANCES OR WRITTEN POLICIES PROMOTING PURCHASE OF RECYCLED CONTENT PRODUCTS.**

In 1990, the Town of Davie adopted a policy regarding the purchase of recycled copy paper throughout the Town. Other procurement procedures focus on competitive bidding. We "piggy-back" competitively bid contracts whenever possible, as those prices tend to be the lowest. Davie has, in the past, purchased recycled picnic benches, park benches, umbrella tables, and bumper stops to equip park sites, ballfields and the Town Hall Complex. In addition, we have purchased the product "Rebound" for use in two of our ball fields, as well as the product "EquestriFoot" for use in one of our horse training rings.

Davie began a battery recycling program last year and this is carried out in seven drop-off sites located at the Town Hall Complex, Fire Department, Police Department and Public Works Complex.

Discuss a best guess estimate of the potential impact on your program of a 50% and 100% cut in the grant. Include parts of your program that would be cut back or eliminated, what parts of your programs would become priorities and be funded through local revenue sources and an estimate of how tonnages might be affected.

With a 50% cut in grant funds, the Town would still be able to continue it's recycling program. The area that would be most severely affected would be the "Buy Recycled" area of our program. The Town currently has 24 parks. In October of 1998, the Town passed a \$12 million bond issue for new parks, a Community Center and the refurbishing of our older parks. The cost of purchasing "Buy Recycled" items was not included in this bond issue and therefore the Town has no additional funds to spend on these items.

With a 50% reduction rate in grant funds, any available money would have to be put into the purchase of recycling containers for both single and multi-family residences, which will continue to be an ongoing necessity as the Town continues to expand. The priority area which would still be funded through local revenue sources would be education. The Town would continue to produce educational flyers, and brochures as well as continue to publish articles about recycling in the Town newspaper, which is sent to every single family household in the Town. I would not expect to see any reduction in tonnage.

With a 100% cut in grant funding, the recycling program would still be able to continue it's recycling program. Again, as in a 50% reduction of funds, the area most affected would remain the "Buy Recycled" area. As in the 50% reduction, local revenues would have to be spent on the purchase of recycling containers for both single family and multi-family residences. However, as with the 50% reduction, the public education program would not suffer significantly.

<b>Remaining R&amp;E Funds Not Used(k)</b>		

(a) Information requested in this table should include cost data for both the county government and the participating municipalities found within its borders.  
 (b) Official April 1, 1997 Governor's Office population estimate.  
 (c) Include all dollars spent or committed via a purchase order by the local government on recycling programs during the county fiscal year.  
 (d) Any local revenues (non-R&E grants) such as tip fees, admission taxes, special assessments, recycling fee via waste disposal bill, material sales revenue etc. spent on the recycling program.  
 (e) Funds spent and encumbered for the acquisition of recycling equipment and recycling facilities.  
 (f) Publicly funded and operated entities such as a county or city govt, regional planning council, public universities, school boards, etc. May include contracts or purchase orders with public entities.  
 (g) Funds spent and encumbered for the acquisition of services relating to the collection, processing, marketing and sales of recycled material.  
 (h) Privately owned and operated entities, including non-profit organizations, contracted or retained through a purchase order to provide services or products to the local govt for its recycling program.  
 (i) Funds spent and encumbered for the acquisition of planning and/or engineering products or services relating to the recycling program.  
 (j) Funds spent and encumbered for the acquisition of educational products or services for schools or the general public relating to the recycling program.  
 (k) All remaining R&E grant funds not spent or encumbered during the county fiscal year.
