**SUBJECT:** Resolution

**CONTACT PERSON/NUMBER:** Michael Donati, Fire Chief (954) 797-1210

**TITLE OF AGENDA ITEM:**

A RESOLUTION OF THE TOWN OF DAVIE, FLORIDA, WAIVING FORMAL BIDDING AND AUTHORIZING THE MAYOR TO EXECUTE A CONTRACT FOR THE PURCHASE OF ONE TYPE 1-RESCUE UNIT (2000 FORD F-350) FROM WHEELED COACH INDUSTRIES, INC.

**REPORT IN BRIEF:**

As of October 1, 2000, the Town of Davie Fire/Rescue Department will assume emergency medical services transport at Ivanhoe Fire Station. This will require us to place a rescue unit at that station and by purchasing this unit, the Department will have a total of six rescue units. Four units will be frontline units and two will be used as reserve units for special details and maintenance rotation.

If formal bidding process is undertaken, it will take six to eight weeks to complete the formal bid process. Then, it will take an additional eight to twelve weeks for a manufacturer to build a unit. This process is not acceptable to fulfill our commitment timeline. In the past, the Department has researched the manufacturers of rescue units and the results have showed that Wheeled Coach Industries, Inc. provide the best price and quality workmanship. As a result, the Department purchased five rescue units from Wheeled Coach. The Town has negotiated with Wheeled Coach Industries, Inc. a price of \$81,778.00, which is a minimal cost increase of 5.65% over the price of the last three rescue units that were purchased from Wheeled Coach Industries, Inc. fifteen months ago. This 5.65% increase reflects the production, chassis, and other related costs associated with the manufacturing of the rescue unit.

**PREVIOUS ACTIONS:**

Town Council previously approved resolution R-98-205 to purchase two Type 1 Rescue Unit (1997 Ford F350 chassis) and resolution R-98-364 to purchase three Type 1 Rescue Unit (1999 Ford F350 chassis).

**CONCURRENCES:**

**FISCAL IMPACT:**

Has request been budgeted? no

If no, amount needed \$81,778.00

What account will funds be appropriated from: Capital Project EMS Equipment/Refurbishment

Additional Comments: This request was not budgeted because Broward County Fire Rescue was providing the Emergency Medical Services transport at Ivanhoe Fire Station in accordance with the Joint Powers Agreement which the Town terminated in March, 2000.
