SUBJECT: Resolution

CONTACT PERSON/NUMBER: Herb Hyman-(954) 797-1016

TITLE OF AGENDA ITEM:

A RESOLUTION OF THE TOWN OF DAVIE, FLORIDA, ACCEPTING THE BID FOR A WATER STAIN REMOVAL SYSTEM.

REPORT IN BRIEF:

The Town requested competitive bids on a water stain removal system that would connect into the irrigation pumping stations on University Drive, Nob Hill Road, Pine Island Road, and Stirling Road. The system involves mixing a chemical with the irrigation water to de-ironize the water so that it does not leave rust stains on the concrete or asphalt surfaces. The bid included the initial cleaning of the concrete and asphalt surfaces and the installation of underground tanks. The bid also includes the monthly maintenance of the system including replenishing the chemical. The Town sent out eighteen (18) bid packages and received three (3) bids. The bid from L.A. Rust was based on a rental of the equipment to the Town rather than ownership of the equipment as specified. Therefore, L.A. Rust's bid was dismissed as being non-responsive. The recommendation is for Rust Removal Systems, Inc. who submitted the lowest bid. The initial contract is a two (2) year agreement with an option to renew for an additional two (2) year term by mutual agreement of the parties. Extensions, if appropriate, will be handled administratively by staff subject to budgetary approval by the Town Council.

Re: Recommendation for Award of Bid for Water Stain Removal

The Town of Davie received three (3) bids for water stain removal on October 10, 2000.

L.A. Rust, Inc. was the apparent low bidder. However, during conversations with L.A. Rust, their bid was based on the equipment belonging to them, not to the Town of Davie, as was required in the specifications.

Therefore, the Public Works Department recommends that the bid be awarded to Rust Removal Systems Inc.

Dear Dan:

This letter is in reference to our Bid that we proposed for the Town of Davie.

The Bid did not include prices for the Rust Control Inhibitor Systems. Our price was based on systems being the property of L.A. Rust, Inc. on loan to the Town of Davie.
