PRESS RELEASE

FOR IMMEDIATE RELEASE

On July 14, 2014, Yasmany Martinez (pictured below) sold an unwitting victim a 2011 Infiniti G37. Martinez produced identification to the buyer that identified him as Roger Mattew Fernandez 8-13-1986. When the buyer attempted to register the vehicle in Collier County, he was informed that the vehicle was possibly a stolen vehicle.

On July 17, 2014, the same buyer was contacted by Martinez who offered to sell another 2011 Infiniti G37. The buyer contacted police who made contact with Martinez. It was determined that the vehicle that Martinez was attempting to sell on the July 17, was stolen from Infiniti of Coconut Creek just hours before the sale was to happen. During this investigation, it was determined that Martinez had sold several vehicles, mostly Infiniti G37s, to unwitting persons. Additional charges are pending against Martinez.

If anyone recognizes Martinez as a person who sold a car to them, or he visited a car dealership recently, please contact Davie Police Detective Drake at 954.693.8200.
