

Community Redevelopment Agency Community Meeting

The Town of Davie Community Redevelopment agency will host a Community Meeting on Wednesday, November 16, 2016 at 6:00 p.m. in the Town Council Chambers, 6591 Orange Drive, Davie, FL 33314. The public will be updated on the Davie CRA's desire to develop a western themed Downtown Center.

The Davie CRA and the Town of Davie recently contracted with Redevelopment Management Associates (RMA) to establish a Public-Private Partnership (P3) proposal for the development of a Downtown Center for the community on the property currently owned by the Town of Davie and Davie CRA.

Representatives from RMA will be on hand to present an overview of the approach that will guide the Davie CRA and the Town of Davie through the process of selecting one or more partners to implement this project. As a part of the process, RMA is seeking input from interested stakeholders regarding the concept of a Downtown Center. This input will be utilized to help develop the criteria for the future private sector partners in this project.
