Advisory Committees & Other Meetings

The Town has a number of advisory boards and committees that provide recommendations to the Town Council regarding special program areas. To be appointed to a board or a committee, you must be a registered voter, a Town resident, or a Town business owner. If you are interested in volunteering your time by serving on any of the Town boards or committees, please contact Evelyn Roig, CMC, Town Clerk, Town of Davie, 6591 Orange Drive, Davie, FL 33314. Phone: 954-797-1026, Fax: 954-797-1087, or email: eroig@davie-fl.gov.

To see the schedule of other Town meetings, such as advisory boards, etc., visit our website at www.davie-fl.gov. Town Council Meetings are held at Davie Town Hall in the Council Chambers located at 6591 Orange Drive. All meetings are subject to change. Please check our website for the most up-to-date information, www.davie-fl.gov.

From the Desk of Mayor Judy Paul...

The Town of Davie is proud to sponsor the 2015 JCC Maccabi Games & ArtsFest. This Olympic-style sporting event will be held from August 9 to 14, 2015, and is hosted by the David Posnack JCC (5850 S. Pine Island Road, Davie, FL 33328). This is a significant event for Davie, as this competition is the second largest organized sports program for Jewish teens in the world. Over 5,000 Jewish teen participants and guardians will visit Davie as part of these festivities. The JCC Maccabi Games and ArtsFest provides a supportive environment where Jewish teens can interact in an atmosphere of fun, democracy, and peace, cultivate a deeper understanding of Jewish values, and enrich their identity.

Participants in the Maccabi Games have the opportunity to choose from several sports activities, including bowling, table tennis, tennis, and swimming; or they can choose to participate in one of the team sports activities, involving girls' volleyball or soccer and boys' basketball or soccer. Many of the sporting events will be held at the David Posnack JCC, Nova Southeastern University, and the Town of Davie Pine Island Park Bamford Fields. The Maccabi ArtsFest features a variety of

specialty workshops that incorporate community service, social activities, and themes of Jewish heritage, community, and Israel. Teens have the opportunity to choose from different specialties, including acting/improv, culinary arts, dance, musical theater, rock band, star reporters, visual arts, and vocal music/glee.

As a retired teacher who believes in the power of education, I started a scholarship fund to provide assistance to students who are interested in pursuing careers in public service. The Mayor's Scholarship Fund will provide two \$500 scholarships annually to graduating seniors who are interested in majoring and pursuing careers in the field of public safety, public administration, law, or any other public service-related field. This year, we received several applications. Along with the Town of Davie's Youth Education and Advisory Committee, I reviewed the scholarships and was very impressed with the caliber of writing and academics of the applicants. After reviewing the applications, we chose three recipients to receive this year's award. The recipients of the 2015 Mayor's Scholarship Fund are Angelina Leary, Dominick Reale, and Timothy Robert Conway. These students exemplify that you can achieve your goals with hard work and dedication.

While we are on the topic of education, I want to encourage students to participate in the upcoming Davie Public Affairs Academy. This program helps high school students recognize the role played by our local government and how the decisions we make help to shape and influence our community. The program is designed where one student is assigned to a department director and shadows that director with regard to their job functions on a daily basis. In addition, they will receive an introduction to local government initiatives, such as legislative affairs and budgeting. If the students have satisfied all the requirements, they will receive a certificate of completion, a letter of recommendation from the Department Director that they were assigned to, a Town lapel pin, and a Town of Davie shirt. The next Public Affairs Academy will be held in October 2015. For more information, please contact Matthew Mlodzinski at 954-797-1163, or email mmlodzinski@davie-fl.gov. This is truly an invaluable experience that exposes these students to the inner operations of our departments.

As an avid supporter of preserving the Town of Davie's rural character, I recently partnered with the Friends of the Davie Farm Park to launch a kickoff campaign for the Governor Leroy Collins Farm Park. The Farm Park is an initiative that is near and dear to my heart as I have always envisioned a multipurpose agricultural facility where members of the community can experience our unique culture firsthand.

The park, located on 84 acres in Western Davie, will be a one-of-a-kind facility that provides knowledge of youth and community programs, agriculture, nutrition, environmental education, and Davie's history. For more information about the Farm Park, visit www.daviefarmpark.org, email info@daviefarmpark.org, or like the Davie Farm Park on Facebook.

The Town of Davie, in partnership with Joana Bueno Productions, LLC, will host the Festival of the Americas and International Rodeo & Concerts on Saturday, September 26, 2015. The event will be held at the Bergeron Rodeo Grounds (4271 Davie Road). The festival will be held from 10 a.m. to 6 p.m., and the International Rodeo & Concerts will be held from 6 p.m. to 11 p.m.

The event will showcase traditional and international food, music, arts and crafts, and vendors from North, South, and Central America and the Caribbean. This event fits in with the rural lifestyle and western theme district of our Town. There are several sponsorship opportunities available. For more information, contact Matthew Mlodzinski at 954-797-1163 or mmlodzinski@davie-fl.gov.

The Hispanic Vote and the Cuban Americans for a Better Florida will host a domino tournament on Friday, September 25, 2015 at Robbins Lodge, 4005 Hiatus Road beginning at 7 p.m. For more information, email Stavros Moforis, smoforis@sentinelcasualty.com, Rafael Lopez, actionhunter@aol.com or info@thehispanicvote.org.

Thoughts and Comments from the Town Council...

Councilmember Bryan Caletka—District 1

954-797-1030

bryan_caletka@davie-fl.gov

Our neighborhoods have been experiencing an increase in noise from the Fort Lauderdale-Hollywood International Airport (FLL), especially after the South Runway expansion. The Town hired an independent consultant to work with the Broward County Board of Commissioners and the Federal Aviation Administration to help improve the living and working conditions of our residents and local businesses. The consultant will help to implement flight plans and procedures at the airport which will help in creating quieter skies throughout the Town.

National Night Out will be held on Tuesday, August 4, 2015. The event provides our residents and local businesses with a chance to have a one-on-one interaction with the Town of Davie's Police Department. At this event, our police officers have an opportunity to educate our residents about the various community programs and drug and crime prevention initiatives, among other topics.

In an effort to better serve our residents, we are proposing route changes to the Green and Blue Bus routes. Our plans are to have the Green Bus start and end at different times and add stops to Walmart and King's Manor Mobile Home Park. We are also continuing to explore the feasibility of adding a second Green Bus to this route. There will also be changes to the Blue Bus route: the plans are to have one bus start in the communities and then go to Shenandoah Plaza, while the other bus will start at Shenandoah Plaza and then go through the communities.

Flashback Diner & Coffee House will be expanding its current business to the adjoining site where the old McDonald's building was located on Davie Road. The new site will host a coffee shop and bakery. I am very happy to see the downtown area experiencing this additional economic growth.

Vice Mayor Susan Starkey—District 3

We are actively working on the Fiscal Year 2016 Budget. Town Administrator Richard J. Lemack has presented Town Council with a balanced budget. Several Budget Workshops and Hearings will be held to inform our residents about the proposed budget. For more information about upcoming Budget Workshops and Hearings, visit the Town of Davie website at www.davie-fl.gov.

I am proud to welcome the Davie's first emergency room, the Westside Regional Medical Center Emergency Services facility at Nova Southeastern University. I had the opportunity to tour this state-of-the-art facility that provides advanced medical care and includes a full-service laboratory, board-certified emergency physicians, expert emergency trained staff, kid-friendly care, ultrasound, a 64-slice CT scanner, and array of additional services.

I have been working with Town staff to launch the Town of Davie #SaferBy4 Campaign. #SaferBy4 is an initiative that is aimed at helping children reach their 4th birthday. There are two components of the campaign: drowning prevention and safe sleeping practices. To target drowning prevention, the Town has initiated a Mommy and Me swimming class where parents and their infants can learn basic water safety skills. We also have several training opportunities for Town staff and members of the public to get training on how they can help to reduce the number of children who are at risk because of unsafe sleeping practices. As a mother and grandmother, the #SaferBy4 campaign is an initiative that is near and dear to my heart, and I will continue to work to bring awareness of this problem. See page 12 for additional details.

Finally, the Town is the new home of the iFly Indoor Skydiving experience. The Town Council recently approved the iFly site plan for the Plaza at Davie on SR 84 and Hiatus Road. The facility's footprint is 5,000 square feet, but will rise nearly six stories to accommodate indoor skydiving. Have a safe, healthy, and active summer. It is my sincere honor to represent you!

I recently had the honor of attending the International Peace Council United States of America (USA) Grand Achievers Conference in Washington, D.C., where I received the 2015 Grand Achievers Award. The International Peace Council USA partners with community leaders from around the world to promote and foster synergy throughout the communities.

The conference is held annually to recognize the contributions that individuals have made in their community through education, culture, economic interactions, and celebrating achievement. As a committed Councilmember and Davie resident, I will continue to provide the same level of service and continue to work diligently for the betterment of our Town.

The Town of Davie continues to participate in the Honor Flight South Florida – One Mission. I was recently notified that I was selected by the Honor Flight organization to be a guardian on a flight in Fall 2015. I am very excited that I will have the opportunity to serve those individuals who have been instrumental in our fight for freedom.

The Concerts in the Park series continue to be a huge success. The concerts are now held year-round in its new location, in the band shell at the Old Davie School Historical Museum, 6650 Griffin Road. The concerts are held the second Thursday of each month from 6 to 9 p.m. Come out and enjoy the live bands and food trucks.

I am inviting all residents to attend the Independence Day Fireworks and Family Fun Day that will be held on Saturday, July 4, at Pine Island Park, 3801 S. Pine Island Road. As we are celebrating this July 4th, please follow safety procedures when using fireworks. In addition, be cognizant of people, animals, equines, and other pets that might be susceptible to the sounds of the fireworks. I hope to see you at the event!

Councilmember Marlon Luis—District 4

The Town Council recently passed a zoning ordinance that addresses multiple zoning issues, including airport uses. The ordinance prohibits public and private airports of all types within the Town boundaries, but provides a minimal exception for aircraft use related to bona fide agricultural purposes on a minimum of 30 acres. The ordinance also allows Town Council to approve, by Special Permit, a heliport/helistop as an accessory to a

hospital or public emergency service agency. I want to thank the residents who came out to the Town Council meetings and expressed their thoughts regarding this matter. Your feedback is appreciated.

The Town Council recently approved a textile recycling and collection franchise agreement with Florida Textile Recycling Programs. This agreement provides for the strategic placement of textile recycling bins to ensure they are accessible to residents. The Town will receive an annual revenue of \$100,000 that will be utilized to continue the Town's Community Endowment Grant Program. Through this grant, the Town provides funding to nonprofit agencies, such as EASE and Hope Outreach, that assist Davie residents on a daily basis. For the July 4th festivities at Pine Island Park, there will be a textile recycling truck on-site to collect your textile goods. For more information about the Textile Recycling Program, see the back page of this issue.

Summer is the time to relax and enjoy time outdoors. Whether you are going to the pool, beach, or park, I want to remind our residents to properly hydrate if you are going to be out in the sun for long periods of time. I also encourage you to limit prolonged direct exposure to the sun and utilize sun block to minimize skin damage.

Have a safe and fun summer!

Hurricane Preparedness

Hurricane season began June 1 and ends November 30. Please stay prepared throughout the season. Remember that while the Town, county, state, and federal government have various responsibilities to residents, the members of each family must prepare to take care of themselves for at least five days. The following information will help to guide you in the preparation process.

Have a Plan

- Hold a family meeting and discuss your plan with the entire family. Children need to know the things that you are doing to make them safe.
- Discuss whether you will need to evacuate. All mobile homes are considered to be in an evacuation zone and if the order to evacuate is given, then all Davie residents who reside in mobile homes must comply.
- Ensure that your assets are protected. Inventory your home possessions and videotape, record, or photograph items of value. Review your insurance policy.
- Assess your home for vulnerable areas. Do a walk-through of your home and property to evaluate your roof, windows, garage door, landscaping, etc., to determine what actions you will take.
- Make a plan to protect your vehicles.
- Secure your home and decide what actions you will need to take to protect your home and property. Be sure to move all trash and recycle cans indoors. Garbage and recycling trucks will stop running when sustained winds reach 45 mph. Davie Community Buses stop running when sustained winds reach 35 mph.
- Register ahead of time for those with special needs at the special-needs shelter.
- Make plans for pets.
- Gather supplies. Determine your family's food, water, medical needs, and assemble your hurricane kit.
- Notify others of your plan. Let friends or family know your hurricane plan so that they can check on you in the aftermath of the storm. Establish an out-of-town contact.

In the event of a hurricane or other emergency, some residents are required to evacuate their homes. This can be especially difficult for residents who are disabled, have special medical needs, or who are otherwise vulnerable during an emergency. To the extent possible, shelters provide residents with a safe place to stay and basic assistance to help them get through the emergency. Residents who must evacuate their homes have several options to consider:

Option One – Stay with Family or Friends Outside the Evacuation Zone

If you must evacuate your home, either because you live in an evacuation zone, you live in a mobile home (in the event of a weather emergency), or you feel unsafe in your home, your best choice is to stay with family or friends in a location outside the evacuation zone. This is where you will be most comfortable.

Option Two – Make Reservations at a Hotel Outside the Evacuation Zone

Option Three – Stay in a Mass Care Shelter

American Red Cross Mass Care Shelters provide a basic level of care and are open to all. No preregistration is required. If you have a self-managed health condition or disability, you will likely be able to shelter comfortably in a mass care shelter. When you arrive at the shelter, be sure to tell shelter personnel what your needs are. If you need transfer assistance, sign language interpretation and other auxiliary aids, or a quiet zone for a cognitive disability or mental health need, call 954-831-4000 or TTY 954-831-3940, for the most updated information. Fox Trail Elementary School, 1250 Nob Hill Road, Davie, is a designated American Red Cross Shelter.

Option Four – Stay in a Special Medical Needs Shelter

If you have a medical condition that requires a greater level of care than that provided at a mass care shelter, but you do not require hospitalization, a Special Medical Needs Shelter may be appropriate for you. These shelters offer basic medical assistance and monitoring. They are staffed by qualified medical personnel and have backup electricity for limited lighting and essential medical equipment. Family members and caregivers are encouraged to accompany residents with special medical needs. Preregistration is encouraged for planning and response purposes, but not required. Call the Broward County Human Services Department at 954-357-6385 (TTY 954-357-5608) for an application or for any questions you may have.

Option Five – Stay in a Hospital or Other Medical Facility

If your medical condition exceeds the level of care provided at a special medical needs shelter or you require hospitalization or one-on-one care, we recommend you work with your physician or medical provider to arrange the safest shelter option for you, which may include a hospital or other medical facility.

Red Cross Pet Shelter

A pet-friendly shelter operated by the American Red Cross and the Broward County Humane Society is available to residents with pets that either live in an evacuation area or in a mobile home anywhere in Broward County.

Preregistration is required. To register, call 954-989-3977.

Your safety is our top concern. Early warning helps save lives and property. That's why the Town of Davie wants to make sure that you know about emergencies and disasters as they happen.

The Town of Davie uses the Everbridge SmartGIS System to let you know about issues that may affect your safety. The Everbridge System will allow the Town of Davie to contact thousands of residents in seconds so that you can find out about an emergency right away.

The Everbridge SmartGIS System can deliver messages to you in any way you want—on your home phone, cell phone, or by email. This way, we can reach you in any emergency. We may also use the system in nonemergency situations to let you know about important Town-related events, such as meetings and road closures, if you choose to register for that feature.

The process begins when the Town issues a message about a potential safety hazard or concern. Messages will be sent to all standard voice and text communication devices, including listed landline phones, cell phones, and emails. If you don't confirm receipt of the message, the system will try to reach your second contact number or email. The system will continue to try to contact you until it receives a confirmation from you.

Your help is critical.

The success of this service relies on you. Having your latest contact information is the only way to ensure that we can contact you in an emergency. Please register your contact information as soon as possible. Registering is easy and only takes a few minutes. Visit www.davie-fl.gov, and click on the Davie Citizen Alert Button on the front page.

Thank you in advance for your cooperation and participation in this important program. For questions, please contact Public Relations Coordinator Anita Reid at areid@davie-fl.gov, or call 954-797-1102.

DAVIE OFFERS LARGE ANIMAL HURRICANE RELEASE PROGRAM

The Town of Davie is currently accepting preregistration applications for a Temporary Release Program for large animals. The Town will open a neighborhood center to serve as a holding area before and during a hurricane or natural disaster. In order to qualify for the temporary release program, you must be a Davie resident or your horse must be boarded in or live in Davie.

Once a hurricane warning has been issued, the site will open for preregistered horses only. This site will reopen to retrieve your horses when the winds have subsided to a minimum of 40 mph. You are encouraged to visit the site for yourself before completing your preregistration form to determine whether you feel it is safer than your current situation. Remember, this turnout site is for Davie residents, or your horse must be boarded in or live in Davie.

The cost for the program is \$40 per horse. This fee must be included with your preregistration. Preregistration forms are available by contacting Matthew Mlodzinski at 954-797-1163, or mmlodzinski@davie-fl.gov, or by downloading an application and other important information by visiting the Town of Davie at www.davie-fl.gov, and clicking on Hurricane Information.

By Development Administrator Phillip R. Holste

Congress created the National Flood Insurance Program (NFIP) in response to the rising cost of taxpayer-funded disaster relief for flood victims. The NFIP makes federally backed flood insurance available in communities that agree to adopt and to enforce floodplain management ordinances to reduce further flood damage. In addition, the NFIP's Community Rating System (CRS) rewards community floodplain management activities that exceed program standards with flood insurance premium discounts for that community.

The Town of Davie has participated in the CRS program since 1992. Through the annual accreditation process, the Town is a Class 7 community, which gives Davie residents living in a Special Flood Hazard Area (SFHA) a 15% discount on their flood insurance. Residents living in a non-SFHA zone receive a 5% discount.

New FEMA Flood Maps Effective August 18, 2014

The Federal Emergency Management Agency (FEMA) flood maps became effective on August 18, 2014.

Residents and businesses in the Town of Davie are encouraged to view the flood maps to better understand their potential flood risk and to help identify steps they may need to take to protect against property damage and loss.

The flood maps can be accessed from the internet on the Town of Davie home page found at <http://www.davie-fl.gov> by clicking on the link in the HOT TOPICS section of the page on the link entitled "FLOOD MAPS".

Should you have any questions or concerns regarding the new flood maps or need assistance determining your flood risk, do not hesitate to contact the Engineering Division at 954-797-1113.

Local Flood Hazard

A large portion of the Town of Davie is located within an environmentally sensitive drainage region known as the C-11 basin. The storm water runoff for this basin flows through secondary canals into the C-11 canal. For areas east of Nob Hill Road, the C-11 canal drains into the Atlantic Ocean. For areas west of Nob Hill Road, runoff is pumped into the Everglades.

The most recent demonstration of Davie's flood hazard occurred during Hurricane Irene in 1999. Davie received extensive rainfall that inundated the drainage system. In response to this event, the Town made drainage improvements in Green Acres, Little Country Estates, Oak Hill, Orange Park, Playland Village, Royal Palm Estates, Sequoia Estates, Silver Lake, Sunnyland Farms, Sunshine Village, and Vista Filare.

The Town Council has commissioned a stormwater master plan to review the Town existing drainage infrastructure and determine the future needs of the system.

Flood Insurance

Standard homeowner's insurance policies do not cover losses due to floods. Flood insurance is available to any owner of insurable property (a building or its contents). Renters may also insure their personal property against flood loss. The average annual premium for flood insurance is \$420. The actual cost will vary depending upon the amount of coverage and the degree of the flood hazard. Residents can purchase policies up to \$250,000 for their homes and \$100,000 for contents. Nonresidential structures can be protected up to \$500,000 for the structure and \$500,000 for contents. We urge people who live or own property in flood-hazard areas to purchase flood insurance to protect themselves from losses due to flooding. There is a 30-day waiting period before NFIP coverage takes effect. Please note that flood insurance is required for properties with a federally backed mortgage. This insurance is especially poignant since there is a 26% chance of experiencing a flood during the life of a 30-year mortgage.

Flood Safety

You should consider the following to minimize loss to your home and to ensure your family's safety.

What Should I Do Before A Flood?

- Take photos or videos of your important possessions.
- Post emergency telephone numbers by the phone, and teach children to dial 911.
- Plan and practice a flood evacuation route with your family.
- Establish an out-of-state "family contact person" and assure that everyone in your family knows that person's name, address, and phone number.
- For drains, toilets, and other sewer connections, install backflow valves or plugs to prevent floodwaters from entering.

What Should I Do During A Flood?

- Fill bathtubs, sinks, and jugs with clean water.
- Listen to a battery-operated radio to keep you informed.
- If instructed, turn off all utilities at the main power switch and the main gas valve.
- If told to evacuate your home, do so immediately.
- If waters start to rise inside your house, retreat to the highest floor, attic, and, if necessary, the roof.
- If you've come in contact with floodwaters, wash your hands with soap and disinfected water.
- Avoid walking through floodwater; as little as six inches of moving water can knock you off your feet.
- Do not drive through a flooded area. If you come upon a flooded road, take another route.
- Stay away from downed power lines or electrical wires.
- Look out for animals.

What Should I Do After A Flood?

- If your home has suffered damage, call your insurance agent.
- Take photos of any water in the house, and save damaged personal property for insurance purposes.
- Check for structural damage before reentering your home, and do not enter if a portion of the building has collapsed.
- Upon reentering your property, do not use matches and cigarette lighters since gas may be trapped inside. If you smell gas or hear hissing, open a window, quickly, and call the gas company from a neighbor's home.
- Keep power off until an electrician has inspected your system for safety.
- Check for sewage and water line damage. If you suspect damage, avoid using the tap, and call a plumber.

- Throw away any food – including canned goods – that has come in contact with floodwater.
- Until local authorities declare your water supply to be safe, boil water for drinking and preparation.

Property Protection Measures

Property protection measures, including retrofitting, should be taken with the onset of a flood or if your home is susceptible to flooding. If flooding is likely and time permits, move essential items and furniture to the upper areas of your home.

Keep materials like sandbags, plywood, plastic sheeting, and lumber handy for emergency waterproofing. This action will help to minimize the amount of property damage caused by floodwaters.

Retrofitting involves the modification of surrounding terrain and your home to reduce the risk of flooding. Surrounding terrain modifications include the installation of an earthen berm or small floodwall.

Home modifications include raising the home, waterproofing the walls, and elevating electrical panel boxes, furnaces, water heaters, and washers and dryers to locations less likely to be flooded. If you need property protection or retrofitting advice, please contact the Engineering Department at 954-797-1113.

FEMA grants can be obtained to assist residents in retrofitting their homes. For more information, contact the Engineering Division at 954-797-1113, or visit www.FEMA.gov.

The Town of Davie is an area subject to tropical storms and hurricanes. Homeowners should mitigate for high winds. These mitigation measures include the installation of storm shutters, shatter-resistant windows, and reinforced garage doors. Please visit Floridadisaster.org to get information on strengthening your home. Residents can also obtain local hurricane info by clicking the “Hurricane Information” link under Links For Residents on the Town’s homepage.

Natural and Beneficial Functions

State regulations protect those natural areas that help to reduce the risks associated with flooding. When portions of floodplains are preserved in (or restored to) their natural state, they provide many benefits to both human and natural systems. In particular, the Everglades Aquifer, which provides drinking water to the South Florida area, benefits from the preservation of natural areas. These benefits range from providing aesthetic pleasure to reducing the number and the severity of floods, to helping handle storm water runoff and minimizing non-point water pollution. Nonpoint is the opposite of a direct pipe or point pollution discharge. For example, by allowing floodwater to slow down, sediments settle out, thus maintaining water quality. The natural vegetation filters out impurities and uses excess nutrients.

Flood Warning System

The Broward County Office of Emergency Management, in coordination with the National Weather Service, relays updates of threatening weather to government and media outlets. Flood warnings or watch advisories are issued through local radio and TV stations. These advisories are broadcast on radio (including WIOD 610 AM and WFTL 1400 AM), television (including WFOR–Channel 4, WTVJ–Channel 6, WSVN–Channel 7, and WPLG–Channel 10), and other media outlets.

The Town also has an information hotline that provides details on advisories relating to emergencies, including hurricanes. This hotline is updated as necessary and can be reached at 954-797-1122.

Floodplain Development Permit Requirements

The Town of Davie has adopted regulations on floodplain development. The regulations control the alteration of the natural floodplains; prevent or regulate the construction of flood barriers which will unnaturally divert floodwaters or which may increase flood hazards in other areas; restrict or prohibit uses which may result in damaging increases in erosion or in flood heights or velocities; and control filling, grading, dredging, and other development which may increase flood damages.

Davie regulates development through the review process whereby building and engineering permits are required prior to construction, filling, or otherwise altering the natural elevations of a site. Prior to commencing site development or construction work, it is recommended that the Engineering Division be contacted at 954-797-1113. To report illegal floodplain development, please contact the Engineering Division.

Elevation certificates are required as part of the permitting process for all newly constructed or substantially improved buildings in Davie. The certificate documents the base flood elevation (BTE) of new buildings and is available to any inquirers. To find out if an elevation certificate has been completed for your property, call the Building Division at 954-797-1111.

Substantial Improvement/Damage Requirements

According to the Davie Building Code, a substantial improvement is defined as “any repair, reconstruction, or improvement of a structure, the cost of which equals or exceeds 50% of the market value of the structure before the repair is started or if the structure is damaged and is being restored before the damage occurred.” Substantially improved buildings must meet the same construction requirements as a new building. Similarly damaged buildings, where repair will cost 50% or more of the original building value before the damage occurred, must be brought up to current building code and floodplain management regulations. The floodplain management regulations include that the lowest finished floor must be at or above the BFE. The Town building officials make the determination as to whether a structure is considered substantially improved or substantially damaged.

Drainage Systems Maintenance

The Town is served by a manmade system of primary and tributary canals and swale areas that were constructed originally to drain the Everglades and now accommodate the flow of water for storm water management purposes. These drainage features are critical to the success of water management practices which are incorporated into the development review process. State law prohibits dumping or unauthorized obstructions or alterations of the drainage canals or swale areas. Illegal dumping can lead to clogged swales and canals that will not properly carry water away during a rain event. To report illegal dumping, please contact Code Compliance at 954-693-8237.

The Town's canal system is maintained on a regular basis by the local drainage districts. These districts include the Central Broward Water Control District, the South Broward Drainage District, the South Florida Water Management District, and the Tindall Hammock Drainage District.

The Public Works Department conducts an annual inspection of the drainage system to ensure proper maintenance. To report a drainage problem, residents can contact the Public Works Department at 954-797-1240 or can access the Town's Citizen Support Center by clicking "Talk To Us" on the Town's website, www.davie-fl.gov.

More Information

Visit FloodSmart.gov and Ready.gov for additional flood-related information, including a list of flood insurance companies in the state of Florida, processing of filing a letter of map revision, property protection measures and flood-safety tips.

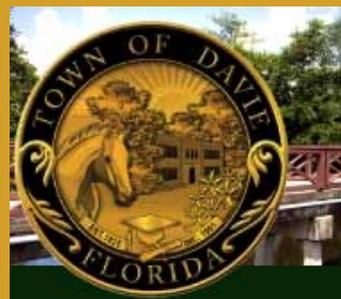

The Town's flood information library is located at the Davie-Cooper City Library, 4600 S.W. 82nd Avenue, Davie, FL 33328. The library can be reached at 954-680-0050 or browardlibrary.org. This library contains FEMA publications, Flood Insurance Rate Maps (FIRMs), and other flood-related documents. Residents can access the Town's flood website by clicking on the "Updated Flood Hazard Information" link on the Town's homepage, www.davie-fl.gov. Safe Sleep

Safe Sleep For Your Baby

Here are 10 ways that you can prevent your baby from dying from an accidental sleep-related death:

1. Always place your baby on his or her back for each and every sleep.
2. Place your baby to sleep alone in a crib, bassinet, or pack-n-play on a firm mattress with a tight-fitting crib sheet.
3. No pillows, toys, bumper pads, loose bedding, or blankets in the baby's crib.
4. Do not allow smoking around your baby.
5. Do not allow your baby to sleep in bed with you, other adults, or children.
6. Your baby should sleep in the same room with you.
7. Do not allow your baby to overheat. Dress your baby as you would dress for the day.
8. Offer your baby a clean, dry pacifier when placing baby down for sleep.
9. Breastfeeding is best for your baby. It has many health benefits for mother and baby.
10. Make sure anyone caring for your baby knows that your baby only sleeps **A**lone on his or her **B**ack in a **C**rib (**follow the ABCs**).

Help Children Reach Their Fourth Birthday #SaferBy4.

For more information:
www.MyFLFamilies/safesleep

The Town of Davie is participating in the #SaferBy4 campaign in an effort to reduce preventable child deaths. Too many children have died before their fourth birthday due to unsafe sleeping practices or drownings.

The #SaferBy4 campaign is designed to help children reach their fourth birthday. There are two components of the #SaferBy4 campaign: water safety (drowning prevention) and safe sleep practices for infants.

Drowning Prevention

Layers of Protection To Prevent Drownings

Supervision: Make sure that someone is always actively watching the water when a child is in the pool. Assign a “Water Watcher” to ensure that a responsible adult is supervising the child.

Barriers: Children should never have accessibility to water without being accompanied by an adult. Have several barriers (in case one fails) to physically block a child from a pool. Barriers include door alarms, pool fences, self-latching gates, child-proof locks, and pool covers.

Emergency Response: Early activation of EMS, CPR, and Rescue Breathing can mean the difference between life or death. Keep a phone by the pool, and learn CPR and Rescue Breathing.

Town of Davie Swim Lessons

Mommy and Me Swim Classes are for children 6 months to 3 years of age. Classes are geared to help young children get ready to swim and for water safety. This class will emphasize fun in the water, elementary swimming skills, including water entry, bubble-blowing, kicking, floating, and underwater exploration.

Preschool Swim Classes are for children ages 3 to 5 years old. Children learn water safety, survival skills, and foundational swimming concepts in a safe environment. Fundamental skills like kicking and coordinating arm and leg movement are introduced.

Please call 954-327-3927 or email rkelvos@davie-fl.gov for class schedules.

Davie Fire Rescue

Join the Davie Community Emergency Response Team (CERT)

The Davie Fire Rescue Department offers free training for the Community Emergency Response Team (CERT) to anyone who lives or works in the Town of Davie and who is over 18 years old. Classes meet from 6 to 8:30 p.m. for eight weeks at the Davie Fire Administration Building located at 6901 Orange Drive. You must register before the class begins. The next class is starting in September. Congratulations to the most recent CERT class (in the photo).

The CERT program educates people about disaster preparedness for hazards that may impact their area and trains them in basic disaster response skills, such as fire safety, light search and rescue, team organization, and disaster medical operations. Register online at www.davie-fl.gov, or contact Assistant Chief Julie Downey at jdowney@davie-fl.gov.

Sign up for CPR/AED Classes

Adult, Child, and Infant CPR/AED (cardiopulmonary resuscitation/automated external defibrillation) training is offered the first Wednesday of each month at the Davie Fire Rescue Administration Building, from 6 to 10 p.m. The course fee is \$30 for residents and \$35 for nonresidents. Call 954-797-1213.

Each of the Davie Dashers programs are designed with three main facets: (1) Run Training, (2) Nutrition and Wellness, Coaching, and (3) overall Health for Life Concepts.

The Recreational Club Team is open to youth ages 5 to 15 and meets twice weekly on Mondays and Thursdays. Participants learn beginners' running and fitness concepts. The monthly fee is \$40 and includes two Davie Dashers T-shirts.

The Competitive Club Team is open to youth ages 5 to 15 and meets on Mondays, Wednesdays, and Thursdays. This is a year-round competitive program designed to take the athlete from local 5K races to 10K or half-marathon national championships. The monthly fee is \$65 for running and \$30 for strength training and includes two Davie Dashers T-shirts.

Children will receive program shirts and will have an end-of-program pizza party. For more information, call 954-327-3941 or 954-797-1145.

Coaches' Background Screenings

All persons interested in volunteering in the Town of Davie sports programs must adhere to the following process to be considered. This includes coaches and assistant coaches. Please contact Mary Ann Salser at 954-797-1146 to set up an appointment. A volunteer application and a copy of your driver's license will be required. Livescan fingerprinting must be completed prior to the start of the season if you wish to volunteer. If you have any questions, please contact the Sports Coordinator at 954-327-3928. Only properly screened volunteer applicants will be considered for coaching positions.

Town of Davie Facility Rentals

The Davie Parks, Recreation & Cultural Arts Department is proud to have a variety of park facilities available for rent to the general public. We have rooms located at Pine Island Park Multipurpose Center, as well as Shenandoah and Ivanhoe Centers, and the ever popular Robbins Lodge. Room capacity ranges from 25 to 110 people for meetings and special events, such as birthday parties, baby showers, and weddings. For those who wish to enjoy an outdoor gathering in a Town park, we have picnic shelters at Betty Booth Roberts, Driftwood, Silver Lake, Wolf Lake, Bergeron, Oakhill, Robbins, and Waterford Parks. These shelters can accommodate 25 to 90 people. Advanced reservations are encouraged and can be made up to six months in advance for picnic shelters. Our room rentals can be made up to one year in advance. Please call early to reserve the date for your event. For more information, please go to www.davie-fl.gov, or call 954-797-1147 Monday-Friday, 8:30 a.m. to 5 p.m.

Park Rangers

Park Rangers are on duty between the hours of 7 a.m. and 11 p.m., Monday through Sunday. They are available to answer concerns and questions you may have while utilizing the Town of Davie recreation facilities, which include parks, trails, playgrounds, picnic shelters, sports fields, restrooms, tennis courts, basketball courts, and community recreation buildings.

Call 954-275-8504 to report vandalism, dogs off leashes, and any other park concerns to the Park Rangers. Your cooperation is appreciated and will help keep our parks safer and cleaner.

Pickleball in the Town of Davie

Pickleball is one of the fastest-growing recreational sports in America. In Florida alone, there are over 10,000 pickleball players. The sport is extremely popular with seniors ages 50 plus as an alternative to tennis and table tennis. The court is about one-third the size of a tennis court, and players can easily move to get to the ball. The game is played with a pickleball paddle, a 20-foot-long and 34-inch-high net, and a plastic ball. The game is played either as singles or doubles. Don't miss out on playing the hottest new sport court game! To get a better idea of what the game is about, search YouTube for Pickleball.

Weekly Scheduled Open Play

Weekly scheduled open play is on Tuesdays and Thursdays from 5 to 9 p.m. and Saturdays from 8 a.m. to noon. Usually there are 15 to 25 players from around Broward County who play pickup games. Six permanent courts are available. Everyone is welcome, even individuals who have never played the game. Current players are happy to help new players learn the fundamentals of playing pickleball. If you are even slightly curious about this game, stop by and check it out. You will be glad you did. Paddles may be checked out from the Pine Island Multipurpose Center.

Wednesday Night League Play

The Town of Davie offers a Coed Pickleball League every Wednesday night. The league usually runs for 8 weeks using a round-robin format, and all matches are played at 6 p.m. and 7 p.m. Each match is a best of three games. Registration is \$25 per person and includes a league T-shirt. A new league is formed about every 8 weeks. To find out more information on when the next league is starting, please call 954-327-3929.

Drop-in Play

The Town of Davie has six permanent outdoor courts which are available daily from 9 a.m. to 9 p.m., except during Weekly Scheduled Open Play or League Play. Just bring your own paddles and balls. Leagues and tournaments are offered throughout the year. For more information, call 954-327-3941. There is no fee to use the courts.

Dog Training Classes

The dog training classes are held at Robbins Lodge and Waterford Park. Dogs must be at least 4 months old and current on distemper and parvo (DHPP) and rabies vaccines.

Please contact Helen Verte Schwarzmann at lovewagsatail@gmail.com to register.

Classes include Hold Your Horses, The Awesome Dog, Tricks and Games, Agility Light, GS.T.A.R. Puppy and Canine Good Citizen.

Men's Softball and Coed Softball Leagues

Games are Tuesday nights at Bamford Sports Complex. The cost is \$480 per team which includes 12 games plus playoffs.

Please call 954-327-3944 for more information.

Davie Water Aerobics

The water aerobics program, conducted by Dana, is a high-energy, low-impact class performed in the water to music. This total body workout improves muscle strength, flexibility, and endurance, and provides an efficient cardiovascular workout. Our classes are designed to accommodate both the beginner as well as the experienced swimmer. No swimming skills are needed for this shallow-water workout. Classes are held weekday mornings and evenings as well as on Saturdays. Please call Dana at 954-797-7387.

Aqua Kids

Water aerobics for children is an ideal way to help your child get fit through exercise, fun, and games. The minimum height requirement is 4 ft. tall, and children must be comfortable in the water. Classes are held on Saturday mornings. Please call Dana at 954-797-7387 for more information.

Deep Water Aerobics

A perfect way to work out with zero impact to bones and joints is by performing a variety of exercises and deep-water running techniques while wearing a flotation belt. Please call Dana at 954-797-7387 for more information.

Davie Scuba Classes conducted by Divers Cove

Have you ever wondered what it's like to breathe under water? Want to discover the joy of scuba diving? If you're interested but aren't quite ready to take the plunge into a certification course, Discover Scuba Diving will let you try scuba to see if you like it. While not an actual scuba certification, during the Discover Scuba Diving experience, you will learn how to use scuba equipment in shallow water and get a quick-and-easy introduction to the underwater world.

To take Discover Scuba Diving, you must be at least 12 years old. Classes are free. Please call 954-473-1220 to preregister for the next class.

Open Water Diver Course

The Open Water Diver course consists of three main parts:

1. Knowledge development to learn the basic principles of scuba diving through home study and classroom.
2. Confined water dives or pool dives to learn basic scuba skills at Pine Island Pool.
3. Open water dives to review your skills and explore the "world below."

Please call 954-473-1220 to register for the next scheduled class.

**New Clothing & Shoes Recycling Program
 Making a Local Difference**

The Town of Davie is pleased to announce the commencement of recycling clothing, shoes & textiles in support of the Town of Davie Community Endowment Fund. The town's leaders showed true forward thinking and a passion for the environment when they approved the clothing recycling program.

The bright white Clothing Recycling Bins are easily identified by the Town of Davie logo (as pictured below) and are placed at popular locations throughout the Town. The Bins provide residents with many convenient places to drop off their clothing and shoes, while assisting the Town of Davie in this Green Effort.

These Bins are pulling double-duty on a local level

Not only are they helping the environment by keeping clothing, shoes and textiles out of our local landfill, they also help fund 12 local organizations through the Town's Community Endowment Fund. So, the next time you see one of the Town's Clothing Recycling Bins, give it a big thumbs-up for working so hard.

So what are you waiting for? Let's fill the Bins!

The next time you clean out your dresser, closet, garage or storage unit, be sure to gather the clothes and shoes you want to recycle and drop them off at a Bin near you. You can find a complete list of the drop off locations online at DavieClothingBins.com. The bins are open 24/7/365 for your convenience.
