Nominations for the “Greening Your Scene” Award should include this form and a description of the project or initiative that you are nominating. Self-nominations are welcome. Completed applications can be submitted via email (see contact information on left). The deadline for submissions is Friday, July 27th 2012 (tentative).

The Town of Davie is committed to ensuring the sustainability of our community's resources and environment. From the preservation of the Town's rural heritage and to raising awareness about climate change, community-wide action is necessary to fulfill this important goal. In 2007, the Town formally adopted a resolution outlining its commitment to sustainability and began the development of a Sustainability Action Plan. In 2011, the Town achieved the important objective of receiving a Silver designation from the Florida Green Building Coalition. This year, the Town inaugurates a new initiative meant to honor individuals and groups (including businesses) who are pioneering “green” projects within our community.

Areas of consideration can include: Green Building Design, Renewable Energy/Energy Efficiency, Solid Waste Reduction/Composting/Recycling, Transportation Options, Water Quality and Conservation, Climate Change, Sustainable Landscaping, Provision of Green Products/Services, Local Food Systems, Environmental Preservation, Pollution Prevention/Reduction, Natural Resource Restoration, Invasive Plants Control, Clean-up and Beautification, Education and Awareness
