3. APPROVAL OF MINUTES

3.1 July 8, 2015 Meeting Minutes

Motion made by Ms. Davidson, seconded by Mr. Bender, to approve the July 8, 2015 Meeting Minutes. In a voice vote, the motion passed unanimously.

4. PUBLIC HEARING

4.1 LA(TXT) 15-204 Commercial Height
Townwide

Mr. Quigley stated that this matter was related to the Aloft along the I-75 corridor, which had been originally proposed as a 4-story hotel. Subsequently, the site plan was submitted for a 5-story hotel creating a conflict with the Comprehensive Plan. A previous text amendment created a provision for Town Council to approve a greater height with distance separation requirements; however, it only applied to the parcels adjacent to I-595. The concept was to include properties to the west of I-75 alleviating, concerns about potential unwanted development.

Approval would create a provision allowing 70 feet in height also along I-75 to the west, but still require site-specific approval, including public participation meetings.

Motion made by Mr. Bender, seconded by Ms. Davidson, to approve. In a roll call vote, the motion passed 3-0 as follows (with Chair DeArmas and Mr. Cory absent): Ms. Davidson, yes; Mr. Bender, yes; Acting Chair Jacob, yes.
