

BULK WASTE COLLECTION:

Bulk pickup will occur once per month on one of your scheduled garbage collection days. Refer to the map on this document for your service day.

BULK WASTE REQUIREMENTS:

- Bulk service includes the collection of up to 15 cubic yards per residence at no additional charge. Fifteen cubic yards is approximately the size of a standard car or 15' long by 7' wide by 4' deep.
- Tree limbs and trunks shall not exceed 5' in length or 75 lbs in weight.
- Palm fronds do not need to be cut.
- Up to 15 cubic yards will be collected. Bulk in excess of 15 cubic yards will not be picked up and will result in an additional charge of \$13.07 per cubic yard plus franchise fee: total \$15.62 per cubic yard.
- Items that cannot be picked up by a claw truck, such as piles of leaves, small piles of twigs, or other loose material, must be placed in plastic bags of sufficient strength that can be safely lifted without breaking and do not weigh more than 50 lbs. Loose items will not be picked up.
- For safety reasons, mirrors, glass, glass tabletops, windowpanes, and plate glass items should be safely placed in a rigid container to facilitate safe collection.
- Bulk trash can be picked up anytime between 7:00 AM and 7:00 PM on your designated date of the month. Please call 954-797-1045 on the first business day after missed bulk pick up.
- Bulk piles should be placed in a location that facilitates the safe collection with an overhead clam truck.

BULK ITEMS MAY INCLUDE: (but not limited to)

- Furniture, mattresses, carpets, and other household items
- Rock, asphalt, tar, gravel, tile, roofing materials and other earthen materials placed in a hard bottom container
- Wire and cable
- Large and small appliances
- Refrigerators or air conditioners must have Freon removed by a certified hazardous waste dealer.
- Yard waste that meets the bulk waste requirements described above

SPECIAL TIPS:

- If you don't want to pay for extra service, do not put out more than 15 cubic yards.
- If the pile exceeds this amount, only 15 cubic yards will be picked up and the remainder will be tagged and photographed.
- You will have one week to remove the excess bulk from your swale or it will become a code violation.
- To have the excess tagged items removed and to avoid a code violation, you may:
 - a) Call Waste Management at 954-974-7500 for a special pickup for \$13.07 per cubic yard plus franchise fee, total \$15.62
 - b) You may also use your green roll-out cart to supplement your disposal needs
 - c) Remove tagged items from the swale and put out with the next month's pickup
 - d) Call a landscape company to remove the remaining yard waste
 - e) Take debris to a Broward County facility. Call (954) 797-1045 for the nearest location.
- If you wish to have all your bulk waste removed at one time, and you know in advance it is greater than 15 cubic yards, call Waste Management to make arrangements for a special pickup during your scheduled monthly collection. The first 15 cubic yards will be taken at no cost, after that, the \$15.62 rate will apply.
- **REMEMBER:** 15 cubic yards refers to the overall dimensions of bulk on your swale. To make the most out of your allowable amount, stack everything as neatly and closely together as possible. (Air space between items will count towards the 15 cubic yards). For example: A one-cubic yard empty box will count as one full cubic yard. If you flatten the box you will save almost the whole amount.

ITEMS THAT WILL NOT BE TAKEN:

- Bulk waste collection is for normal residential activities. Commercial businesses, nurseries, and landscapers are prohibited from placing anything out for collection, and their bulk items will not be taken.
- **Hazardous Waste**
e.g.: Motor oils, paint, batteries, pesticides
- **Contractor Generated Waste/Landscaping Company Waste**
e.g.: Construction materials or tree trimmings generated by anyone other than the homeowner, and materials as a result of land clearing.
- **Exempt Waste**
e.g.: Biological sludge, auto or boat parts, and machine parts
