Town Clerk

Dear Mr. Muniz,

Davie is a truly magnificent place to work, live, and enjoy life. When I first stood for election to the Davie Town Council, I had great hopes that I could help other people. Although I am very proud of my accomplishments in the Town of Davie, Florida election law requires that I resign from my position on the Davie Town Council, in order to stand for election to the Broward County Commission. This has been a difficult decision, but I feel I can help more people in the capacity of a Broward County Commissioner than I can as a Davie Town Council Member. I look forward to working with the Davie Town Council so that together we may make Davie an even better place to work, live, and enjoy life.

Please let this letter serve as an official resignation of the Davie Town Council effective at midnight on Monday November 17th, 2008.

Sincerely,

Bryan Caletka
Council Member District 1
Town of Davie
