2022 Town of Davie Sustainability Awards Entry Form

The Town of Davie is committed to ensuring the sustainability of our community's resources and environment. From the preservation of the Town's rural heritage to raising awareness about climate change, community-wide action is necessary to fulfill this very important goal. To continue supporting this goal, the Town established the "Sustainability Awards" to honor businesses, individuals and non-profit organizations which support sustainability within our community.

Areas of consideration include:

Clean-up and Beautification	Green Building Design	School Gardens
Climate Change	Invasive Plants Control	School Projects
Composting Recycling	Local Food Systems	Solid Waste Reduction
Education & Awareness	Natural Resource Restoration	Sustainable Landscaping
Energy - Efficiency	Pollution Prevention/Reduction	Transportation Options
Energy - Renewable	Provision of Green Products/Services	Water Quality & Conservation
Environmental Preservation	Recycling	Any Related Sustainability Efforts

This entry is for (please check one):

School
 Business
 Individual
 Non-Profit

Project Name:	The Caring Community at Davie Community Garden
Project Location:	Davie, FL
Contact:	Alexander Rakita
Telephone:	954-546-3565
Email:	Asr1025@yahoo.com
Address:	4005 S Hiatus Rd, Davie, FL 33330

Area of Consideration: (select from list above)	local food systems, composting, education & awareness

On a separate page(s), please provide a detailed description of the contribution to sustainability in the Town of Davie. When possible, provide data to illustrate the impact of the activities, such as recycling volume or energy use reductions. Photos, graphics, and copies of press materials are strongly encouraged (additional to the description). Please limit your application to six pages total (including this entry form). More information is best.

Deadline: June 30th, 2022 at 5:00 pm.

Completed forms and attachments may be submitted via email to LBazinet@davie-fl.gov or mail to: Planning & Zoning, Attn: Lise Bazinet, 8800 SW 36 St, Davie FL 33328. For any further questions call: (954) 797-1180.

I, Kiana Raphael, would like to nominate Gleaning for Good for its amazing sustainability efforts and what it has contributed to the Town of Davie. Gleaning for Good has contributed a great amount to the sustainability in the Town of Davie. Their objective since the beginning has been to create volunteer teams that will help identify and harvest excess food and donate as much as they can to the local food banks, and they have done just that. Since inception, GFG has harvested and donated almost 30,000lbs of backyard fruit. Some of the fruit harvested can include mangoes, starfruit, and avocados. Gleaning for good believes in 0 food waste and continues to support its community with the abundance of fruit that potentially go to waste around town. Gleaning for Good partners with the Society of St Andrew, which also works with small urban farms that harvests excess fruit to be utilized in food banks.

Glean for Good does a great job at helping stock food banks with fresh and nourishing foods but they also help owners with practicing 0 food waste. It's a great situation for both parties because they get to donate food to the community while teaching the community on how they can help provide for each other.

Gleaning for Good also has had the opportunity to win the Town of Davie Sustainability Award in 2021 for supporting sustainability within the community.
