Mr. Neal Kalis appeared on behalf of the Applicant and after opening and closing of the public hearing as there was no one objecting, agreed to waive quasi-judicial proceeding.

Mr. Cory asked staff if there were plans to have 14th Street go through to Hiatus Road. Mr. Abramson responded that it was not in the plans.

Mr. Kalis stated that this variance had been approved twice before. He added that the maintenance easement wasn't practical and wanted to relocate it.

Vice Chair Jacob asked if this was the same building design. Mr. Jason Wilson, Pillar Consultants, stated the design was slightly changed. He added that it previously had two restaurants which have been replaced by a large box store.
