

TOWN OF DAVIE
PUBLIC WORKS DEPARTMENT
Project Commencement Notification
Davie Wetlands Park Clearing Project

Scope of Work:

The project scope consists of removing exotic trees and vegetation within the future Davie Wetlands Park site (formerly known as Van Kirk). The Town of Davie has contracted a wildlife trapper to remove/relocate any wildlife that is currently existing on the property. In addition, the Town will be installing guardrail along SW 26 Street to address safety concerns.

Location Map
