

HOUSEHOLD HAZARDOUS WASTE, ELECTRONICS RECYCLING, Residential Bulk & Yard Waste Drop-Off

Effective October 1, 2020, the Town of Davie will be a participating municipality of the Broward County waste disposal services. Davie residents must dispose of Household Hazardous Waste (HHW), electronics recycling, residential bulk trash, and yard waste at any of the County's drop-off centers including, the facility located at 5490 Reese Road. The final Town-wide HHW event scheduled for November 14, 2020, will still take place at Pine Island Park (3801 South Pine Island Road). Please note: This will not impact your monthly bulk pickup schedule.

ADDITIONAL INFORMATION

Chemical Disposal for Businesses and Government Agencies

Small businesses (including home-based), government agencies and non-profits that generate hazardous waste and/or electronics should not bring waste to any Broward County facility. For information, please call 954-765-4999 or 954-357-8850.

Disposal Locations

Residents may utilize the following locations to dispose of accepted Household Hazardous Waste and electronics:

- North Drop-Off Center | 2780 N. Powerline Road
Pompano Beach, FL 33069
- Central Drop-Off Center | 5490 Reese Road
Davie, FL 33314
- South Drop-Off Center | 5601 W. Hallandale Beach
Blvd. West Park, FL 33023

These locations are open Saturdays from 9 a.m. to 3 p.m.

Compact Fluorescent Lamps (CFLs)

If you accidentally break a fluorescent bulb or tube, safely dispose of it by following EPA guidelines for Cleanup and Disposal of broken CFL's.

Medication Disposal

Do not dispose of prescription medications by flushing them down a toilet or drain, as this will contaminate our water system. For information about local medication disposal, visit www.sheriff.org

Sharps (Needle) Disposal

Sharps are considered biohazardous waste and should never be thrown directly into the trash. For information about their safe disposal and a list of sites accepting sharps, visit Florida Health Department.

Rechargeable Batteries

Cell phones, remote control toys, laptops, and power tools are just a few household items that use rechargeable batteries, which contain cadmium or lithium, both of which are considered toxic heavy metals. It is illegal to dispose of rechargeable batteries in the regular trash. Visit Call2Recycle.org for a list of drop-off sites.

Regular Household Batteries

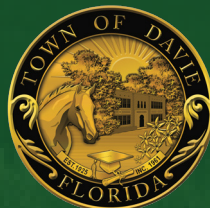

Common household alkaline batteries no longer contain mercury and are safe to dispose of in your regular garbage.

Requirements to Participate

If you wish to participate, please bring proof of residency (photo ID and a document that shows your official address such as a tax bill, TRIM notice, voter registration, utility bill, or other official government-issued document).

For more information regarding waste and recycling requirements, please visit www.broward.org/WasteAndRecycling

DUE TO COVID-19, SOME SERVICES MAY NOT BE AVAILABLE AT THIS TIME. PLEASE VISIT WWW.BROWARD.ORG/WASTE FOR THE LATEST INFORMATION ON AVAILABLE SERVICES, GUIDELINES, AND HOURS OF OPERATIONS.
