

Below please find instructions on how to use the proposed district boundary map layers.

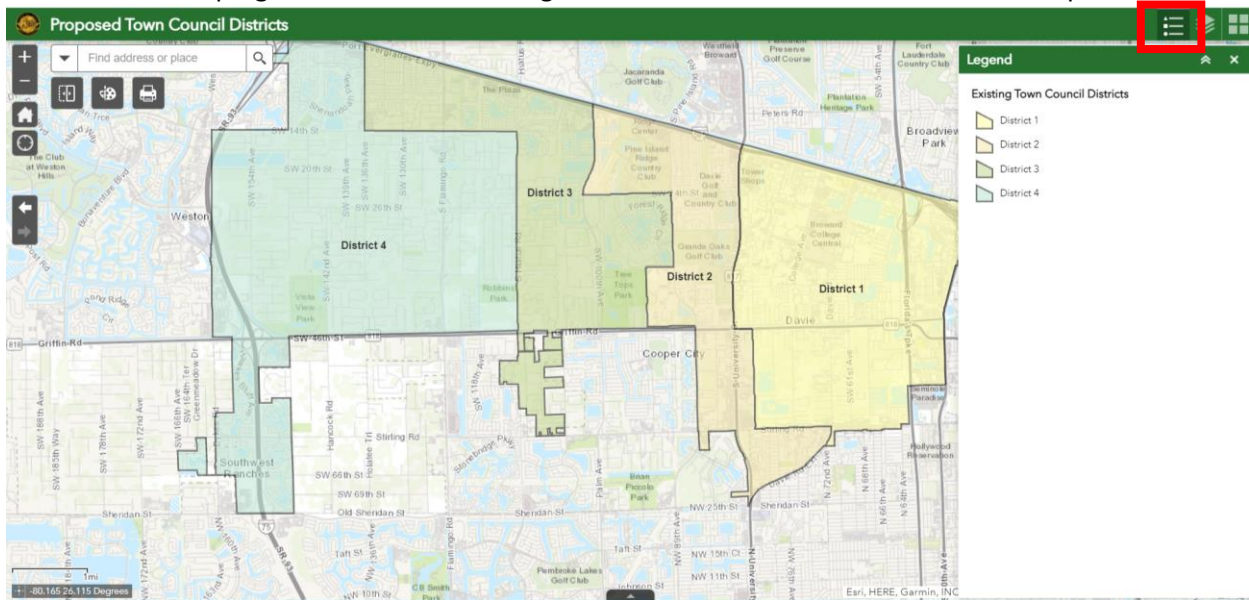

How to find a specific address within the Town of Davie:

1. Go to the top left-hand corner and type the address.
2. Press the magnifying glass icon to search.

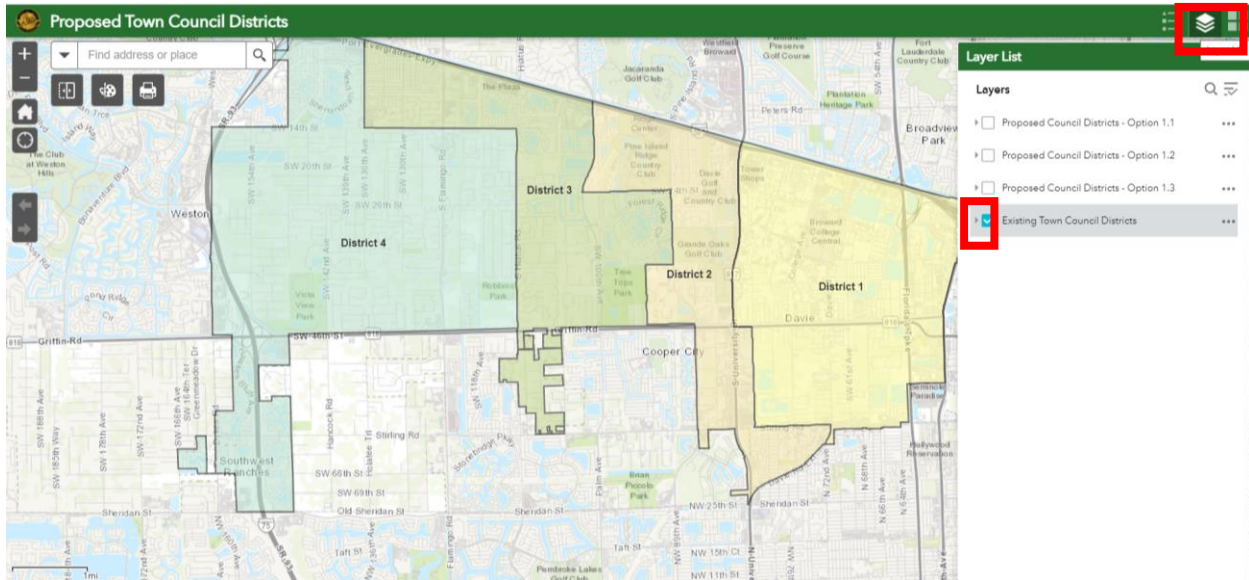

What does each color represent:

1. On the top right-hand corner the "Legend" icon shows what district each color represents.

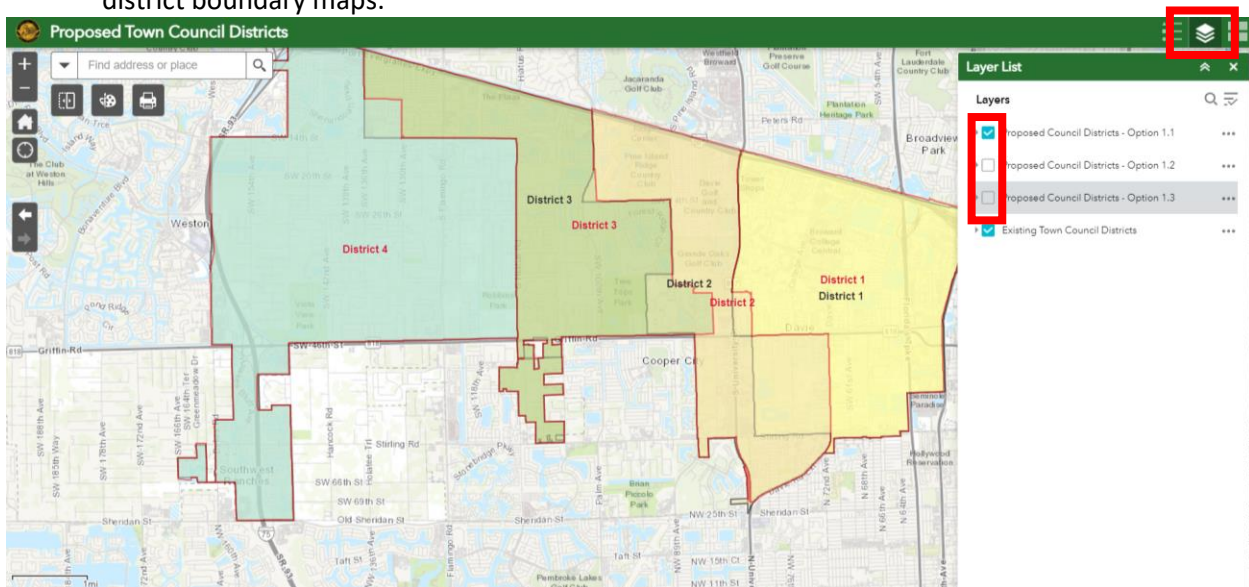

How to see the current district boundaries:

1. On the top right-hand corner there is a “Layer List” icon.
2. Check next to the “Existing Town Council Districts” to have the map display the current Town Council district boundaries.

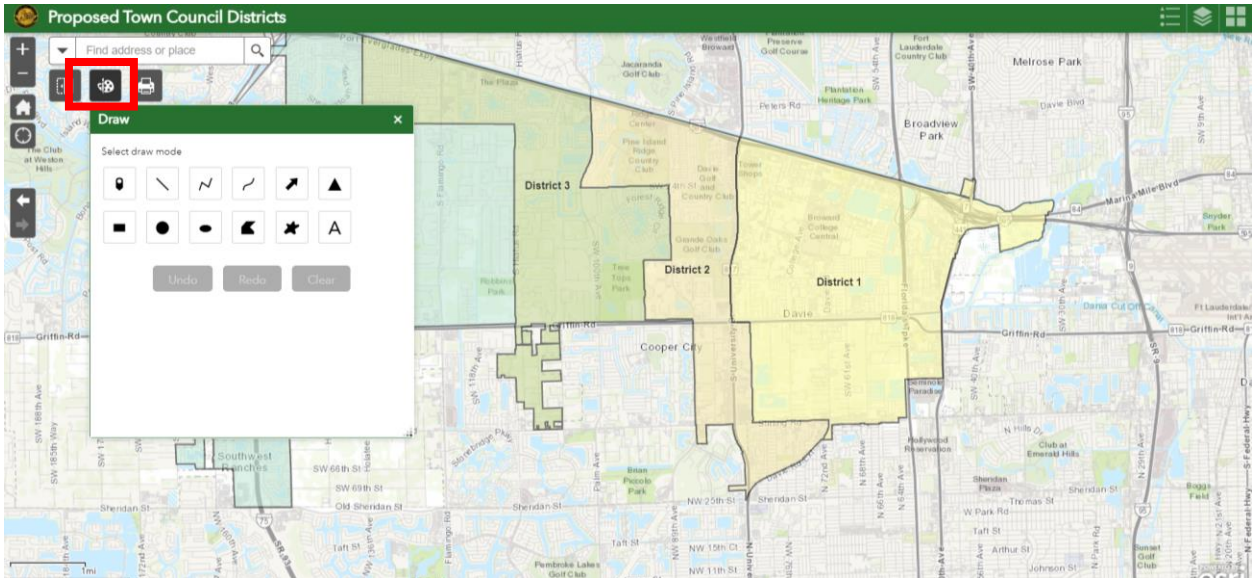

How to see the proposed map changes:

1. On the top right-hand corner click the “Layer List” icon.
2. Check next to the “Proposed Council District Option” to display the proposed Town Council district boundary maps.

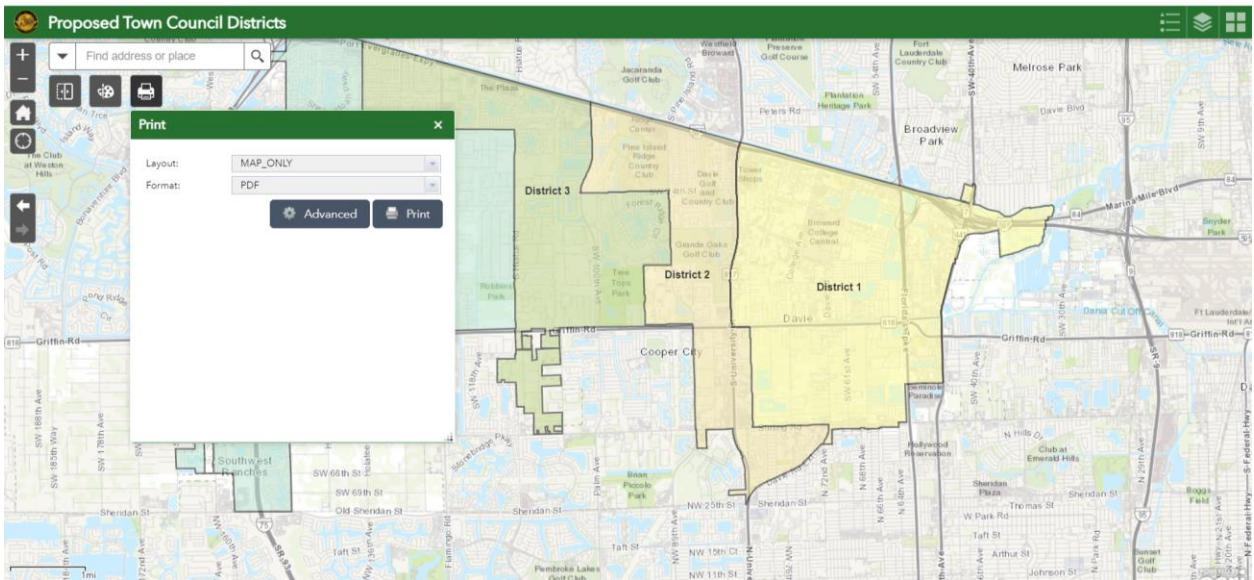

How to draw on the map:

1. On the top left-hand corner the “Draw” icon allows you to draw on the map (these markups are only seen by you).

How to print the maps:

1. On the top left-hand corner the “Print” icon allows you to print the maps.

How to fade out the layers:

1. On the top left-hand corner the “Swipe” icon allows you to fade out the layers of the maps.
