NOT Accepted HHW Items

Waste generated by businesses, explosives, biohazardous waste, appliances and microwave ovens. For more information, visit www.broward.org/waste.

Accepted Electronic Recycling Items

Answering machines, computer cables, cell phones, computers (including laptops), copiers, DVD and VCR players, fax machines, flash and hard drives, keyboards/mice, monitors, pagers, print cartridges, printers, radios, routers, satellite/cable boxes, scanners, speakers/stereos, telephones, televisions and wires.

Accepted Bulk and Yard Waste Items

Yard waste, home furniture and furnishings, appliances, and woody items (fencing and lumber) will be accepted. Also, household hazardous waste (paints, solvents, oil, etc.) and used electronics (computers, televisions) are accepted but must be kept separate from bulk trash. Please note that this will not impact residential curbside monthly bulk pickup schedule.

HHW Information

REQUIREMENTS TO PARTICIPATE

If you wish to participate, please bring proof of residency (photo ID and a document that shows your official address such as a tax bill, TRIM notice, voter registration, utility bill or other official government-issued document).

For more information regarding waste and recycling requirements, please visit www.broward.org/waste.

DISPOSAL LOCATIONS

Residents may utilize the following locations to dispose of accepted Household Hazardous Waste and electronics:

- North Drop-off Center
3780 N. Powerline Road, Pompano Beach, FL 33069
- Central Drop-off Center
5490 Reese Road, Davie, FL 33314
- South Drop-off Center
5601 W. Hallandale Beach Blvd., West Park, FL, 33023

These locations are open Saturdays from 9 a.m. to 3 p.m.

MEDICATION DISPOSAL

Do not dispose of prescription medications by flushing them down a toilet or drain, as this will contaminate our water system.

For information about local medication disposal, visit www.sheriff.org.

SHARPS (NEEDLE) DISPOSAL

Sharps are considered biohazardous waste and should never be thrown directly into the trash.

For more information on the safe disposal of sharps, please contact the U.S. Food and Drug Administration (FDA) at 1-800-643-1643 or info@safeneedledisposal.org. Information they can provide for your state includes:

- Types of sharps containers that can be used.
- Disposal programs in your area.
- How to label your sharps disposal containers.
- How to secure the lid of your sharps disposal container.
- Whether sharps disposal containers can be thrown away in the common trash.

RECHARGEABLE BATTERIES

Mobile phones, remote control toys, laptops, and power tools are just a few household items that use rechargeable batteries, which contain cadmium or lithium, both of which are considered toxic heavy metals. It is illegal to dispose of rechargeable batteries in the regular trash.

Visit www.Call2Recycle.org for a list of drop-off sites.

REGULAR HOUSEHOLD BATTERIES

Common household alkaline batteries no longer contain mercury and are safe to dispose of in your regular garbage.

CHEMICAL DISPOSAL FOR BUSINESSES AND GOVERNMENT AGENCIES

Small businesses (including home-based), government agencies and non-profits that generate hazardous waste and/or electronics should not bring waste to any Broward County facility. For information, please call 954-765-4999 or 954-357-8850.

For more information, visit www.Broward.org/WasteandRecycling.
